

HOUSE No. 967

The Commonwealth of Massachusetts

PRESENTED BY:

Tricia Farley-Bouvier

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act to protect consumers from surprise medical bills.

PETITION OF:

HOUSE No. 967

By Ms. Farley-Bouvier of Pittsfield, a petition (accompanied by bill, House, No. 967) of Tricia Farley-Bouvier and others for legislation to require specific patient consent for out-of-network healthcare services and prohibiting providers from billing consumers for more than the in-network cost-sharing amount. Financial Services.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to protect consumers from surprise medical bills.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Said chapter 6D is hereby further amended by inserting after section 16 the
2 following section:-

3 Section 16A. (a) The commission shall, upon consideration of advice or any other
4 pertinent evidence, recommend the noncontracted commercial rate for emergency services and
5 the noncontracted commercial rate for nonemergency services, as defined in section 1 of chapter
6 176O. The noncontracted commercial rate for emergency services and the noncontracted
7 commercial rate for nonemergency services shall be in effect for a term of 5 years and shall
8 apply to payments under clauses (ii) and (iv) of section 28 of said chapter 176O.

9 (b) In recommending rates, the commission shall consider: (i) the impact of each rate on
10 the growth of total health care expenditures; (ii) the impact of each rate on in-network
11 participation by health care providers; and (iii) whether each rate is easily understandable and

12 administrable by health care providers and carriers. The commission shall not issue its
13 recommendations for the noncontracted commercial rate for emergency services and the
14 noncontracted commercial rate for nonemergency services without the approval of the board
15 established under subsection (b) of section 2. ^L_{SEP}

16 (c) If the board approves the recommendations pursuant to subsection (b), the
17 commission shall submit the recommendations to the division of insurance. The division may,
18 not later than 30 days after the proposal has been submitted, hold a public hearing on the
19 proposal. The division shall issue any findings within 20 days after the public hearing and shall
20 make public those findings and any proposed regulation to implement those findings with respect
21 to the recommendations of the commission. If the division does not issue final regulations with
22 respect to the recommendations within 65 days after the commission submits the
23 recommendations to division, the recommendations shall be adopted by the division as the
24 noncontracted commercial rate for emergency services and noncontracted commercial rate for
25 nonemergency services in effect for the applicable 5-year term.

26 (d) Prior to recommending the rates, the commission shall hold a public hearing. The
27 hearing shall examine current rates paid for in- and out-of-network services and the impact of
28 those rates on the operation of the health care delivery system and determine, based on the
29 testimony, information and data, an appropriate noncontracted commercial rate for emergency
30 services and noncontracted commercial rate for nonemergency services consistent with
31 subsection (b). The commission shall provide public notice of the hearing not less than 45 days
32 before the date of the hearing, including notice to the division of insurance. The division may
33 participate in the hearing. The commission shall identify as witnesses for the public hearing a

34 representative sample of providers, provider organizations, payers and other interested parties as
35 the commission may determine. Any interested party may testify at the hearing.

36 (e) The commission shall conduct a review of established rates in the fourth year of the
37 rates' operation. The commission shall further hold a public hearing under subsection (d) in said
38 fourth year and recommend rates consistent with this section to be effective for the next 5-year
39 term.

40 SECTION 2. Said chapter 111 is hereby further amended by striking out section 228, as
41 so appearing, and inserting in place thereof the following 2 sections:

42 Section 228. (a) As used in this section and in section 228A, the following words shall,
43 unless the context clearly requires otherwise, have the following meanings:-

44 "Allowed amount", the contractually agreed upon amount paid by a carrier to a health
45 care provider for health care services provided to an insured.

46 "Carrier", as defined in section 1 of chapter 176O.

47 "Emergency medical condition", as defined in section 1 of chapter 6D.

48 "Facility", as defined in section 1 of chapter 6D.

49 "Facility fee", a fee charged or billed by a health care provider, health care provider
50 group or a hospital for outpatient hospital services provided in a hospital-based facility that is
51 intended to compensate the health care provider, health care provider group or a hospital for the
52 operational expenses and is separate and distinct from a professional fee.

53 "Hospital", as de fined in section 1 of chapter 6D.

