

SENATE No. 2368

The Commonwealth of Massachusetts

—
**In the One Hundred and Ninety-First General Court
(2019-2020)**
—

SENATE, October 11, 2019.

The committee on Senate Ways and Means to whom was referred the House Bill relative to children’s health and wellness (House, No. 4012); reports, recommending that the same ought to pass with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 2368.

For the committee,
Michael J. Rodrigues

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

1 SECTION 1. Section 20 of chapter 18B of the General Laws, as appearing in the 2018
2 Official Edition, is hereby amended by striking out the second sentence.

3 SECTION 2. Said chapter 18B is hereby further amended by adding the following 3
4 sections:-

5 Section 26. (a)(1) Annually, not later than October 31, the department shall issue a report
6 that provides an overview of the department’s performance during the previous fiscal year. The
7 commissioner or a designee shall file the report with the governor, the child advocate, the clerks
8 of the senate and house of representatives, the house and senate committees on ways and means
9 and the joint committee on children, families and persons with disabilities. The commissioner
10 shall provide the recipients of the report with an opportunity to discuss its contents with the
11 commissioner or the designee. The report shall be made publicly available on the department’s
12 website in accordance with section 19 of chapter 66.

13 (2) The report shall include, but not be limited to, narratives, information, data and
14 analysis on: (i) case counts; (ii) consumer counts; (iii) the number of reports filed pursuant to
15 section 51A of chapter 119; (iv) placement metrics; (v) the number of infants brought into the
16 department’s care pursuant to section 39½ of chapter 119; (vi) the number of siblings in

17 placement; (vii) safety processes and outcomes; (viii) permanency processes and outcomes; (ix)
18 the rates of adoptions by race and ethnicity; (x) well-being outcomes, including the rates and
19 timeliness of the delivery of medical and behavioral health services and high school graduation
20 rates; (xi) staffing trends; (xii) caseloads; (xiii) the department's budget, including funding
21 levels; (xiv) service costs; (xv) medical services and advancements in providing medical services
22 to children and young adults in the department's care; (xvi) amounts expended to foster care,
23 adoptive and guardianship families to provide assistance, including financial assistance, to
24 provide for the care of children; and (xvii) the foster care review system and any
25 recommendations for its improvement. The report shall also include comparative departmental
26 information from prior fiscal years.

27 (b)(1) Quarterly, not more than 75 days after the end of each fiscal quarter, the
28 department shall issue a quarterly profile on its website in accordance with section 19 of chapter
29 66 that shall include, but not be limited to, departmental, regional office and area office data on:
30 (i) consumer counts; (ii) the number of reports filed pursuant to section 51A of chapter 119,
31 including counts of reports received, screened-in and screened-out in the quarter; (iii) department
32 case counts, including counts of clinical and adoption cases in the quarter; (iv) consumer
33 demographic information, including race and primary language; (v) counts of children and youth
34 in placement; and (vi) counts of children and youth not in placement.

35 (2) The commissioner or a designee shall notify the house and senate committees on
36 ways and means and the joint committee on children, families and persons with disabilities when
37 data from a profile issued pursuant to paragraph (1) significantly departs from trends reported in
38 previous profiles.

39 (c) The commissioner or a designee shall notify the joint committee on children, families
40 and persons with disabilities when draft regulations are made available by the department for
41 public comment. Not more than 30 days after the promulgation of regulations or the effective
42 date of adopted or revised departmental policies relative to services provided to children and
43 families, the department shall provide copies of the regulations or departmental policies to the
44 joint committee on children, families and persons with disabilities.

45 (d) If the department is unable to submit the report under subsection (a) or issue the
46 profile under subsection (b) by the respective deadlines, the commissioner or the commissioner's
47 legal counsel shall, in writing, notify the governor, the child advocate, the clerks of the senate
48 and house of representatives, the house and senate committees on ways and means and the joint
49 committee on children, families and persons with disabilities and provide an explanation for the
50 delay.

