An Act relative to gender identity on Massachusetts identification.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 13 of chapter 46 of the General Laws, as appearing in the 2016  
2 Official Edition, is hereby amended by striking out subsection (e) and inserting in place thereof  
3 the following subsection:-

4           (e) A person who is over the age of 18 or who is an emancipated minor, or the parent or  
5 guardian of a person who is a minor, may request a change in the sex designation on the person’s  
6 birth record to a sex designation including, but not limited to, “female”, “male” or “X.” An “X”  
7 designation may indicate that the person is non-binary, intersex, undesignated or of another  
8 gender. A request for a change in the sex designation on a birth record shall be accompanied by  
9 an affidavit executed under the penalty of perjury by the person to whom the record relates, or by  
10 the parent or guardian of the person if the person is a minor, attesting that the request is to  
11 conform to the person’s gender identity and is not made for any fraudulent purpose; provided,  
12 however, that no medical or health-care related documentation, court order or proof of change of  
13 name shall be required by a town clerk or other official in connection with a request under this

14 subsection. The department of public health may promulgate regulations to implement this  
15 subsection.

16 SECTION 2. Chapter 90 of the General Laws is hereby amended by inserting after  
17 section 8M the following section:-

18 Section 8N. The registry of motor vehicles shall permit a person submitting an  
19 application under sections 8, 8B or 8E of this chapter or section 34B of chapter 138 to designate  
20 “X” for gender in lieu of “male” or “female” on an application for a driver’s license, learner’s  
21 permit, identification card or liquor purchase identification card. No documentation shall be  
22 required for such a designation.

23 The registrar of motor vehicles may promulgate regulations to implement this section.  
24 The regulations may allow a person submitting an application under said sections 8, 8B or 8E of  
25 this chapter or said section 34B of said chapter 138 to designate an alternative designation for  
26 gender in lieu of “X”, “male” or “female” if the alternative designation appropriately reflects the  
27 gender identity of the applicant.

28 SECTION 3. Section 1 shall take effect on January 1, 2020.