54 “In-network cost-sharing amount”, as defined in section 1 of chapter 176O.

55 “Insured”, as defined in section 1 of chapter 176O.

56 “Network provider”, as defined in section 1 of chapter 176O

57 “Network status”, as defined in section 1 of chapter 176O.

58 “Out-of-network provider”, as defined in section 1 of chapter 176O.

59 “Prior written consent”, a signed written consent form provided to a patient or
60 prospective patient by an out-of-network provider at least 24 hours in advance of the out-of-
61 network provider rendering health care services, other than for emergency services, when said
62 services are scheduled at least 24 hours in advance of the rendering of care, to such patient or
63 prospective patient or, if that person lacks capacity to consent, signed by the person authorized to
64 consent for such a patient or prospective patient. A prior written consent form shall be presented
65 in a manner and format to be determined by the commissioner of public health in consultation
66 with the division of insurance; provided, that such consent form shall be a document that is
67 separate from any other document used to obtain the consent of the patient or prospective patient
68 for any other part of the care or procedure; and provided further, that such consent form shall
69 include: (i) a statement affirming that the out-of-network provider has disclosed its out-of-
70 network status to the patient or prospective patient; (ii) a statement affirming that the out-of-
71 network provider informed the patient or prospective patient that services rendered by an out-of-
72 network provider may result in costs not covered by the patient's or prospective patient's carrier
73 or specific health benefit plan; (iii) a statement affirming that the out-of-network provider
74 informed the patient or prospective patient that services may be available from a contracted
75 provider and that the patient or prospective patient is not required to obtain care from the out-of-

76 network provider; (iv) a statement affirming that the out-of-network provider presented the
77 patient or prospective patient with a written estimate of the patient or prospective patient's total
78 out-of-pocket cost of care for the admission, service or procedure; and (v) an affirmative
79 declaration of the patient's or prospective patient's consent to receive health care services from
80 the out-of-network provider, signed by the patient or prospective patient, or by the person
81 authorized to consent for such a patient or prospective patient.

82 (b) At the time of scheduling an admission, procedure or service for an insured patient or
83 prospective patient, a health care provider shall: (i) determine the provider's own network status
84 relative to insured's insurance carrier and specific health benefit plan and disclose in real time
85 such network status to the insured; (ii) notify the patient or prospective patient of their right to
86 request and obtain from the provider, based on information available to the provider at the time
87 of the request, additional information on the network status of any provider reasonably expected
88 to render services in the course of such admission, procedure or service that is necessary for the
89 patient's or prospective patient's use of a health benefit plan's toll-free number and website
90 available pursuant to

91 section 23 of chapter 176O to obtain additional information about that provider's network
92 status under the patient's or prospective patient's health benefit plan and any applicable out-of-
93 pocket costs for services sought from such provider; (iii) notify the patient or prospective patient
94 of their right to request and obtain from the provider, based on information available to the
95 provider at the time of the request, information on such admission, procedure or service that is
96 necessary for the patient's or prospective patient's use of a health benefit plan's toll-free number
97 and website available pursuant to section 23 of chapter 176O to identify the allowed amount or
98 charge of the admission, procedure or service, including the amount for any facility fees

99 required; (iv) notify the patient or prospective patient that in the event a health care provider is
100 unable to quote a specific allowed amount or charge in advance of the admission, procedure or
101 service due to the health care provider's

102 inability to predict the specific treatment or diagnostic code, the health care provider shall
103 disclose to the patient or prospective patient the estimated maximum allowed amount or charge
104 for a proposed admission, procedure or service, including the amount for any facility fees
105 required; and (iv) inform the patient or prospective patient that the estimated costs and the actual
106 amount the patient or prospective patient may be responsible to pay may vary due to unforeseen
107 services that arise out of the proposed admission, procedure or service. This subsection shall not
108 apply in cases of services provided to a patient to treat an emergency medical condition.

