

SENATE No. 1251

The Commonwealth of Massachusetts

PRESENTED BY:

Diana DiZoglio

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to students of chiropractic.

PETITION OF:

NAME:

Diana DiZoglio

DISTRICT/ADDRESS:

First Essex

SENATE No. 1251

By Ms. DiZoglio, a petition (accompanied by bill, Senate, No. 1251) of Diana DiZoglio for legislation relative to students of chiropractic. Public Health.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 1228 OF 2017-2018.]

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act relative to students of chiropractic.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: Chapter 112 of the General Laws is hereby amended by inserting, after
2 section 91, the following new section:-

3 Section 91A: Chiropractic students; limited practice of chiropractic under supervision

4 A student of chiropractic, who has (1) completed all academic and clinical class
5 requirements for the degree of doctor of chiropractic a legally chartered chiropractic school, and
6 (2) passed all four levels of the National Chiropractic Board Examinations, may practice
7 chiropractic, under the direct supervision of a licensed chiropractor. The supervising
8 chiropractor shall be a registered chiropractor in the commonwealth and a duly appointed
9 chiropractor of record in the duly licensed chiropractic facility, to which the student may be
10 assigned. The student shall practice under the license of the supervising chiropractor and shall

11 not be eligible to bill as a credentialed clinician. The board may, in its discretion from time to
12 time, designate other facilities or locations in which said student may practice chiropractic under
13 the conditions described above.
