<i>William C. Galvin</i>	<i>6th Norfolk</i>	<i>2/1/2019</i>

HOUSE No. 224

By Mr. Day of Stoneham, a petition (accompanied by bill, House, No. 224) of Michael S. Day and others relative to the motor vehicle right to repair law and consumer rights. Consumer Protection and Professional Licensure.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

An Act to enhance, update and protect the 2013 motor vehicle right to repair law and consumer rights.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Section 1 of Chapter 93K of the General Laws is hereby amended by inserting
2 after the definition of “Manufacturer” the following definition:- “Mechanical Vehicle Data”, any
3 telematics data in a vehicle related to the diagnosis, repair or maintenance of that vehicle.

4 Section 1 of said Chapter 93K is hereby further amended by inserting after the definition
5 “Owner” the following new definition “Telematic System” Any system in a vehicle that collects
6 and stores information generated by the operation of the vehicle utilizing wireless
7 communications to transfer that information electronically. Such systems include, but are not
8 limited to, motor vehicle remote diagnostics, automatic airbag deployment and crash notification,
9 navigation, stolen vehicle location, remote door unlock, transmitting emergency and vehicle
10 location information to public safety answering points and any other service integrating vehicle
11 location technology and wireless communications.

12

13 Section 2. Section 2 (d) (1) of said Chapter 93K is hereby amended by inserting at the
14 end thereof the following:-

15 Access for vehicle owners and independent repair facilities to vehicle on-board
16 diagnostic systems shall be standardized and not require the use of any authorization, directly or
17 indirectly, by the manufacturer unless that authorization system for access to vehicle networks
18 and their on-board diagnostic systems is standardized across all makes and models sold in the
19 Commonwealth and is administered by an entity unaffiliated with a manufacturer.

20

21 Section 3. Said Chapter 93K is hereby further amended by striking Section 2 (f) and
22 inserting in place thereof the following:-

23 (f) Commencing in model year 2022 and thereafter a manufacturer of motor vehicles sold
24 in the Commonwealth that utilizes a telematics system shall be required to equip such vehicles
25 with an inter-operable, standardized and open access platform across all makes and models that
26 is capable of securely communicating all telematics vehicle data in a standardized format via
27 direct data connection to the platform. Said platform shall be directly accessible by the owner or
28 lessee of the vehicle through a mobile-based application and upon the authorization of the
29 vehicle owner or lessee, all mechanical data shall be directly accessible by an independent motor
30 vehicle repair facility or a class 1 dealer licensed pursuant to Section 58 of Chapter 140 limited
31 to the time to complete the repair or for a period of time agreed to by the vehicle owner or lessee
32 for the purposes of maintaining, diagnosing and repairing the motor vehicle. Access also shall
33 include the ability to send commands to in-vehicle components if needed for purposes of

34 maintenance, diagnostics and repair. All data collected by the telematic system is exclusively
35 owned by the motor vehicle owner.

36 Section 4. Said Chapter 93K is hereby further amended by adding after clause (f) the
37 following:

38 (g) The Attorney General is hereby directed to establish a consumer motor vehicle
39 telematic system notice that includes, but is not limited to, (i) explaining what is motor vehicle
40 telematics, (ii) the data collected and stored by the telematic system, (iii) the capability of the
41 consumer to access the vehicle's telematic data through a mobile device and (iv) that an
42 independent repairer with the permission of the consumer, can access the telematic mechanical
43 repair information for vehicle repair purposes. Said notice shall contain a consumer signature
44 section specifying that the consumer has read the telematic consumer system notice form and a
45 section that provides the consumer the capability to assent or prohibit all telematic system data
46 generated by the telematic system being transmitted from the consumer's vehicle to the vehicle
47 manufacturer. The consumer notice shall also inform the consumer that they may amend their
48 signed consumer telematic system notice by visiting any new car dealership that sells the
49 consumer's vehicle brand or using an online mobile application.

50 Section 5. Said Chapter 93K is hereby further amended by adding the following clause:-
51 (h) A class 1 or class 2 dealer licensed pursuant to Chapter 140 Section 58 of the General Laws
52 shall when selling a vehicle containing a telematic system provide the consumer the motor
53 vehicle telematics system notice to be read and signed by the consumer and provide a copy of the
54 signed notice to the consumer.

55 Section 6. Section 6(a) of Chapter 93K is hereby amended by adding at the end the
56 following:- A manufacturer's failure to comply with the requirements of this act shall prohibit a
57 manufacturer from selling new motor vehicles in the Commonwealth until such time as the
58 Attorney General is satisfied that the manufacturer has cured all problems and is in full
59 compliance with this act.