109 (c) If a network provider schedules, orders or otherwise arranges for services related to an
110 insured's admission, procedure or service and such services are performed by another health care
111 provider, or if a network provider refers an insured to another health care provider for an
112 admission, procedure or service, then in addition to the actions required pursuant to subsection
113 (b) the network provider shall, based on information available to the provider at that time: (i)
114 disclose to the insured if the provider to whom the patient is being referred is part of or
115 represented by the same provider organization registered pursuant to section 11 of chapter 6D;
116 (ii) disclose to the insured sufficient information about such provider for the patient to obtain
117 information about that provider's network status under the insured's health benefit plan and
118 identify any applicable out-of-pocket costs for services sought from such provider through the
119 toll-free number and website of the insurance carrier available pursuant to section 23 of chapter
120 176O; and (iii) notify the insured that if the health care provider is out-of-network under the
121 patient's health insurance policy, that the admission, service or procedure will likely be deemed

122 out-of-network and that any out-of-network applicable rates under such policy may apply. This
123 subsection shall not apply in cases of services provided to a patient to treat an emergency
124 medical condition.

125 (d) Upon initial encounter with a patient at the time of scheduling an admission,
126 procedure or service for an insured patient or prospective patient, an out-of-network provider
127 shall, in addition to the actions required pursuant to subsection (b) and at least 24 hours in
128 advance of care, when said care is scheduled at least 24 hours in advance of rendering the
129 services: (i) disclose to the insured that the provider does not participate in the insured's health
130 benefit plan network; (ii) provide the insured with the estimated or maximum charge that the
131 provider will bill the insured for the admission, procedure or service if rendered as an out-of-
132 network service, including the amount of any facility fees; (iii) inform the patient or prospective
133 patient that additional information on applicable out-of-pocket costs for out-of-network services
134 may be obtained through the toll-free number and website of the insurance carrier available
135 pursuant to section 23 of chapter 176O; and (iv) obtain the prior written consent of such patient
136 or prospective patient in advance of the out-of-network provider rendering health care services.
137 This subsection shall not apply in cases of services provided to a patient to treat an emergency
138 medical condition.

139 SECTION 3. Section 1 of chapter 176O of the General Laws, as appearing in the 2016
140 Official Edition, is hereby amended by inserting after the definition of "Incentive plan" the
141 following definition:-

142 “In-network contracted rate,” the rate contracted between an insured’s carrier and a
143 network health care provider for the reimbursement of health care services delivered by that
144 health care provider to the insured.

145 “In-network cost-sharing amount”, the cost-sharing amount that the insured is required to
146 pay for a covered health care service received from a network provider. Cost sharing includes
147 any copayment, coinsurance, or deductible, or any other form of cost sharing paid by the insured
148 other than premium or share of premium.

149 SECTION 4. Said section 1 of said chapter 176O, as so appearing, is hereby further
150 amended by inserting after the definition of “Network” the following 5 definitions:

151 “Network provider”, a participating provider who, under a contract with the carrier or
152 with its contractor or subcontractor, has agreed to provide health care services to insureds
153 enrolled in any or all of the carrier's network plans, policies, contracts or other arrangements.

154 “Network status”, a designation to distinguish between a network provider and an out-of-
155 network provider.

156 “Noncontracted commercial rate for emergency services, the amount set pursuant to
157 section 16A of chapter 6D and used to determine the rate of payment to a health care provider for
158 the provision of emergency health care services to an insured when the health care provider is
159 not in the carrier’s network.

160 “Noncontracted commercial rate for nonemergency services, the amount set pursuant to
161 section 16A of chapter 6D and used to determine the rate of payment to a health care provider for

162 the provision of nonemergency health care services to an insured when the health care provider
163 is not in the carrier's network.

164 "Nonemergency services, health care services rendered to an insured experiencing a
165 condition other than an emergency medical condition.

166 SECTION 5. Said section 1 of said chapter 176O, as so appearing, is hereby further
167 amended by inserting after the definition of "Office of patient protection" the following
168 definition:-

169 "Out-of-network provider", a provider, other than a person licensed under Chapter 111C,
170 that does not participate in the network of an insured's health benefit plan because: (i) the
171 provider contracts with a carrier to participate in the carrier's network but does not contract as a
172 participating provider for the specific health benefit plan to which an insured is enrolled; or (ii)
173 the provider does not contract with a carrier to participate in any of the carrier's network plans,
174 policies, contracts or other arrangements.