51 (e) The department, in consultation with the general court and other governmental and
52 nongovernmental partners, shall establish a 3-year plan that shall include numerical targets for
53 the department's performance in each year and in each of its regions in the areas of safety,
54 permanence and well-being. The plan shall include a description of how the department will
55 measure its progress toward meeting the numerical targets and may include different targets for
56 different regions. Annually, not later than March 31, the department shall update the plan.

57 Annually, not later than December 31, the department shall measure its performance in
58 meeting the targets established in the 3-year plan for the commonwealth as a whole and for each
59 of its regions consistent with the methodology described in the plan.

60 The department shall publish and prominently maintain on its website the current plan,
61 the targets for previous years and the department's performance in meeting those targets.

62 If in a fiscal year the department is unable to develop or update the 3-year plan or
63 measure its performance, the department shall notify the house and senate committees on ways
64 and means, the joint committee on children, families and persons with disabilities, the child
65 advocate, the chief counsel of the committee for public counsel services, the executive director
66 of the Massachusetts Law Reform Institute, Inc. and the executive director of the Children's
67 League of Massachusetts, Inc. not later than September 1 of that fiscal year.

68 Section 27. Annually, not later than October 31, the department shall submit a special
69 report on services provided to young adults over the age of 18 to the child advocate, the clerks of
70 the senate and house of representatives, the house and senate committees on ways and means and
71 the joint committee on children, families and persons with disabilities. The report shall
72 summarize the process by which a young adult may continue to receive services from the
73 department upon reaching the legal adult age of 18. The report shall also include, but not be
74 limited to: (i) the number of young adults who have elected to sustain a connection with the
75 department in the previous fiscal year; (ii) the number young adults who have elected not to
76 remain with the department and have transitioned out of the child welfare system in the previous
77 fiscal year, including young adults who had previously elected to sustain a connection with the
78 department, if such numbers are available; (iii) the total payments made from commonwealth
79 funds to young adults in the previous fiscal year; and (iv) a description of services provided to
80 young adults by the department in the previous fiscal year, including those funded wholly or in
81 part by federal funds. The department may satisfy the reporting requirements of this section by
82 providing the requested information in an annual report filed under section 26.

83 Section 28. Annually, not later than August 31, the department shall file a special report
84 on its fair hearing processes and cases with the child advocate, the clerks of the senate and house
85 of representatives, the house and senate committees on ways and means and the joint committee
86 on children, families and persons with disabilities. The report shall be made available to the
87 public electronically in accordance with section 19 of chapter 66.

88 The report shall include, but not be limited to, information on the fair hearing requests
89 open at any time during the previous fiscal year and shall provide, for each hearing request: (i)
90 the subject matter of the appeal; (ii) the outcomes of cases resolved prior to a fair hearing
91 decision; (iii) the number of days between the hearing request and the first day of the hearing;
92 (iv) the number of days between the close of the evidence and the hearing officer's decision; (v)
93 the number of days of continuance granted at the appellant's request; (vi) the number of days of
94 continuance granted at the request of the department or the hearing officer, specifying which
95 party made the request; and (vii) whether the department's decision that was the subject of the
96 appeal was affirmed or reversed; provided, however, that the information shall be in a form that
97 shall not include personally-identifiable information.

98 The department shall maintain, and make available to the public during regular business
99 hours, a record of its fair hearings that shall include, for each hearing request: (i) the date of the
100 request; (ii) the date of the hearing decision; (iii) the decision rendered by the hearing officer;
101 and (iv) the final decision rendered upon the commissioner's review; provided, however, that the
102 information shall be in a form that shall not include personally-identifiable information. For fair
103 hearing requests that are pending for more than 180 days at any time during the fiscal year,
104 except for those requests which have been stayed at the request of the district attorney, the report

105 shall provide the number of such cases, how many have been heard but not decided and how
106 many have been decided by the hearing officer but not yet issued a final agency decision.

107 If there are more than 225 fair hearing requests open for more than 180 days at the end of
108 any month during the first 6 months of a fiscal year, then an additional report of such requests
109 shall be provided not later than February 28. The department shall make redacted copies of fair
110 hearing decisions available not later than 30 days after a written request.

