An Act relative to acting mayors during COVID-19 State of Emergency.

   Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

   Notwithstanding the foregoing, or any other general law, city charter, ordinance, or by-law, or any special legislation limiting the authority and duties of an acting mayor as set forth therein, upon the Governor acting pursuant to law declaring the COVID-19 state of emergency, dated March 10, 2020 and designated as executive order 591, an “acting mayor’s” powers shall not be so limited and the “acting mayor” serving as the result of a vacancy in the office of mayor, caused by the death, absence, or resignation of the mayor, shall possess all the powers of mayor in accordance with law. In addition, such “acting mayor” may make such appointments as are necessary to allow the city to adequately address the needs of its residents during the pendency of the State of Emergency. Said powers and appointments shall continue until such time as the emergency declaration is rescinded by the governor.
