An Act relative to pipeline siting.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 94A of chapter 164 of the General Laws is amended by inserting, at  
2 the end thereof, the following paragraph:

3 The department shall not approve any pipeline capacity contract or gas storage contract  
4 where new capacity is proposed to be created through the installation of gas infrastructure in land  
5 that, at the time the contract is submitted to the department for approval, is protected under  
6 Article 97 of the Articles of Amendments to the Constitution of the Commonwealth. Subsequent  
7 siting approvals of gas infrastructure in such constitutionally protected land shall void  
8 departmental approval of related pipeline capacity or gas storage contracts.
