OFFICE OF THE GOVERNOR  
**COMMONWEALTH OF MASSACHUSETTS**  
STATE HOUSE · BOSTON, MA 02133

KARYN POLITO  
LIEUTENANT GOVERNOR

*January 17, 2019*

To the Honorable Senate and House of Representatives,

On May 14, 2018, the Supreme Court of the United States decided in *Murphy v. National Collegiate Athletic Assn.* that the Professional and Amateur Sports Protection Act (“PASPA”) provision prohibiting state authorization of sports gambling violates the “anticommandeering” principle of the Tenth Amendment to the United States Constitution. Since that time New Jersey and six other states including our neighbor, Rhode Island, have legalized and implemented sports wagering.

To allow the Commonwealth to compete with neighboring states and meet growing public demand, I am submitting for your consideration “An Act Expanding Sports Wagering in the Commonwealth.” This legislation would establish a system for the Massachusetts Gaming Commission (“MGC”) to license and regulate sports wagering in Massachusetts. Existing Category 1 and Category 2 gaming licensees would be permitted to offer in-person sports wagering at on-site sports wagering lounges and would also be able to provide online-based sports wagering either on their own or in partnership with online gaming operators. This legislation would also allow online sports wagering on websites and mobile applications that are not affiliated with a casino.

In order to protect the sports wagering patrons and consumers, the legislation proposes to utilize the existing Massachusetts gaming regulatory structure administered by the MGC, including the licensing process, investigatory and enforcement powers and other protections such

as the prohibition of anyone under the age of 21 from placing a wager. The legislation also seeks to maintain separation between gambling and amateur and collegiate sports, and between gambling and electronic sports or “eSports.” As a result, the legislation would prohibit sports wagering on these types of sports events.

The legislation further proposes tax rates for sports wagering and daily fantasy contests which are currently governed by regulations promulgated by the Massachusetts Attorney General. The bill imposes a tax rate of 10% on in-person sports wagering and a rate of 12.5% for online sports wagering and daily fantasy contests.

Regulating this form of gaming in Massachusetts provides an opportunity to implement a structure to safeguard consumers while generating a projected \$35 million in revenue in the upcoming Fiscal Year 2020 that will benefit all 351 cities and towns in the Commonwealth. I urge your prompt enactment of this legislation.

Respectfully submitted

Charles D. Baker,  
*Governor*
