7 Educational Arrangements Made to Expelled Students Under This Act, Whether In A Special  
8 Educational Program Or Not And Individualized Behavioral Modification Educational Plans,  
9 (IBMEPS): Interim Court Orders Admonishing An Alleged Sexual Offender To Stay Away  
10 From Their Victims As Conditions of Bail or Release To The Custody Of Their Parent(s) Or  
11 Legal Guardian(s) Shall Constitute Indefinite Suspension From The School, Where the Alleged

12 Offender And The Victim Attended At The Time of The Aforementioned Sexual Abuse Alleged  
13 To Have Occurred, Pending Adjudication Of Delinquency or Guilt When M.G.L Chapter 265  
14 Charges Had Also Been Brought Against The Offender Prior To Disciplinary Action On The  
15 School Level

16 Any student who is:

17 A. 12 years or older, up till he/she graduates from high school and who has not yet to  
18 graduate from high school, who commits onto another student, two or more years younger than  
19 him/herself:

20 B. rape, or statutory rape, or molestation, or indecent assault or any other acts of  
21 sexual abuse, including, but, not limited to sodomy onto another minor as prescribed under  
22 M.G.L 265, all inclusive, to include anal, or oral sexual or unnatural sexual intercourse onto  
23 another student who is under the age of 16, or sexual assault of a minor under the age of 14, or  
24 aggravated rape of a minor, or forcible rape of a minor or uses a lure or trickery that coerces or  
25 uses force onto another student who is two or more years younger than the offender to get the  
26 other younger student into a private area, including, but, not limited to a bedroom, bathroom,  
27 corridor or any other unsupervised area of a public, or private or a residential school that offers  
28 educational services to school-aged children in grades Kindergarten-12 or special needs school-  
29 aged children in grades Kindergarten-22-years-old, whether said acts of sexual abuse by the  
30 offender occurred in a public, or private elementary, or middle or secondary day school or  
31 elementary, or middle or secondary residential school, which both

32 C. The offender and the victim attend, said perpetrator, upon finding of guilt by the  
33 school's disciplinary board, by preponderance of the evidence shall face automatic expulsion

34 from his/her public or private elementary, or middle or secondary day school, or elementary, or  
35 middle or secondary residential school. Said child who has been expelled for sexual abuse, or  
36 molestation, or rape or any of the above mentioned sexual acts so outlined in section 1 of this act  
37 shall not be permitted to be enrolled into a residential school, so educating children on the grade  
38 levels, beginning with Kindergarten up till grade 12, or special needs school-aged children in  
39 grades Kindergarten-22-years-old, within or without the Commonwealth of Massachusetts,  
40 except for a juvenile detention facility, or jail or a psychiatric care facility when ordered by:

41 D. A juvenile court or a trial court that has jurisdiction over said matters so  
42 prescribed in M.G.L Chapter 265. At the time of expulsion, said school system must provide  
43 said expelled offender alternative ways of receiving their education, whether they are home  
44 schooled, or a tutor is provided by the said school system or the said school system makes their  
45 educational materials available over the Internet, through distance learning. In the case of  
46 disabled or special needs students, the school system must provide reasonable accommodations  
47 to the alternative educational materials as outlined in a written individualized educational plan,  
48 as deemed under applicable state and federal laws. The same mandated expulsion for sexual  
49 abuse shall also apply to special needs students pursuant to an Individualized Behavioral  
50 Modification Educational Plan, (IBMEP), to which both the special needs student and his or her  
51 victim shall have a right to attend the meeting of developing of such Individualized Behavioral  
52 Modification Educational Plan, (IBMEP). This Individualized Behavioral Modification  
53 Educational Plan (IBMEP) shall be said to be developed at the new educational facility, which  
54 the special needs school-aged child, who is 12-years or older and who has been expelled from  
55 the child's previous educational facility for a sexual offense has been accepted to, according to  
56 the new educational facility's admission requirements and their policies and procedures. The

57 new educational facility, which a previously expelled child attends, whether, or not it is a regular  
58 public school, a private school, or an educational facility specializing in special education must  
59 be a day school, to which said previously expelled sexual offender so attends shall render said  
60 school-aged child 12-years of age or older, whether or not they are disabled, and shall render said  
61 expelled school-aged child to be a “day” student, even in the case, where said specialized  
62 educational facility is a residential special educational facility, said special needs child so  
63 attending the new facility, upon expulsion from their previous educational facility for a sexual  
64 offense, shall also be deemed a “day” student. The purpose of a school system so providing said  
65 expelled student alternative education material shall be for the sole purpose of obtaining their  
66 high school diploma or GED or another form of certificate that signifies successful completion of  
67 the prescribed course of studies. The same mandated expulsion requirements shall also apply to  
68 any school-aged child, 12-years of age or older, who engages in aggravated rape as defined  
69 under applicable state laws, under MGL Chapter 265, or MGL Chapter 266, or MGL Chapter  
70 269 Section 10. This provision shall also include the hereinafter aggravated rape of a staff  
71 member, by a student, who is age 12 or older.

