The Commonwealth of Massachusetts

CHARLES D. BAKER
GOVERNOR

OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
24 BEACON STREET · BOSTON, MA 02133

KARYN POLITO
LIEUTENANT GOVERNOR

January 31, 2019

To the Honorable Senate and House of Representatives,

I am filing for your consideration a bill entitled “An Act Making Appropriations for Fiscal Year 2019 to Provide for Supplementing Certain Existing Appropriations and for Certain Other Activities and Projects.”

This bill consists of \$165.3 million in supplemental appropriations, at a net state cost of \$150.8 million.

These recommendations include \$54 million in spending for collective bargaining costs. Of this amount, \$38 million is for contracts that are already in effect but only partially funded, while \$1 million is for contracts that are newly ratified and ready to go into effect. The balance supports a reserve for the remainder of anticipated fiscal 2019 collective bargaining costs, to be drawn upon once the relevant agreements are approved through legislation.

I also recommend \$32.9 million for unanticipated costs of the Department of Correction, primarily driven by a contract for medical services, \$16.5 million for past costs of the HIX system, \$16.0 million for the collection and testing of sexual assault evidence kits, \$11.0 million to offset federal reductions to the Low Income Heating Energy Assistance Program (LIHEAP), \$10.0 million for emergency assistance family shelters costs anticipated since the start of the year, \$6.7 million to bolster state support for shared state-federal programs at the Executive Office of Labor and Workforce Development, and \$5.0 million for a regional, multi-agency

approach to fentanyl interdiction and crime displacement by Massachusetts municipal police departments.

A recommended \$3.7 million authorization would allow the Department of Early Education and Care to use Child Care and Development Block Grant funds for IT and quality enhancement projects to benefit child care sites. I also recommend \$3.5 million for the new Department of Family and Medical, \$1.5 million for efficiency and regionalization initiatives benefiting municipalities across the Commonwealth, \$1.5 million for a statewide examination of the Commonwealth's gas distribution system, \$1 million for technical support to emergency rooms as they care for sexual assault victims, and \$2.1 million for other needs.

I further recommend increasing one chargeback ceiling.

This bill includes a total of 65 outside sections related to other policy matters. Thirty-nine of these are proposals that I have previously filed during the last Legislative session, such as annual sections related to transferability between appropriations at MassHealth and in the Emergency Assistance program and an allowance for expenditures to be made during the accounts payable period at MassHealth. I am also re-filing a section to facilitate the transfer of the State Public Health Lab from the Division of Capital Asset Management and Maintenance to the Department of Public Health. Additional sections that I am re-filing are related to oversight of institutions of Higher Education in the commonwealth in the event that the institution is at risk of imminent closure or a failure to fulfill obligations to current or admitted students, and a proposal that would require superintendents to annually report to the Department of Elementary and Secondary Education whether a multi-hazard evacuation plan has been developed with the municipal fire and police chiefs in order to enhance school safety.

I am also re-filing sections that would:

- Add New Year's Day, Veterans Day and Columbus Day to the list of holidays that are included in the phased in reduction of premium pay that were omitted from the premium pay portion of the "Grand Bargain" law that was signed last year.
- Propose procedural changes to the Commonwealth's cannabis laws relating to the procedures for municipal votes and for municipal accounting. I am also filing two new sections related to the cannabis law. The first section would amend the statutory definition of "horticultural use" to include hemp, so that hemp can be grown on land that includes an agricultural preservation restriction. The second section extends the existing penalties that apply to stores that allow the purchase of alcohol or lottery tickets with cash assistance in EBT transactions, to marijuana establishments.
- Clarify the impact of "deemed repatriation", which under federal law places a one-time tax on pre-2018 foreign profits in tax year 2017, on individual taxpayers in Massachusetts. This section has been modified since I previously filed it to address

implementation concerns, and now includes an eight-year repayment period for affected taxpayers.

- Address issues related to stun gun legislation that was signed last year that allows for licensed possession of stun guns. The sections that I am proposing would fully account for the differences between stun guns and traditional firearms by modifying the definition of “stun gun” in order to ensure that all devices are covered.

I am also filing legislation to clarify the availability of benefits under the Paid Family and Medical Leave Act. These changes will ensure that certain contract workers who, along with the businesses for whom they work, pay into the trust fund supporting benefits, are able to receive benefits commensurate with their participation.

Additionally, I am proposing:

- Corrective sections to the Short Term Rentals law, to address certain implementation concerns that have been identified since that law was signed late last year.

- To increase the aggregate amount that the Department of Public Utilities may assess electric and gas distribution companies in order to fund the Commonwealth’s gas infrastructure inspection program.

- Authorization for the Committee on Public Counsel Services to declare an emergency related to care and protection cases in certain counties and authorize a temporary increase in rates for new assignments, with adjustments to caps on hours billed per year. A similar section was signed into law this past year but expired at the end of fiscal year 2018. I am proposing to extend this authority through the remainder of fiscal years 2019 and 2020.

Sufficient revenues are estimated to be available to finance the appropriations proposed in this legislation. Because certain items are time sensitive, including incremental costs of collective bargaining contracts that already in effect, I urge you to enact this legislation promptly.

Respectfully submitted

Charles D. Baker,
Governor

The Commonwealth of Massachusetts

765 SECTION 62. (a) Notwithstanding any general or special law to the contrary, if the
766 committee for public counsel services determines that there exists a limited availability of
767 qualified private counsel appointed or assigned to care and protection cases in any county, the
768 committee may, by a majority vote, declare an emergency in that county.

769 (b) Upon the declaration of an emergency pursuant to subsection (a), the committee may
770 authorize a temporary increase in the rate of compensation for private counsel appointed or

773 appointed or assigned to care and protection cases or who have billed not less than 700 hours in
774 the previous fiscal year as private counsel appointed or assigned to care and protection cases.
775 The committee shall designate a certain minimum number of cases to be taken by each private
776 appointed counsel who is designated eligible to receive the emergency temporary rate of
777 compensation. The temporary increase in the rate of compensation shall be for new case
778 assignments made on or after the date of the declaration of an emergency pursuant to subsection
779 (a). The temporary increase in the rate of compensation shall apply for the duration of those new
780 case assignments. The temporary increase in the rate of compensation for private counsel
781 appointed or assigned to care and protection cases approved by the committee shall not exceed

783 resulted in a sufficient increase in the number of care and protection assignments being taken by
784 private counsel, the committee may modify the eligibility criteria. The chief counsel shall notify
785 the chairs of the house and senate committees on ways and means upon any such modification.

786 (c) Upon the declaration of an emergency pursuant to subsection (a), the chief counsel of
787 the committee may waive the annual cap on billable hours for private counsel appointed or
788 assigned to represent clients in care and protection cases in the specified county; provided,
789 however, that any counsel appointed or assigned to such cases shall not be paid for any time
790 billed in excess of 2,000 billable hours.

791 (d) The committee may limit the availability of the rate of compensation authorized under

794 located in particular counties.

795 SECTION 63. Sections 25 and 28 shall not apply retroactively and shall not affect votes
