Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 29 of the General Laws, as appearing in the 2016 Official Edition,
2 is hereby amended by inserting after section 2RRRR the following section:-

3 Section 2XXX. There shall be established and set upon the books of the commonwealth a
4 separate fund to be known as the Snowmobile Trail Maintenance Fund, the funds of which shall
5 be administered and expended by the Secretary of the Executive Office of Energy and
6 Environmental Affairs for the grooming, maintaining, and repairing of publicly-owned trails
7 marked and designated for use by snow vehicles as defined in section 20 of Chapter 90B. The
8 Secretary of the Executive Office of Energy and Environmental Affairs shall contract with an
9 organization promoting snowmobile safety and working toward the development, maintenance,

11 expend these funds, provided that revenues retained not exceeding 5 per cent be expended by the
12 Secretary for law enforcement and administrative costs associated with the administration and

implementation of this fund. Said contract shall be issued annually, and at a time of year to be determined by Secretary of the Executive Office of Energy and Environmental Affairs

The Secretary of the Executive Office of Energy and Environmental Affairs shall report annually to the house and senate committees on ways and means and the joint committee on environment, natural resources and agriculture on income received into the fund and sources of that income, any expenditure from the fund and their purposes, and fund balances.

The Snowmobile Trail Maintenance Fund may receive monies from: (1) gifts, grants and donations from public or private sources; (2) federal reimbursements and grants-in-aid; (3) fines collected pursuant to section 27F of Chapter 90B; and (4) any interest earned from the fund. The state treasurer shall receive, deposit and invest funds held in such a manner as to ensure the highest interest rate available consistent with the safety of the fund. The books and records of the fund shall be subject to an annual audit by the state auditor. The Secretary of the Executive Office of Energy and Environmental Affairs may expend such funds and no expenditure from the fund shall cause it to be in deficiency at the close of a fiscal year.