175 SECTION 6. Said section 1 of said chapter 176O, as so appearing, is hereby further
176 amended by inserting after the definition of "Second opinion" the following definition:

177 "Surprise bill", a bill for health care services, other than for emergency services, received
178 by an insured for the services of an out-of-network provider rendered at or by a network facility
179 in the insured's health benefit plan or as result of a referral from an in-network provider to an
180 out-of-network provider where: (i) a network provider is unavailable; (ii) the out-of-network
181 provider renders services without the insured's knowledge; (iii) services were referred by a
182 network provider to an out-of-network provider without the prior written consent of the insured
183 acknowledging the out-of-network referral or services and that such services rendered may result

184 in costs not covered by the health benefit plan; or (iv) unforeseen medical services that require
185 the services that are necessary to be performed by an out-of-network provider arise at the time
186 the health care services are rendered; provided however, that “surprise bill” shall not mean a bill
187 received for health care services rendered when a network provider is available and the insured
188 affirmatively elected to receive services from an out-of-network provider.

189 SECTION 7. Section 6 of said chapter 176O, as so appearing, is hereby amended by
190 striking out, in lines 33 and 34, the words “has a reasonable opportunity to choose to have the
191 service performed by a network provider” and inserting in place thereof the following words: L

192 affirmatively chooses to receive services from an out-of-network provider pursuant to
193 section 28 and the out-of-network provider has obtained the prior written consent of the insured
194 pursuant to section 228 of chapter 111.

195 SECTION 8. Subsection (a) of said section 6 of said chapter 176O, as so appearing, is
196 hereby further amended by striking out clause (8) and inserting in place thereof the following
197 clause:-

198 (8)(i) a clear description of the procedure, if any, by which the insured may request an
199 out-of-network referral; (ii) a summary description of the methodology used by the insurer to
200 determine reimbursement of out-of-network health care services; (iii) the amount that the insurer
201 will reimburse under the methodology for out-of-network services pursuant to sections 28; and
202 (iv) examples of anticipated out-of-pocket costs for frequently billed out-of-network health care
203 services;

204 SECTION 9. Said chapter 176O is hereby further amended by striking out section 23, as
205 so appearing, and inserting in place thereof the following section:

206 Section 23. All carriers shall establish a toll-free telephone number and website that
207 enables consumers to request and obtain from the carrier, in real time, the network status of an
208 identified health care provider and the estimated or maximum allowed amount or charge for a
209 proposed admission, procedure or service, and the estimated amount the insured will be
210 responsible to pay for a proposed admission, procedure or service that is a medically necessary
211 covered benefit, based on the information available to the carrier at the time the request is made,
212 including any facility fee, copayment, deductible, coinsurance or other out of pocket amount for
213 any covered health care benefits. All carriers shall create a mechanism by which the insured can
214 request notice of the estimated amount in writing. Upon request, the carrier shall send the
215 consumer written notice of the estimated amount the insured will be responsible for paying.

216 The telephone number and website shall inform the insured that the insured shall not be
217 required to pay more than the estimated amounts disclosed in the written notice for the covered
218 health care benefits that were actually provided; provided however, that nothing in this section
219 shall prevent carriers from imposing cost sharing requirements disclosed in the insured's
220 evidence of coverage document provided by the carrier for unforeseen services that arise out of
221 the proposed admission, procedure or service; and provided further, that the carrier shall alert the
222 insured that these are estimated costs, and that the actual amount the insured will be responsible
223 to pay may vary due to unforeseen services that arise out of the proposed admission, procedure
224 or service, except that the insured shall not be responsible for any additional payment caused by
225 the carrier mistakenly identifying an out-of-network provider as in-network.

226 The information provided on the website shall conform to the uniform methodology for
227 the communication of information about the assignment of tiers to health care providers and

228 health care services adopted by the center for health information and analysis pursuant to section
229 24 of chapter 12C.

