## The Commonwealth of Massachusetts

---

HOUSE OF REPRESENTATIVES, January 5, 2021.

The committee on Ways and Means, to whom was referred the Senate Bill ensuring safe patient access to emergency care (Senate, No. 2931), reports recommending that the same ought to pass with an amendment striking all after the enacting clause and inserting in place thereof the text contained in House document numbered 5246.

For the committee,

AARON MICHLEWITZ.

# HOUSE . . . . . No. 5246

---

Text of an amendment, recommended by the committee on Ways and Means, to the Senate Bill ensuring safe patient access to emergency care (Senate, No. 2931). January 5, 2021.

---

## The Commonwealth of Massachusetts

\_\_\_\_\_  
In the One Hundred and Ninety-First General Court  
(2019-2020)  
\_\_\_\_\_

By striking out all after the enacting clause and inserting in place thereof the following:—

1 SECTION 1. Chapter 17 of the General Laws is hereby amended by the adding the  
2 following section:—

3 Section 21. The department of public health shall promulgate regulations relative to  
4 patient access to hospital emergency rooms or departments that would require all hospitals in the  
5 commonwealth to meet minimum criteria and standards that ensure safe, timely and accessible  
6 patient access to hospital emergency rooms or departments at all times. The regulations shall  
7 include, but not be limited to: (i) criteria and standards related to: (A) legible indoor and outdoor  
8 signage; (B) indoor and outdoor lighting; (C) best-practice wayfinding signage; and (D) security  
9 and monitoring of all emergency department access points; (ii) minimum requirements for proper  
10 security monitoring of any prominent hospital door or entrance that is locked at night and  
11 through which a patient may try to enter; and (iii) any other safety feature that the department  
12 deems necessary to ensure daytime or nighttime entry to an emergency room or department.

13 In promulgating the regulations, the department shall: (i) ensure that all patients,  
14 including patients at all levels of physical, sensory and brain-based function, are able to access

15 hospital emergency rooms or departments; and (ii) consider the most-current published industry  
16 standards and best practices, including, but not limited to, standards under the federal Americans  
17 with Disabilities Act, local codes, regulations, including regulations promulgated by the  
18 architectural access board, and any guidance or resources from the Facility Guidelines Institute  
19 Inc. and the International Association for Healthcare Security and Safety.

20 SECTION 2. The department of public health shall convene a working group on patient  
21 access to hospital emergency rooms or departments to report on and to make recommendations  
22 to inform the regulations required pursuant to section 21 of chapter 17 of the General Laws. The  
23 working group shall submit its report, including any recommendations, to the clerks of the senate  
24 and the house of representatives, the house and senate committees on ways and means, the joint  
25 committee on public health and the department of public health not more than 180 days after the  
26 termination of the governor's March 10, 2020 declaration of a state of emergency.

27 SECTION 3. The department of public health shall promulgate the regulations required  
28 pursuant to section 21 of chapter 17 of the General Laws not more than 1 year after the  
29 termination of the governor's March 10, 2020 declaration of a state of emergency. The  
30 regulations shall be informed by the report and recommendations of the working group on  
31 patient access to hospital emergency rooms or departments established pursuant to section 2.