111 SECTION 3. The fourth paragraph of subsection (e) of section 26 of said chapter 18B, as
112 appearing in section 2, is hereby amended by inserting after the word "services" the following
113 words:- ", the executive director of the legal services organization that is participating in the data
114 work group under subsection (f)."

115 SECTION 4. Said section 26 of said chapter 18B, as so appearing, is hereby further
116 amended by adding the following subsection:-

117 (f) A data work group shall convene every 2 years to make recommendations for
118 improvements to the report and profile required under subsections (a) and (b). The work group
119 shall consist of the following persons or a designee: the child advocate, who shall serve as co-
120 chair; the commissioner, who shall serve as co-chair; the chairs of the house and senate
121 committees on ways and means; the chairs of the joint committee on children, families and
122 persons with disabilities; the chief counsel of the committee for public counsel services; the
123 executive director of Children's League of Massachusetts, Inc.; the executive director of a legal
124 services program to be appointed by the governor; 1 person with expertise in child welfare data
125 and outcome measurement to be appointed by the child advocate; and 1 person with expertise in
126 the department's information technology, data collection and reporting systems to be appointed

127 by the commissioner of children and families. The work group shall consult with other
128 individuals with relevant expertise, including academics, researchers and service providers, as
129 needed.

130 Not later than December 31 in every even-numbered year, the data work group shall file a
131 report on its recommendations, together with drafts of any legislation necessary to carry its
132 recommendations into effect, with the clerks of the senate and house of representatives, the
133 senate and house committees on ways and means and the joint committee on children, families
134 and persons with disabilities.

135 SECTION 5. Subsection (2) of section 9A of chapter 118E of the General Laws, as
136 appearing in the 2018 Official Edition, is hereby amended by adding the following clause:-

137 (k) persons under the age of 26 years who, on the date of attaining 18 years of age, were
138 enrolled in foster care or in the care and custody of the department of children and families;
139 provided, however, that such persons shall be enrolled to receive benefits under this section
140 without any interruption in coverage; provided further, that the division shall develop and
141 implement a simplified redetermination form for such persons; and provided further, that a
142 beneficiary under this section shall only be required to complete and return a redetermination
143 form if information known to the division is no longer accurate or is materially incomplete.

144 SECTION 6. Subsection (f) of section 23 of chapter 119 of the General Laws, as so
145 appearing, is hereby amended by striking out the last sentence.

146 SECTION 7. Subsection (h) of said section 23 of said chapter 119, as so appearing, is
147 hereby further amended by striking out the second paragraph.

148 SECTION 8. Chapter 176O of the General Laws is hereby amended by adding the
149 following section:-

150 Section 28. (a) A carrier shall ensure the accuracy of the information concerning each
151 provider listed in the carrier's provider directories for each network plan and shall review and
152 update the entire provider directory for each network plan. A provider directory that is
153 electronically available shall: (i) be in a searchable format; and (ii) make accessible to the
154 general public the current health care providers for a network plan through a clearly identifiable
155 link or tab without requiring the general public to create or access an account, enter a policy or
156 contract number, provide other identifying information or demonstrate coverage or an interest in
157 obtaining coverage with the network plan. Each electronic network plan provider directory shall
158 be updated not less than monthly; provided, however, that an electronic network plan provider
159 directory shall be updated more frequently than monthly if required by state or federal law or
160 regulations promulgated by the commissioner, when informed of and upon confirmation by the
161 plan of:

162 (i) a contracting provider no longer accepting new patients for that network plan or an
163 individual provider within a provider group no longer accepting new patients;

164 (ii) a provider or provider group no longer being under contract for a particular network
165 plan;

166 (iii) a change of a provider's practice location or of other information required under this
167 section;

168 (iv) a provider's retirement or cessation of practice; or

169 (v) any other information that affects the content or accuracy of the provider directory.

170 (b) A provider directory shall not list or include information on a provider who is not
171 currently under contract with the network plan.

172 (c) A carrier shall periodically audit its provider directories for accuracy and retain
173 documentation of the audit to be made available to the commissioner upon request.