230 SECTION 10. Said chapter 176O is hereby further amended by adding the following
231 section:

232 Section 28. (a)(1) A carrier shall reimburse a health care provider as follows: (i) where
233 the health care provider is a member of an insured's carrier's network but not a participating
234 provider in the insured's health benefit plan and the health care provider has delivered health
235 care services to the insured to treat an emergency medical condition, the carrier shall pay that
236 provider the in-network contracted rate for each delivered service; provided, however, that such
237 payment shall constitute payment in full to that health care provider and the provider shall not
238 bill the insured except for any applicable copayment, coinsurance or deductible that would be
239 owed if the insured received such service or services from a participating health care provider
240 under the terms of the insured's health benefit plan;

241 (ii) where the health care provider is not a member of an insured's carrier's network and
242 the health care provider has delivered health care services to the insured to treat an emergency
243 medical condition, the carrier shall pay that provider the noncontracted commercial rate for
244 emergency services for each delivered service; provided, however, that such payment shall
245 constitute payment in full to the health care provider and the provider shall not bill the insured
246 except for any applicable copayment, coinsurance or deductible that would be owed if the
247 insured received such service or services from a participating health care provider under the
248 terms of the insured's health benefit plan;

249 (iii) where the health care provider is a member of an insured's carrier's network but not
250 a participating provider in the insured's health benefit plan and the health care provider has
251 delivered nonemergency health care services to the insured and a participating provider in the
252 insured's health benefit plan is unavailable or the health care provider renders those
253 nonemergency health care services without the insured's knowledge, the carrier shall pay that
254 provider the in-network contracted rate for each delivered service; provided, however, that such
255 payment shall constitute payment in full to the health care provider and the provider shall not bill
256 the insured except for any applicable copayment, coinsurance or deductible that would be owed
257 if the insured received such service from a participating health care provider under the terms of
258 the insured's health benefit plan; and

259 (iv) where the health care provider is not a member of an insured's carrier's network and
260 the health care provider has delivered nonemergency services to the insured and a participating
261 provider in the insured's health benefit plan is unavailable or the health care provider renders
262 those nonemergency health care services without the insured's knowledge, the carrier shall pay
263 the provider the noncontracted commercial rate for nonemergency services for each delivered
264 service; provided, however, that such payment shall constitute payment in full to the health care
265 provider and the provider shall not bill the insured except for any applicable copayment,
266 coinsurance or deductible that would be owed if the insured received such service or services
267 from a participating health care provider under the terms of the insured's health benefit plan.

268 (2) An insured shall not be liable for the payment of surprise bills, shall pay no more than
269 the in-network cost-sharing amount and shall not owe an out-of-network provider more than the
270 in-network cost-sharing amount for services subject to this section.

271 (3) It shall be an unfair and deceptive act or practice, in violation of section 2 of chapter
272 93A, for any health care provider or carrier to request payment from an enrollee, other than the
273 applicable coinsurance, copayment, deductible or other out-of-pocket expense, for the services
274 described in paragraph (1).

275 (b) Nothing in this section shall require a carrier to pay for health care services delivered
276 to an insured that are not covered benefits under the terms of the insured's health benefit plan.

277 (c) Nothing in this section shall require a carrier to pay for nonemergency health care
278 services delivered to an insured by an out-of-network provider that has obtained prior written
279 consent of the insured pursuant to section 228 of chapter 111.

280 (d) The commissioner shall promulgate regulations that are necessary to implement this
281 section.

282 SECTION 11. Notwithstanding any general or special law to the contrary, the
283 noncontracted commercial rate for nonemergency services under chapter 176O of the General
284 Laws shall be not more than the eightieth percentile of all allowed charges for a particular health
285 care service performed by a health care provider in the same or similar specialty and provided in
286 the same geographical area, as reported in a benchmarking database by a nonprofit organization
287 specified by the division of insurance. Such an organization shall not be affiliated with a health
288 carrier.

289 SECTION 12. Notwithstanding any general or special law to the contrary, the
290 noncontracted commercial rate for emergency services under chapter 176O of the General Laws
291 shall be not more than the eightieth percentile of all allowed charges for a particular health care
292 service performed by a health care provider in the same or similar specialty and provided in the

293 same geographical area, as reported in a benchmarking database by a nonprofit organization
294 specified by the division of insurance. Such an organization shall not be affiliated with any
295 health carrier.

296 SECTION 13. Sections 11 and 12 are hereby repealed.

297 SECTION 14. Section 13 shall take effect on December 31, 2020.
