The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to increase container recycling in the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 94 of the General Laws, as appearing in the 2016 Official Edition,
2 is hereby amended in section 321 by striking lines 5 through 9, inclusive, and inserting in place
3 thereof the following definition:-

4 "Beverage", soda water or similar carbonated soft drinks, noncarbonated non-alcoholic
5 beverages in liquid form intended for human consumption, mineral water, beer, and other malt
6 beverages. This definition excludes beverages that are primarily derived from dairy products,
7 infant formula, united states food and drug administration-approved medicines, wine, and
8 alcoholic beverages other than beer and malt beverages as defined in chapter one hundred and
9 thirty-eight.

10 SECTION 2. Said section 321 of chapter 94, as appearing in the 2016 Official Edition, is
11 hereby further amended by inserting after the definition of “Distributor” the following
12 definition:-

13 “Diversion rate”, the percent rate of empty non-deposit containers which are separated
14 from the waste stream and are intended to be reused or recycled, as determined by the executive
15 office of environmental affairs.

16 SECTION 3. Said section 321 of chapter 94, as appearing in the 2016 Official Edition, is
17 hereby further amended by inserting after the definition of “Label” the following definition:-

18 “Non-deposit container”, any sealable bottle, can, jar or carton not subject to Section 322
19 which is primarily composed of glass, metal, plastic or any combination of those materials and is
20 produced for the purpose of containing any liquid intended for human consumption, excluding
21 dairy products, infant formula, united states food and drug administration-approved medicines,
22 wine and alcoholic beverages other than beer and malt beverages as defined in chapter one
23 hundred and thirty-eight.

24 SECTION 4. Said section 321 of chapter 94, as appearing in the 2016 Official Edition, is
25 hereby further amended by inserting after the definition of “Plastic bottle” the following
26 definition:-

27 “Redemption rate”, the per cent rate of beverage containers that are redeemed for their
28 deposits, as determined by the executive office of environmental affairs.

29 SECTION 5. Chapter 94 of the General Laws is hereby amended by inserting after section
30 326 the following new section:-

31 Section 326A.(a) The secretary shall establish, not later than the first day of January,
32 2021, a process for determining the diversion rate and the redemption rate. The secretary may
33 establish any guidelines or regulations necessary or expedient to determine these rates.

34 (b) Not later than the final day of December, 2021, the secretary of environmental affairs
35 shall determine the diversion rate and the redemption rate for calendar year 2020. In each
36 subsequent year, the secretary shall determine the diversion rate and redemption rate for the
37 foregoing year.

38 (c) If, by December 2025, the mean diversion rate for any two year period is found by the
39 secretary to be equal to or greater than the mean redemption rate in the corresponding two year
40 period, then this section shall be repealed.

41 SECTION 6. Section 1 of this act shall take effect on July 1, 2026 provided, however,
42 that if the secretary has determined the redemption rate and diversion rate to have equalized
43 under subsection (c) of section 326A of chapter 94, then section 1 will not go into effect.

44 SECTION 7. The remainder of this act shall take effect on December 31, 2020.
