SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2021 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be $1,128,617,436 and shall be apportioned to cities and towns in accordance with this section.

Notwithstanding any general or special law to the contrary, on or after December 15, 2020, the secretary of administration and finance may substitute federal funds held in the Massachusetts Coronavirus Relief Fund, established by section 98 of chapter 124 of the acts of 2020, for funds distributed to cities and towns as unrestricted general government aid pursuant to this section, and reduce spending from the General Fund authorized in item 1233-2350 of section 2 of this act accordingly. The substitution of federal funds shall be done to maximize the appropriate use of funds held in the Massachusetts Coronavirus Relief Fund prior to December 30, 2020 and in a manner that prioritizes the timely expenditure of funds appropriated in section 2A of chapter 124 of the acts of 2020. The secretary of administration and finance may require municipalities to cooperate for the purpose of federal compliance.

Notwithstanding section 2 of chapter 70 of the General Laws, as amended by Chapter 132 of the Acts of 2019, or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2021 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts distributed from said item 7061-0008 of said section 2 shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2021, the foundation budget category of "low-income enrollment" for the purpose of calculating foundation enrollment shall be the number of students identified as economically disadvantaged by qualifying as a match in the commonwealth's direct certification system, as maintained in the executive office of health and human services virtual gateway system: supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), Medicaid (MassHealth) and foster care. Notwithstanding the provisions of section 3 of chapter 70 of the General Laws, as so amended, foundation budget rates shall be those set in chapter 41 of the acts of 2019, inflated by the "foundation inflation index" as calculated and applied for the fiscal year 2020 foundation budget. The target local share shall be calculated using the same methodology used in fiscal year 2020. Preliminary local contribution shall be the municipality's fiscal year 2020 minimum required local contribution, increased or decreased by the municipal revenue growth factor used in the Governor’s House 2 budget submission for fiscal year 2021; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; provided further, if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points; provided further, that if a municipality’s combined effort yield is greater than 175% of its foundation budget, then the minimum required local contribution for fiscal year 2021 shall be the target contribution for that municipality in fiscal year 2021. Minimum required local contribution for fiscal year 2021 shall be, for any municipality with a fiscal year 2021 preliminary contribution greater than its fiscal year 2021 target contribution, the preliminary local contribution reduced by 100 per cent of the
gap between the preliminary local contribution and the target local contribution. No minimum required
local contribution shall be greater than 90 per cent of the district's foundation budget amount. Required
local contribution shall be allocated among the districts to which a municipality belongs in direct
proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal
year 2021, the "foundation aid increment" shall be the difference between: (i) the positive difference
between a district's foundation budget and its required district contribution; and (ii) prior year aid. There
shall be no "minimum aid increment" in fiscal year 2021.

Chapter 70 aid for fiscal year 2021 shall be the sum of prior year aid plus the foundation aid increment,
if any. No non-operating district shall receive chapter 70 aid in an amount greater than the district's
foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution
below shall control.

The department of elementary and secondary education shall not consider health care costs for retired
teachers to be part of net school spending for any district in which such costs were not considered part
of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of
section 260 of chapter 165 of the acts of 2014; provided, that any district for whom such costs are not so
considered shall have included as part of net school spending an amount equal to the increase in the
foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be
made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the
prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws.
Advance payments shall be made for some or all of periodic local reimbursement or assistance programs
to any city, town, regional school district, or agricultural school that demonstrates an emergency cash
shortfall, as certified by the commissioner of revenue and approved by the secretary of administration
and finance, under guidelines established by the secretary.

the audited partnership has not provided the commissioner with the notice and filing required by
this subsection.

(2) If a federal adjustments report, or the verification or investigation of the report or
otherwise, identifies any tax due under chapter 62 or chapter 63 that has not been fully assessed
to a partner of an audited partnership, or that is not otherwise accounted for under subsections (c)
to (e), inclusive, the commissioner shall assess such partner an additional tax in an amount equal
to the unpaid tax, with interest and penalties as provided in chapters 62, 62C and 63.
Notwithstanding the time limitations of section 26, the assessment shall be made on or after 180

time limitations of said section 30 shall not apply.

