The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act for a grade improvement tax credit.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The Massachusetts General Laws are hereby amended by inserting the
2 following new chapter:

3 Chapter 78B. Grade Improvement Tax Credit

4 Section 1. An Act to create a Grade Improvement Tax Credit (GITC), under the Laws of
5 Massachusetts, providing for a Tax Credit to certain qualified individuals, for specific assistance
6 in helping individuals to improve their grade level of academic achievement.

7 Section 2. As individuals become literate, many prove to have the desire to improve
8 themselves further. Many individuals have described certain weak bridging characteristics, in
9 accessing learning school curriculums, that they may not have been exposed to. This Tax Credit

10 is designed to facilitate the encouragement of competent volunteers, and their connection
11 with those desiring continued improvement, in their knowledge and skills.

12 Section 3. Each person wishing to improve their grade level, should be tested for their
13 level of competence, by reasonable standards to be established. Each existing grade level
14 competent person, who wishes to participate in helping to improve grade level, can register their
15 willingness to do so, through various recognized educational organizations; including
16 properly accredited schools, and other appropriate organizations. Such organizations, may be
17 qualified, and designated through appropriate regulations, by the Massachusetts Department of
18 Education.

19 Section 4. A Grade Improvement Tax Credit, shall be created. Any person being brought
20 to an improvement of at least one grade, shall also accrue to their Assisting Sponsor (AS) a
21 Grade Improvement Tax Credit, of no less than \$750, and up to \$2200, such amount to be
22 adjustable based on further analysis, and those standards, and regulations of the
23 Massachusetts Department of Education. These amounts may be adjusted from time to time, as
24 are modest, and reflect reasonable inflation standards, such as the Consumer Price Index (CPI).

25 Section 5. Appropriate standards shall be set by the Massachusetts Department of
26 Education, identifying the standards to be used, in approving those individuals, who wish to
27 assist other individuals to improve their grade level of capability.

28 Section 6. Other relevant standards, and regulations, shall be established. Detailed
29 recording of the results of this program, shall be kept, and regularly analyzed, so that the
30 program may be measured, improved, and adjusted for effectiveness.