174 (d) A carrier shall provide a print copy of the directory information of a current provider
175 directory upon the request of an insured or a prospective insured. The print copy of the requested
176 directory information shall be provided to the requester by mail postmarked not later than 5
177 business days after the date of the request and may be limited to the geographic region in which
178 the requester resides or works or intends to reside or work.

179 (e) A carrier shall include in both the electronic and print formats of the directory a
180 dedicated customer service email address and telephone number or electronic link that insureds,
181 providers and the general public may use to notify the carrier of inaccurate provider directory
182 information. This customer service information shall be disclosed prominently in the directory
183 and on the carrier's website. The carrier shall investigate reports of inaccuracies within 30 days
184 of the notice and modify the directory in accordance with any findings within 30 days of the
185 findings.

186 (f) A provider directory shall inform enrollees and potential enrollees that they are
187 entitled to: (i) language interpreter services at no cost to the enrollee; and (ii) full and equal
188 access to covered services that are required under the federal Americans with Disabilities Act of
189 1990 and federal Section 504 of the Rehabilitation Act of 1973. A provider directory, whether in
190 electronic or print format, shall accommodate the communication needs of individuals with

191 disabilities and include a link to, or information regarding, available assistance for persons with
192 limited English proficiency, including how to obtain interpretation and translation services.

193 (g) A carrier shall include a disclosure in the print format of the directory that the
194 information included in the directory is accurate as of the date of printing and that an insured or
195 prospective insured may consult the carrier's electronic provider directory on its website or call a
196 specified customer service telephone number to obtain the most current provider directory
197 information.

198 (h) A carrier shall update the print copies of the carrier's directory not less than annually;
199 provided, however, that the carrier shall update the print directories more frequently than
200 annually if required by federal law; and provided further, that the division may promulgate
201 regulations requiring that the print directories be updated more frequently than annually.

202 (i) The division shall promulgate regulations to implement this section.

203 SECTION 9. The last paragraph of chapter 431 of the acts of 2014 is hereby amended by
204 striking out the figure "2018", inserted by section 89 of chapter 47 of the acts of 2017, and
205 inserting in place thereof the following figure:- 2021.

206 SECTION 10. Chapter 47 of the acts of 2017 is hereby amended by striking out section
207 128 and inserting in place thereof the following section:-

208 Section 128. There shall be a task force on child welfare data reporting. The task force
209 shall develop basic data measures, progress measures and key outcome measures to inform the
210 general court and the public on the status and demographics of the caseload of the department of

211 children and families and the department's progress in achieving child welfare goals, including
212 safety, permanency and well-being.

213 The task force shall develop criteria for measuring outcomes for children and families in
214 the key child welfare domains of safety, permanency and well-being including, but not limited
215 to, outcomes relative to: (i) protecting children from abuse and neglect; (ii) safely maintaining
216 children in their own homes whenever possible and appropriate; (iii) achieving stability and
217 permanency for children in their living situations; (iv) preserving the continuity of family
218 relationships; (v) enhancing the capacity of families to provide for the needs of children; (vi)
219 ensuring that children receive appropriate services to meet their educational needs; (vii) ensuring
220 that children receive the services necessary to meet their physical and mental health needs; and
221 (viii) achieving permanency and opportunity for young adults. The task force shall make
222 recommendations to: (i) ensure that the department of children and families' reports and profiles
223 required under section 26 of chapter 18B of the General Laws include data measures that are
224 clearly defined and provided with adequate context to convey the meaning of reported data and
225 the department's understanding of the meaning of trends that may appear in that data; (ii)
226 eliminate reports that are no longer necessary; (iii) revise existing reports; and (iv) ensure that
227 reports are timely submitted and made available electronically in accordance with public records
228 laws.

229 The task force shall also make recommendations relative to: (i) the continued
230 development of the reports and profiles required under section 26 of chapter 18B of the General
231 Laws; (ii) the resources required of the department to develop and produce said reports and
232 profiles; and (iii) priorities for the department's public reporting requirements as they relate to
233 addressing: (A) questions underlying legislative reporting requirements relative to foster care

234 review, residential care, services for young adults over the age of 18, educational and placement
235 stability, kinship guardianship subsidies and any other reporting requirements not included in the
236 reports and profiles under said section 26 of said chapter 18B; (B) questions that the department
237 is currently unable to address with existing departmental data including, but not limited to,
238 families with multiple siblings in the department's care; (C) questions concerning the
239 department's delivery of services including, but not limited to, support and stabilization and the
240 effectiveness of such services; (D) questions concerning the department's outcomes and the
241 development of accurate benchmarks to measure those outcomes; and (E) racial
242 disproportionality at decision points in the departmental process by area office.

