Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The first paragraph of section 18F of chapter 55 of the General Laws is
2 hereby amended by striking out the first sentence and inserting in place thereof the following
3 sentence:-

4 Every individual, group, association, corporation, labor union or other entity not defined
5 as a political committee who makes an electioneering communication expenditure in an
6 aggregate amount exceeding \$250 during a calendar year shall electronically file with the
7 director, within 7 days after making the expenditure, a report stating the name and address of the
8 individual, group, association, corporation, labor union or other entity making the electioneering
9 communication, the name of any candidate clearly identified in the communication, the total
10 amount or value of the communication, the name and address of the vendor to whom the
11 payments were made and the purpose and date of the expenditure; provided, that no individual,
12 group, association, corporation, labor union or other entity not defined as a political committee

13 shall expend funds except funds of a United States Citizen for the purpose of an electioneering
14 communication expenditure made in relation to internet advertising; provided, that if
15 electioneering communication expenditure was made in relation to internet advertising, the
16 report shall also include the advertisement as delivered to the vendor, the demographic

18 entities, all persons or entities that made the largest contributions to that entity, regardless of the
19 purpose for which the funds were given; provided further, that if an internet advertisement
20 electioneering communication is removed from a website, the individual, group, association,
21 corporation, labor union or other entity not defined as a political committee shall provide an
22 electronic addendum to the report stating the reason for the removal provided by the website; and
23 provided further, that if electioneering communication expenditure was made in relation to
24 internet advertising, the report shall certify under the pains and penalties of perjury that the
