The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act relative to emergency paid sick time.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 149 of the General Laws as appearing in the 2018 Official Edition
2 is hereby amended by inserting after Section 148D the following two sections:-

3 Section 148E (a) As used in this section, the following words, unless the context clearly
4 requires otherwise, shall have the following meanings:-

5 “Child”, a biological, adopted or foster child, a stepchild or legal ward, a child to whom
6 the employee stands in loco parentis, or a person to whom the employee stood in loco parentis
7 when the person was a minor child.

8 “Domestic partner”, a person not less than 18 years of age who: (i) is dependent upon the
9 employee for support as shown by either unilateral dependence or mutual interdependence that is
10 evidenced by a nexus of factors including, but not limited to: (A) common ownership of real or
11 personal property; (B) common householding; (C) children in common; (D) signs of intent to

12 marry; (E) shared budgeting; and (F) the length of the personal relationship with the employee;
13 or (ii) has registered as the domestic partner of the employee with any registry of domestic
14 partnerships maintained by the employer of either party, or in any state, county, city, town or
15 village in the United States.

16 “Emergency paid sick time”, means time that is compensated pursuant to subsection (d),
17 and with the same benefits, including health care benefits, as the employee normally earns during
18 hours worked and is provided by an employer to an employee for the purposes described in
19 subsection (c), but in no case shall this hourly amount be less than that provided under section 1
20 of chapter 151.

21 “Employee”, any person who performs services for an employer for wage, remuneration,
22 or other compensation, including employees employed by a municipality, district, political
23 subdivision or its instrumentalities; provided, however, that notwithstanding any special or
24 general law to the contrary, “employee” shall include a family child care provider, as defined in
25 subsection (a) of section 17 of chapter 15D, and personal care attendant, as defined in section 70
26 of chapter 118E.

27 “Employer”, any individual, corporation, partnership or other private or public entity,
28 including any agent thereof, who engages the services of an employee for wages, remuneration
29 or other compensation, and including a municipality, district, political subdivision or its
30 instrumentalities; except the United States government shall not be considered an employer;
31 provided, however, that an individual employer shall be determined by the Federal Employer
32 Identification Number; provided further, that the department of early education and care shall be
33 deemed the employer of family child care providers, as defined in subsection (a) of section 17 of

34 chapter 15D; provided further, that the PCA quality home care workforce council established in
35 section 71 of chapter 118E shall be the employer of personal care attendants, as defined in
36 section 70 of said chapter 118E, and the department of medical assistance shall be deemed the
37 employer of said personal care attendants for all other purposes under this section.

38 “Family member”, the spouse, domestic partner, child, parent or parent of a spouse or
39 domestic partner of the employee; a grandchild, grandparent or sibling of the employee; an
40 individual who resides regularly in the home of the employee, or a similar individual with whom
41 the employee has a relationship that creates an expectation that the employee would care for the
42 person if he or she were quarantined or self-quarantined; or any other individual related by blood
43 or whose close association with the employee is the equivalent of a family relationship. For this
44 purpose, “individual” does not include persons with whom the employee has no personal
45 relationship.

46 “Health care provider”, the meaning given this term by the Family and Medical Leave
47 Act of 1993, 29 U.S.C. sections 2601 to 2654, inclusive, as it may be amended and regulations
48 promulgated under the act.

49 “Parent”, a biological, adoptive, foster or step-parent of an employee or of an employee’s
50 spouse or domestic partner; a legal guardian of an employee; or other person who stood in loco
51 parentis when the employee or employee’s spouse or domestic partner was a minor child.

54 telephone.

55 (b) (1) All employees who work in the commonwealth shall have the following right to
56 emergency paid sick time during a declared state of emergency or disaster, provided such
57 employees must be absent from work for the reasons set forth in subsection (c), and provided
58 further that such employees are not entitled to leave under the Families First Coronavirus
59 Response Act, H.R. 6201, P.L. No. 116-127, at the time that they use such emergency paid sick
60 time under this section. Employees who work 40 hours or more per week shall be provided at
61 least 80 hours of emergency paid sick time under this section. Employees who work fewer than
62 40 hours in a week shall be provided emergency paid sick time under this section in an amount
63 equal to at least the amount of time the employee is otherwise scheduled to work or works on
64 average in a 14-day period.

65 (2) Unused emergency paid sick time shall carry over to the next calendar year and shall
66 remain available to the employee until the state of emergency or disaster has been terminated by
67 a declaration of the governor of the commonwealth. If a public health emergency was declared
68 before and remains in effect on the effective date of this section, emergency paid sick time under
69 this section shall be provided to employees pursuant to this subsection (b) on the effective date of

88 exposure to a contagious illness or exhibiting of symptoms, regardless of whether the employee
89 has been diagnosed with a contagious illness;

91 official, a health authority having jurisdiction, the family member's employer, or a health care

100 to a public health emergency.

101 (d) All employees employed by an employer in the commonwealth who must be absent
102 from work for the reasons set forth in subsection (c) of this section, and are unable to telework,
103 shall be eligible for emergency paid sick time regardless of the duration of such employment, or

115 (e) Employers who pay their employees for emergency paid sick time as required by this

131 collectively bargained agreement between the employer and a collective bargaining
132 representative of an employee; or under any federal law, to the extent permitted by that federal
133 law. All emergency paid sick time that the employer must provide under this section shall be in
134 addition to, and shall not run concurrent with, benefits provided pursuant to chapter 152.

137 account for absences or use of other time.

138 (3) With respect to an employer that provides paid leave on the day before the effective
139 date of this section, the emergency paid sick time under this section shall be made available to
140 employees of the employer in addition to such paid leave; and the employer may not change such
141 paid leave on or after such effective date to avoid being subject to this section. An employer may

144 otherwise.

145 (h) The employee shall provide notice to the employer of the need for emergency paid
146 sick time as practicable only when the need is foreseeable and the employer's place of business
147 has not been closed. An employer may not require, as a condition of an employee's taking
148 emergency paid sick time, that the employee search for or find a replacement worker to cover the
149 hours during which the employee is using emergency paid sick time.

150 (i) Documentation shall not be required for emergency paid sick time under this section.

154 disclosed except to the affected employee or with the express permission of the affected
155 employee.

156 (k) It shall be unlawful for any employer to interfere with, restrain, or deny the exercise
157 of, or the attempt to exercise, any right provided under or in connection with this section,
158 including, but not limited to, by using the taking of emergency paid sick time under this section
159 as a negative factor in any employment action such as evaluation, promotion, disciplinary action
160 or termination, or otherwise subjecting an employee to discipline for the use of emergency paid
161 sick time under this section.

162 (l) It shall be unlawful for any employer to take any adverse action against an employee
163 because the employee opposes practices which the employee believes to be in violation of this
164 section, or because the employee supports the exercise of rights of another employee under this

165 section. Exercising rights under this section shall include but not be limited to filing an action,
166 or instituting or causing to be instituted any proceeding, under or related to this section;
167 providing or intending to provide any information in connection with any inquiry or proceeding
168 relating to any right provided under this section; or testifying or intending to testify in any

171 municipality, district, political subdivision or its instrumentalities, from adopting or retaining
172 job-protected paid time off policies more generous than policies that comply with the
173 requirements of this section and nothing in this section shall be construed to diminish or impair
174 the obligation of an employer to comply with any contract, collective bargaining agreement, or

180 requirements of this section.

181 (n) The attorney general shall enforce this section, and may obtain injunctive or
182 declaratory relief for this purpose. Violation of this section shall be subject to paragraphs (1), (2),