243 The task force shall consist of the following persons or their designees: the child
244 advocate, who shall serve as co-chair; the commissioner of children and families, who shall serve
245 as co-chair; the chairs of the house and senate committees on ways and means; the chairs of the
246 joint committee on children, families and persons with disabilities; the chief counsel of the
247 committee for public counsel services; the executive director of the Children's League of
248 Massachusetts, Inc.; the executive director of a legal services program to be appointed by the
249 governor; 1 person with expertise in child welfare data and outcome measurement to be
250 appointed by the child advocate; 1 person who is a current or recently former caseworker for the
251 department of children and families to be appointed by Service Employees International Union
252 Local 509; and 1 person with expertise in the department of children and families' information
253 technology, data collection and reporting systems to be appointed by the commissioner of
254 children and families. The task force shall consult with other individuals with relevant expertise,
255 including academics, researchers and service providers, as needed. The task force shall consult
256 with the secretaries of agencies that address issues that directly affect the child welfare caseload

257 or outcomes, including, but not limited to, substance use disorders, domestic violence, mental
258 health and homelessness, to determine how best to review and report on agency data relevant to
259 child welfare outcomes.

260 The task force shall meet not less than quarterly. Annually, not later than January 31, the
261 task force shall submit its recommendations, together with drafts of any legislation necessary to
262 carry its recommendations into effect, by filing the same to the clerks of the senate and house of
263 representatives, the house and senate committees on ways and means and the joint committee on
264 children, families and persons with disabilities.

265 SECTION 11. (a) The division of insurance shall establish a task force to develop
266 recommendations to ensure the current and accurate electronic posting of carrier provider
267 directories in a searchable format for each of the carriers' network plans available for viewing by
268 the general public.

269 (b) The task force shall consist of: the commissioner of insurance or a designee, who
270 shall serve as chair; and 12 members to be appointed by the commissioner, 1 of whom shall be a
271 representative of the Massachusetts Association of Health Plans, Inc., 1 of whom shall be a
272 representative of Blue Cross and Blue Shield of Massachusetts, Inc., 1 of whom shall be a
273 representative of the Massachusetts Health and Hospital Association, Inc., 1 of whom shall be a
274 representative of the Massachusetts Medical Society, 1 of whom shall be a representative of
275 Healthcare Administrative Solutions, Inc., 1 of whom shall be a representative of the Children's
276 Mental Health Campaign, 1 of whom shall be a representative of the Massachusetts Association
277 for Mental Health, Inc., 1 of whom shall have expertise in the treatment of individuals with
278 substance use disorder, 1 of whom shall have expertise in the treatment of individuals with a

279 mental illness, 1 of whom shall be from a health consumer advocacy organization, 1 of whom
280 shall be a consumer representative and 1 of whom shall be a representative from an employer
281 group.

282 (c) The task force shall develop recommendations on establishing: (i) measures to ensure
283 the accuracy of information concerning each provider listed in the carrier's provider directories
284 for each network plan; (ii) substantially similar processes and timeframes for health care
285 providers included in a carrier's network to provide information to the carrier; and (iii)
286 substantially similar processes and timeframes for carriers to include such information in their
287 provider directories when:

288 (A) a contracting provider is no longer accepting new patients for that network plan and
289 when a contracting provider is resuming acceptance of new patients or an individual provider
290 within a provider group is no longer accepting new patients and when an individual provider
291 within a provider group is resuming acceptance of new patients;

292 (B) a provider who is not accepting new patients is contacted by an enrollee or potential
293 enrollee seeking to become a new patient; provided, however, that the provider may direct the
294 enrollee or potential enrollee to the carrier for additional assistance in finding a provider and
295 shall inform the carrier immediately, if the provider has not done so already, that the provider is
296 not accepting new patients;

