An Act relative to solar drying of laundry.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 184 of the General Laws is hereby amended by adding the following section:-

2 Section 36. (a) As used in this section, the following words shall have the following  
3 meaning unless the context clearly requires otherwise:

4 “Association of homeowners”, a community association, condominium association,  
5 homeowners association, cooperative or any other nongovernmental entity with covenants, by-  
6 laws and administrative provisions with which the homeowner’s compliance is required.

7 “Clothesline”, a rope, cord, wire or similar device on which clothing or other items  
8 including, but not limited to, linens are hung outdoors to dry.

9 (b) Notwithstanding any general or special law to the contrary, a homeowner or tenant  
10 shall not be prohibited from installing or using a clothesline.

11 (c) A homeowner or an association of homeowners may adopt rules that reasonably  
12 restrict the placement and use of a clothesline on the premises of a residential dwelling;  
13 provided, however, that those restrictions shall not prohibit the use of clotheslines. No private  
14 entity shall assess or charge a homeowner a fee for the placement or use of a clothesline. If a  
15 homeowner or an association of homeowners has a contract, deed, covenant, restriction, rule, by-  
16 law, lease agreement or rental agreement that prohibits the use of clotheslines on the effective  
17 date of this act, the homeowner or association of homeowners shall hold a meeting to reconsider  
18 the provision prohibiting the use of clotheslines at the request of a unit owner or tenant;  
19 provided, however, that in the case of a tenant leasing or renting a unit in an association, the  
20 tenant shall make such a request to the unit owner. Any such meeting shall be held at a date and  
21 time agreed upon with the requesting party and after providing reasonable notice to all of the  
22 interested parties.

23 (d) Upon approval of this section by the legislative body of a city or town, the following  
24 question shall be placed on the official ballot and submitted to the voters of that city or town at  
25 the next regular municipal or state election:

26 “Shall (the city or town) accept Section 36 of Chapter 184 of the General Laws relative to  
27 the solar drying of laundry?”

28 If a majority of the voters voting on the question vote in the affirmative, this section shall  
29 take effect in that city or town.
