SENATE No. 618

By Ms. Lovely, a petition (accompanied by bill, Senate, No. 618) of Joan B. Lovely, Kay Khan, Patrick M. O'Connor, Rebecca L. Rausch and others for legislation relative to anesthesia coverage for children hospitalized for dental treatment. Financial Services.

The Commonwealth of Alassachusetts

In the One Hundred and Ninety-First General Court (2019-2020)

An Act relative to anesthesia coverage for children hospitalized for dental treatment.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Chapter 175 of the General Laws, as so appearing in the 2016 Official

Edition, is hereby amended by inserting after section 47II the following new section:-

3 Section 47JJ. Any individual policy of accident and sickness insurance issued pursuant to

section 108 which provides hospital expense and surgical expense insurance, except policies

providing supplemental coverage to Medicare or other governmental programs, and any group

blanket policy of accident and sickness insurance issued pursuant to section 110 which provides

hospital expense and surgical expense insurance, except policies providing supplemental

coverage to Medicare or other governmental programs, delivered, issued or reviewed by

agreement between the insurer and the policyholder, within or without the commonwealth, shall

provide coverage for anesthesia and out-patient facility (hospital and ambulatory surgical center)

charges for dental care provided to a person who is a child under the age of six; or any person

who is severely disabled, or has a medical condition and who requires hospitalization for dental

care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions. Said policy shall provide coverage for general anesthesia rendered by a qualified anesthesia provider or anesthesiologist and hospital costs for a medical condition covered by the policy, regardless of whether the services are provided in an ambulatory surgical center (ASC) or hospital.

SECTION 2. Chapter 176A of the General Laws, as appearing in the 2016 Official Edition, is hereby amended by inserting after section 8KK the following new section:-

Section 8LL. Any contract between a subscriber and the corporation under an individual or group hospital service plan or certificate of health insurance which provides hospital expense and surgical expense insurance, except contracts providing supplemental coverage to Medicare or other governmental programs, delivered, issued or renewed by agreement between the insurer and the policy holder, within or without the commonwealth, shall provide benefits for residents of the commonwealth and to all individuals and group members having a principal place of employment within the commonwealth for anesthesia and hospital charges for dental care provided to a person who is a child under the age of six; or any person who is severely disabled, or has a medical condition and who requires hospitalization or general anesthesia for dental care treatment. A carrier may require prior authorization of out-patient facility or hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions. Said policy shall provide coverage for general anesthesia rendered by a qualified anesthesia provider or anesthesiologist and hospital costs for aforementioned medical conditions covered by the policy, regardless of whether the services are provided in an ASC or hospital.

SECTION 3. Chapter 176B of the General Laws, as appearing in the 2016 Official Edition, is hereby amended by inserting a section 4KK the following new section:-

Section 4LL. Any subscription certificate under an individual group medical service agreement which provides hospital expense and surgical expense insurance, except certificates which provides supplemental coverage to Medicare or to other governmental programs, delivered, issued or renewed by agreement between insurer and the policyholder, within or without the commonwealth, shall provide benefits for all individual and group members having a principal place of employment within the commonwealth for anesthesia and ASC/hospital charges for dental care provided to a person who is a child under the age of six; or any person who is severely disabled, or has a medical condition and who requires hospitalization or general anesthesia for dental care treatment carrier may require prior authorization of hospitalization for dental care procedure in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions. Said policy shall provide coverage for general anesthesia rendered by a qualified anesthesia provider or anesthesiologist and hospital costs for a medical condition covered by the policy, regardless of whether the services are provided in an ASC or hospital.

SECTION 4. Chapter 176E of the General Laws, as appearing in the 2016 Official Edition, is hereby amended by inserting after section 7 the following new section:-

Section 7A. Any contract between a subscriber and the corporation under an individual or group hospital service plan or certificate of health insurance which provides hospital expense and surgical expense insurance, except contracts providing supplemental coverage to Medicare or other governmental programs, delivered, issued or renewed by agreement between the insurer

and the policy holder, within or without the commonwealth, shall provide benefits for residents of the commonwealth and to all individuals and group members having a principal place of employment within the commonwealth for anesthesia and hospital charges for dental care provided to a person who is a child under the age of six; or any person who is severely disabled, or has a medical condition and who requires hospitalization or general anesthesia for dental care treatment. A carrier may require prior authorization of out-patient facility or hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions. Said policy shall provide coverage for general anesthesia rendered by a qualified anesthesia provider or anesthesiologist and hospital costs for aforementioned medical conditions covered by the policy, regardless of whether the services are provided in an ASC or hospital.

SECTION 5. Chapter 176G of the General Laws, as appearing in the 2016 Official Edition, is hereby amended by inserting after section 4CC the following new section:-

Section 4DD. Any individual or group health maintenance contracts, except contracts providing supplemental coverage to Medicare or other governmental programs, delivered, issues or renewed by agreement between the insurer and the policyholder, within or without the commonwealth, shall provide benefits for all individual and group members having a principal place of employment within the commonwealth for anesthesia and ASC/hospital charges provided to a person who is a child under the age of six; or any person who is severely disabled, or has a medical condition and who requires hospitalization or general anesthesia for dental care treatment. A carrier may require prior authorization of hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions. Said policy shall provide coverage for general anesthesia rendered by a

qualified anesthesia provider or anesthesiologist and hospital costs for aforementioned medical conditions covered by the policy, regardless of whether the services are provided in an ASC or hospital. Nothing in this section shall prohibit any health maintenance organization from requiring members seeking ASC care/hospitalization and anesthesia for dental care procedures to use a network provider.
