An Act relative to the promotion of mental health education in Massachusetts high schools.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 71 of the General Laws is hereby amended by inserting after  
2 section 2C the following section: -

3           Section 2D. A public high school may incorporate an optional mental health promotion  
4 component to the comprehensive health education curriculum; provided, however, that the  
5 mental health promotion component shall meet comprehensive health education curriculum  
6 standards. The mental health promotion component may provide supplemental instruction in  
7 areas including, but not limited to, mental health, mental illness, teenage brain development,  
8 stress management, physical health, violence prevention, ecological and community health and  
9 overcoming mental illness stigma.