297 (C) a provider is no longer under contract for a particular network plan;

298 (D) a provider's practice location or other information required under this section has
299 changed;

300 (E) for a health care professional, at least 1 of the following has changed: (1) name; (2)
301 contact information; (3) gender; (4) participating office location; (5) specialty, if applicable; (6)
302 clinical and developmental areas of expertise; (7) populations of interest; (8) licensure and board
303 certification; (9) medical group affiliations, if applicable; (10) facility affiliations, if applicable;
304 (11) participating facility affiliations, if applicable; (12) languages spoken other than English, if
305 applicable; (13) whether accepting new patients; and (14) information on access for people with
306 disabilities including, but not limited to, structural accessibility and presence of accessible
307 examination and diagnostic equipment;

308 (F) for a hospital, at least 1 of the following has changed: (1) hospital name; (2) hospital
309 type; (3) participating hospital location and telephone number; and (4) hospital accreditation
310 status;

311 (G) for a facility other than a hospital, by type of facility, at least 1 of the following has
312 changed: (1) facility name; (2) facility type; (3) types of services performed; and (4) participating
313 facility location and telephone number; and

314 (H) any other information that affects the content or accuracy of the provider directory
315 has changed.

316 (d) The task force shall develop recommendations for carriers on: (i) ways to include
317 information in the provider directory that identify the tier level for each specific provider,
318 hospital or other type of facility in the network, when applicable; (ii) ways to include consistent
319 language across carriers to assist insureds with understanding and searching for behavioral health
320 specialty providers; (iii) the feasibility of carriers making real time updates to each electronic
321 network plan provider directory when health care providers included in a carrier's network

322 provide information to the carrier pursuant to recommendations under subsection (c); (iv)
323 measures to address circumstances in which an insured reasonably relies upon materially
324 inaccurate information contained in a carrier's provider directory; and (v) measures for carriers
325 to take to ensure the accuracy of the information concerning each provider listed in the carrier's
326 provider directories for each network plan based on the information provided to the carriers by
327 network providers pursuant to recommendations under said subsection (c) including, but not
328 limited to, periodic testing to ensure that the public interface of the directories accurately reflects
329 the provider network, as required by state and federal law.

330 (e) The task force shall establish recommended timelines for carriers to complete each of
331 the task force's recommendations.

332 (f) The task force shall file its recommendations, including any proposed regulations,
333 with the clerks of the senate and house of representatives and the joint committee on health care
334 financing not later than March 1, 2020.

335 SECTION 12. (a) The division of insurance shall promulgate regulations implementing
336 section 28 of chapter 176O of the General Laws and regulations based on the recommendations
337 of the task force established under section 11 not later than July 1, 2020.

338 (b) The commissioner of insurance shall publish quarterly reports on the progress of the
339 implementation of the recommendations of the task force established under section 11. The first
340 report shall be published on June 1, 2020 and the reports shall continue quarterly until the task
341 force's recommendations are fully implemented.

342 SECTION 13. Carriers shall ensure the accuracy of the information pursuant to the
343 regulations issued by the commissioner of insurance pursuant to sections 8 and 12 for each
344 network plan not later than October 1, 2020.

345 SECTION 14. (a) The health policy commission, in consultation with the executive office
346 of health and human services, department of public health and the center for health information
347 and analysis, shall conduct an analysis of children with medical complexities in the
348 commonwealth. The analysis shall include health insurance coverage, access to services, medical
349 resources utilized and current costs of serving these children.

350 (b) The executive office of health and human services, department of public health and
351 the center for health information and analysis shall make available all necessary and relevant
352 data requested by the commission. The commission may also draw from additional data sets or
353 external consultants as it deems necessary. The commission shall provide analysis on different
354 matters that affect children with medical complexities including, but not limited to:

355 (i) the demographics and social conditions of children with medical complexities, the
356 utilization and availability of specialty care services and the medical expenditures for such
357 services;

358 (ii) population data on children with medical complexities under the age of 21 years,