(c) An audited partnership that originally reported or paid tax on behalf of some or all of its
partners, by means of a composite return or through pass-through entity withholding, shall
amend its return or report, as the case may be, in the form and manner required by the
commissioner to account for the distributive share of the final federal adjustment attributable to
those partners and pay any additional tax, including applicable interest and penalties, attributable
to such partners, not later than 90 days after the final determination date. An audited partnership
that fails to meet these requirements shall be jointly and severally liable for the taxes due in
connection with such return or report.

(d) A partner of an audited partnership shall report and pay tax due under chapter 62 or
chapter 63 with respect to adjustments resulting from a partnership-level audit that the partner
reports federally on either an amended federal income tax return or otherwise, including through
a return or report filed pursuant to section 6225(c)(2) of the Code, without including adjustments
required to be reported for federal purposes pursuant to section 6225(a)(2) of the Code, not later
than 180 days after the final determination date that relates to the adjustment as reported on such
return or other report. The requirement to make such report and payment shall be treated as being

are not otherwise accounted for under subsections (c) or (d), the audited partnership may make
an election to pay such taxes not later than 90 days after the final determination date. An audited
partnership making this election shall make such payment not later than 180 days after the final
determination date. An election under this subsection shall not apply to the distributive share
attributable to a corporate partner that participated in a combined report under section 32B of
said chapter 63 for the reviewed year and such distributive share shall not be included in the
computation of the tax payment with respect to the distributive shares attributable to the audited
partnership’s direct and tiered partners under this paragraph. Such corporate partner shall directly
account for its taxes owed. The tax payment with respect to the distributive shares attributable to
the audited partnership’s direct and tiered partners shall be determined as follows:

(A) for distributive shares attributable to direct partners that are not tiered partnerships, the
tax payment shall be determined as follows:

(i) the distributive share reported or attributable to each direct partner that is not subject to
Massachusetts income tax shall be excluded from the total distributive share attributable to such
partners;

(ii) for a partner subject to income tax under said chapter 63, including under section 38Y
of said chapter 63, the partner’s distributive share shall be allocated or apportioned, as provided
under said chapter 63, using the allocation or apportionment method applicable to the partner and
the resulting amount shall be multiplied by the applicable rate of tax set forth in said chapter 63;

(iii) for a partner who is a Massachusetts resident subject to tax under said chapter 62, the
amount of the partner’s distributive share subject to tax under said chapter 62 shall be multiplied
by the rate of tax set forth in said chapter 62 that is applicable to each item of income; and

(iv) for a partner who is a nonresident subject to tax under section 5A of said chapter 62 or
section 10 of said chapter 62, the amount of each such partner’s distributive share required to be

section 10 of said chapter 62 shall be multiplied by the rate of tax set forth in said chapter 62 that
is applicable to each item of income.

(B) for the distributive shares attributable to indirect partners, the tax payment shall be
determined as follows:

(i) an indirect partner’s distributive shares shall be treated as if attributable to a resident
direct partner and the tax shall be determined using the method set forth in clause (iii) of
subparagraph (A), except to the extent that certain shares are subject to the calculations set forth
in clause (ii);

(ii) to the extent that the audited partnership or the commissioner can clearly demonstrate
that an indirect partner is subject to income tax under chapter 63, including under said section
38Y of said chapter 63, the tax owed on such partner’s distributive share shall be calculated
using the methods set forth in clause (ii) of subparagraph (A);

partner is subject to tax under said section 5A of said chapter 62 or said section 10 of said
chapter 62, the tax owed on the amount of the partner’s distributive share required to be sourced
to the commonwealth under said section 5A of said chapter 62 or said section 10 of said chapter
62 shall be calculated using the method set forth in clause (iv) of subparagraph (A); and

(iv) to the extent that the audited partnership can clearly demonstrate that an indirect
partner is not subject to Massachusetts income tax, the distributive share attributable to the
partner shall be excluded from the calculation; and

(C) the amount to be paid by the audited partnership on behalf of the partners shall be
determined by adding the amounts determined in clauses (ii) to (iv), inclusive, of subparagraph
(A), the amounts determined in clauses (i) to (iii), inclusive, of subparagraph (B) and any interest
or penalty attributable to the respective partners as determined under chapters 62, 62C and 63.

