332 for the nomination and election of the officers required to be elected following the revocation of

333 this act. The said revocation shall not affect any contract then existing or any action at law of any

334 suit in equity or any other proceedings then pending. Any special laws relative to said Town

335 which are repealed by this act shall be revived by this revocation. All laws, by-laws, votes, rules,

(b) Ten or more registered voters of the town of Ipswich may make and file a notice of intent with the town clerk bearing the name of the elected official sought to be recalled and a statement of the specific grounds for the recall as established under subsection (a), with information sufficient to support the specific grounds for recall, at least 170 days before the next annual town election. Upon certification of the required signatures by the registrar of voters and a determination that the notice of intent contains information sufficient to support the specific grounds for the recall, as confirmed by town counsel, within 5 business days, the clerk shall deliver to the first named voter on the notice of intent, the petition forms, addressed to the Select Board requesting a recall. The petition forms shall be issued under the signature and official seal of the town clerk. The petition forms shall be dated and shall contain the names of the first 10 registered voters whose names appear on the notice of intent to recall. In addition, the petition shall request the election of a successor to the office. A copy of the petition form shall be entered in a record book to be kept in the office of the town clerk. The recall petition forms shall be returned and filed with the town clerk within 60 days after the receipt of the signed petition forms, or the next business day if the sixtieth day falls on a Saturday, Sunday or legal holiday, with signatures, names and precincts. The town clerk shall, within 3 business days after the petition forms are filed with the office of the town clerk, submit the recall petition forms to the registrar of voters. The registrar shall, within 15 business days after the date of receipt, certify in writing to the town clerk, the number of signatures which are names of registered voters in Ipswich.

(c) If the recall forms shall be certified by the registrar of voters to contain at least 1500 signatures of registered voters in Ipswich, including at least 200 registered voters from each precinct, the petition shall be filed by the town clerk with the Select Board within 2 business

382 days. The Select Board shall give notice following the next scheduled Select Board meeting, in
383 writing, to the elected official whose recall is sought by sending that elected official a copy of the
384 certified recall petition. If the elected official to whom the recall is directed by the Select Board
385 does not resign the office within 5 business days from the date of notice, the Select Board shall
386 order a recall election to be held on the date of the next town election. If a vacancy occurs in the
387 office after a recall election has been ordered, the election shall proceed as provided in this
388 section, but only ballots for the new candidates shall be counted.

389 (d) An elected official whose recall is sought shall not be a candidate in the recall
390 election. The nomination of candidates, the publication of the warrant for the recall election and
391 the conduct of the election shall be in accordance with the state and local laws relative to
392 elections, unless otherwise provided in this section.

393 (e) The incumbent shall continue to perform the duties of the office until the recall
394 election, unless the elected official resigns. If the incumbent is not recalled, that person shall
395 remain in office for the remainder of the incumbent's unexpired term, subject to recall as before,
396 except as provided by this section. If recalled in the recall election, the incumbent shall be
397 considered removed upon the qualification of the successor, who shall hold office during the
398 unexpired term.

399 (f) Ballots used in a recall election shall contain the following propositions in the
400 order indicated: For the recall of (name of elected official) who holds the position of (elected

403 for either of the propositions. Under the propositions shall appear the words "Candidates and

directions to voters required by section 42 of chapter 54 of the General Laws" and beneath those words, the names of the candidates nominated listed alphabetically as herein provided. If a majority of the votes cast upon the question of the recall is in favor of the recall, the elected official shall be recalled and the ballots for candidates shall be counted. The candidate receiving the highest number of votes shall be declared elected. If the majority of the votes are cast in the negative, the ballots for candidates need not be counted unless the incumbent official has previously resigned or a vacancy occurs in the office after a recall election has been ordered under subsection (c).

(g) A recall petition shall not be filed against an elected official within 6 months after the official has taken office, unless the elected official has been re-elected to another consecutive term in office, then a recall petition may be filed not sooner than 3 months after such official takes office on the re-election vote.
