An Act relative to micro-mobility and motorized scooters.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 1 of chapter 90 of the General laws, as appearing in the 2016  
2 Official Edition, is hereby amended by inserting after the definition of “Lawful status” the  
3 following definition:-

4           “Lightweight motorized scooter,” any 2 wheeled tandem or 3 wheeled device, that has  
5 handlebars, with a device weight of 50 pounds or less, designed to be stood or sat upon by the  
6 operator, powered by a motor that is capable of propelling the device with or without human  
7 propulsion. A lightweight motorized scooter is considered to be a personal micro-mobility  
8 device. The definition of “lightweight motorized scooter” shall not include a motorcycle or  
9 motorized bicycle or a 3 wheeled motorized wheelchair.

10           SECTION 2. Said section 1 of said chapter 90, as so appearing, is hereby further  
11 amended by inserting after the definition of “Owner-contractor” the following definition:-

12           “Personal micro-mobility device,” any device intended for personal transportation with a  
13 weight of 50 pounds or less designed to be stood or sat upon, powered by an electric or gas  
14 powered motor capable of propelling the device without human propulsion. The department may  
15 determine if a device meets the definition in section 1K of this chapter.

16           SECTION 3. The definition of “motor vehicle” of said section 1 of said chapter 90, as so  
17 appearing, is hereby amended by inserting after the word “bicycle” in line 289 the following  
18 words:- , or lightweight electric scooter.

19           SECTION 4. Said chapter 90 is hereby further amended by inserting after section 1I the  
20 following section:-

21           Section 1J. A lightweight motorized scooter shall not be operated on any way at a speed  
22 in excess of 15 miles per hour. A person operating a lightweight motorized electric scooter upon  
23 a way shall have the right to use all public ways in the commonwealth including off-street  
24 recreational bicycle paths and excluding limited access or express state highways where signs  
25 specifically prohibiting scooters or bicycles have been posted, and shall be subject to all traffic  
26 laws and regulations of the commonwealth and the regulations contained in this section, except  
27 that: (1) a lightweight motorized scooter operator shall keep to the right side of the road at all  
28 times, including when passing a motor vehicle which is moving in the travel lane of the way; (2)  
29 the lightweight motorized scooter shall be equipped with a front facing light and a rear facing  
30 light, and operational turn signals so that the operator can keep both hands on the handlebars at  
31 all times; and (3) lightweight motorized scooters may be operated on sidewalks outside business  
32 districts unless otherwise directed by local ordinance or other regulation. A person operating a

33 lightweight motorized scooter on the sidewalk shall yield the right of way to pedestrians and give  
34 an audible signal before overtaking and passing any pedestrian.

35 No person operating a lightweight motorized scooter shall permit any other person to ride  
36 as a passenger on the scooter.

37 SECTION 5. Said chapter 90 is hereby further amended by inserting after section 1J the  
38 following section:-

39 Section 1K. (a) The department shall promulgate rules and regulations for the safe  
40 operation of personal micro-mobility devices as needed. The regulations may address, but are not  
41 limited to, the following: (1) establish vehicle specifications and speed limits; (2) establish age  
42 restrictions on the use of certain personal micro-mobility devices; (3) establish restrictions on the  
43 operation of personal micro-mobility devices on certain public ways; (4) determine the number  
44 of passengers the device can safely transport (5) annually require persons or entities engaged in  
45 the retail business of renting personal micro-mobility devices to report the number of crashes  
46 incurred by their devices that resulted in serious bodily injury or death; and (6) establish other  
47 personal micro-mobility data reporting requirements for persons or entities engaged in the retail  
48 business of renting personal micro-mobility devices; (7) determine fines to be assessed should an  
49 individual or person or entity engaged in the retail business of providing micro-mobility devices  
50 be found in violation of said rules and regulations. (8) address other matters related to safe  
51 operation of personal micro-mobility devices as needed

52 (b) Nothing in this section shall prevent cities and towns from adopting local regulations  
53 to manage persons or entities engaged in the retail business of renting personal micro-mobility  
54 devices. Such regulatory and enforcement powers may include, but are not limited to, the

55 municipality's ability to charge persons or entities engaged in the retail business of renting  
56 personal micro-mobility devices a reasonable fee to offset the municipality's cost for managing  
57 and overseeing the shared operation of these devices and maintaining necessary infrastructure;  
58 removal authority if devices remain in violation after notice of violation of local regulations,  
59 with cost to be borne by person or entity engaged in retail business of renting personal micro-  
60 mobility devices; imposing fees and penalties on persons or entities engaged in the retail  
61 business of renting personal micro-mobility devices for violation of local regulations, and  
62 designating limitations on the number of persons or entities engaged in the retail business of  
63 renting personal micro-mobility devices that may operate in a municipality or quantity of devices  
64 offered to the public for rental.