(2) A partnership that makes an election under this subsection that is not otherwise subject
to the laws of the commonwealth shall consent to be subject to such laws. A partnership that
makes this election shall be subject to section 31A as if it were an individual.
(3) An election made pursuant to this subsection is irrevocable, unless the commissioner consents to a partnership’s request to revoke the election or determines that the election was made to avoid the imposition of the proper amount of tax.

(4) If properly reported and paid, the amount determined under this subsection with respect to an audited partnership shall be treated as paid on behalf of the partners of the partnership. Such partners shall not take any deduction or credit for this amount or based on this amount or claim a refund of this amount. Nothing in this section shall preclude a resident partner from claiming a credit against taxes paid to another jurisdiction under subsection (a) of section 6 of said chapter 62 for any amount paid by the partnership on the resident partner’s behalf to another jurisdiction.

(f) The direct and indirect partners of an audited partnership that are tiered partnerships, and all of the partners of such tiered partnerships that are subject to tax under chapter 62 or chapter 63, shall be subject to the reporting and payment requirements of subsections (b), (c) and (d). The indirect partners and their partners shall make required reports and payments not later than 90 days after the time for filing and furnishing statements to the indirect partners and their partners consistent with section 6226 of the Code. For an audited partnership that has not made the election under subsection (e), its partners that are tiered partnerships are entitled to make such election, and to pay an amount on behalf of such tiered partnerships’ partners, consistent with said subsection (e).

(g) An audited partnership and a partner of an audited partnership that makes an election pursuant to subsection (e) shall be a taxpayer for purposes of chapters 62, 62C and 63, as applicable, with respect to the duties and obligations imposed by, and any rights resulting from, said chapters 62, 62C and 63 and this section.

(h) The commissioner may enter into an agreement with an audited partnership or a tiered partnership to use an alternative reporting and payment method.

(i) If an audited partnership fails to timely make a payment or file a report required under this section or underpays any taxes due, the commissioner may assess 1 or more partners for taxes they owe under chapter 62 or chapter 63, including interest and penalties, according to the commissioner’s best information and belief.

(j) Nothing in this section shall limit the ability of the commissioner to audit or assess direct partners, indirect partners or tiered partnerships with respect to items derived from an audited partnership or the ability of the commissioner to inspect the books and records of an audited partnership.

(k) For purposes of this section, a partnership representative shall have the sole authority to act on behalf of the audited partnership and its direct and indirect partners with respect to actions taken by the audited partnership under this section. The audited partnership’s direct and indirect partners shall be bound by the partnership representative’s actions. The partnership representative shall be deemed to be the partnership representative as determined under the
Code; provided, however, that the commissioner may modify the determination and provide
additional rules for making the determination through regulations or other guidance.

(l) An audited partnership or a partner of the audited partnership may make payments to
the commissioner as set forth in chapters 62, 62C or 63 of a tax expected to be due from a
pending partnership-level audit prior to the due date of the federal adjustments report. The
payments shall be credited against any tax liability ultimately found to be due and shall limit the
accrual of further statutory interest on such amount. If the payments exceed the final tax liability,
including any interest and penalties, the audited partnership or partner may be entitled to a refund
or credit, as the case may be, under said chapters 62, 62C or 63, as applicable, if the audited
partnership or partner files a federal adjustments report or claim for a refund not later than 1 year
after the final determination date.

(m) The commissioner may promulgate regulations and issue other guidance to implement
or explain the provisions of this section. Such regulations or other guidance may apply the
principles set forth in sections 6221 to 6242, inclusive, of the Code or federal regulations or other
guidance promulgated or issued thereunder to prevent the omission or duplication of state tax
due as the result of a partnership-level audit and to account for differences between federal and
state law.
