## The Commonwealth of Alassachusetts

In the One Hundred and Ninety-First General Court (2019-2020)

An Act to expand take-out/delivery options in response to COVID-19.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to expand revenue-generating options in response to the COVID-19 economic crisis for local establishments licensed to sell alcoholic beverages, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law to the contrary, an

2

- establishment licensed to sell alcoholic beverages on-premises may sell wine, malt beverages,
- 3 prepared beverages and mixed drinks for off-premises consumption subject to the following
- 4 conditions: (i) an establishment licensed to sell only wines and malt beverages on-premises may
- 5 sell wine or malt beverages only for off-premises consumption; (ii) alcoholic beverages shall not
- 6 be sold to a person under 21 years of age; provided, however, that any delivery of alcoholic
- 7 beverages for off-premises consumption shall not be made without verification that the person
- 8 receiving the order has attained 21 years of age; (iii) wine shall be sold in its original, sealed
- 9 container, and malt beverages, prepared beverages and mixed drinks shall be sold in sealed

containers; (iv) alcoholic beverages shall be sold as part of the same transaction as the purchase of food; provided, however, that any order that includes alcoholic beverages shall be placed not later than the hour of which the establishment is licensed to sell alcohol or 12:00 midnight, whichever time is earlier. For purposes of this section, a "prepared beverage and mixed drink" is defined as a sealed container holding between 4 and 64 fluid ounces of spirits (liquor) and mixer that have been combined at the licensed establishment.

SECTION 2. Each establishment shall notify the Alcoholic Beverages Control

Commission (ABCC) of its intent to engage in the provisions of this act. The ABCC shall

promulgate regulations or issue guidance consistent with this act as it deems necessary within 10

days of enactment to ensure timely implementation.

SECTION 3. This act shall sunset upon the earlier of the date which is 12 months after:

(i) the date on which establishments licensed to sell alcoholic beverages on-premises are

permitted to resume sales of alcoholic beverages to the public for on-premises consumption; (ii)

the date of termination or rescission of the governor's executive order issued on March 15, 2020, including extensions and modifications thereof; or (iii) the date of termination or rescission of the governor's state of emergency declaration issued on March 10, 2020.