72 E. Any student who both attends an educational facility that educates school-aged  
73 children in Grades Kindergarten-12 or in the case of special needs school-aged children in grades  
74 Kindergarten-22-years-old and is 12-years of age or older who has been brought before a  
75 juvenile court or an adult trial court and is ordered by said juvenile court or trial court so having  
76 jurisdiction over the criminal matter of an M.G.L. Chapter 4265 sexual offense against a minor  
77 or a minor who is two or more years younger than the offender so charged who is ordered by  
78 said court to stay away from their victim shall automatically be suspended interim from his/her  
79 educational facility pending adjudication of delinquency in a juvenile court or found guilty in an

80 adult criminal trial court. Said student shall be barred from attending said educational facility  
81 until such case has been adjudicated as a finding of delinquency or guilt and that said offender  
82 shall remain in the custody of his/her parent(s) or legal guardian(s) as part of a condition of  
83 release from The Department of Youth Services or as a condition of Bail in an adult criminal  
84 proceeding prior to any school disciplinary action. The same aforementioned provisions of  
85 section 1 shall also apply to special needs students within the commonwealth of Massachusetts,  
86 and who are school-aged children in grades Kindergarten-22-years-old, whether or not said  
87 special needs school-aged child attends a public or private day or residential school so offering  
88 educational services to school-aged children in grades Kindergarten-12 or in the case of special  
89 needs school-aged children in grades Kindergarten-22-years-old.

90 F. School disciplinary action in the case where a juvenile has been charged with a  
91 sexual offense up on a minor who is two (2) or more years younger than the defendant so  
92 charged, shall occur in conjunction with any criminal court proceeding, once said minor has been  
93 charged and arrested for the aforementioned M.G.L Chapter 265 sexual offenses against another  
94 minor of whom said minor victim is two (2) or more years younger than the offending student,  
95 12-years of age or older. In the case where criminal proceedings had been commenced against  
96 said minor defendant, whether in the juvenile court system or the adult criminal courts, an  
97 educational facility may defer said disciplinary action, pending the outcome of the  
98 aforementioned M.G.L Chapter 265 court proceedings. This shall be construed to mean that said  
99 school disciplinary action may be deferred until the courts had made its findings on said criminal  
100 matters. This shall also apply to the charge of aggravated rape hereinafter mentioned, (IBID),  
101 M.G.L Chapter 265, M.G.L. Chapter 266 and M.G.L Chapter 269 Section 10, hereunder  
102 mentioned.

103           G.     For the purposes of this act, “In conjunction” with any criminal matter shall be  
104 defined to mean that the school’s disciplinary board may meet to decide the case on its own  
105 merits at the time of pending criminal proceedings in said juvenile or adult trial court or may  
106 defer said disciplinary action on said matter until said juvenile or adult criminal trial court has  
107 made its findings. Provided that In the case where there are conditions for release of said minor  
108 so charged in a sexual offense case, and the conditions imposed for said release on bail or to the  
109 custody of the defendant minor’s parent(s) or legal guardian(s) for the defendant to stay away  
110 from his/her victim, said school offering educational instructions to school-aged children in  
111 grades Kindergarten-12 or in the case of special needs students in grades Kindergarten-22-years-  
112 old, said school disciplinary board must defer such cases of disciplinary action until a criminal  
113 disposition of adjudication of delinquency or finding of guilt has been determined. The  
114 aforementioned requirements shall also apply to private day or residential schools, including,  
115 but, not limited to educational facilities that educate school-aged students in grades  
116 Kindergarten-12 or in the case of special needs schools, school-aged children in grades  
117 Kindergarten-22-years-old.

118           Section 1B Lure or Trickery to Commit a Sexual Act onto Another Student Defined  
119 Under Section 1, Leading A Younger Student To Believe That They Need Medical Treatment, or  
120 a Medical Examination Or Are In Danger of Death or Bodily Injury: A Rescue League Not  
121 Being Run By Appropriate Staff, School Nurses, School Doctors or Local Fire Departments to  
122 Gain Access to the Genital Areas, Whether Or Not The Younger Student is Fully Clothed or  
123 Unclothed, Or for the Sole Purpose of A Student, 12 Years or Older to Access the younger  
124 student’s Private Parts of the Human Body for Exploratory Purposes, Or Exploratory Sex or  
125 Sodomy. Also Deemed Eligible for Mandated Expulsion: Students Enrolled In Educational

126 Facilities, Whether The Educational Facility Educational Facility That Educates School-Aged  
127 Children In Grades Kindergarten-12 Is A Public, or Private Day Or Residential School; Students  
128 So Enrolled; Presumption Of Not Holding The Qualifications of Authority As Head Of The  
129 School's Physical Education Program, School Nurse, School Physician, Fire Department  
130 Personnel: Supervisory Provisions for Mild, Moderately or Severely Developmentally Disabled

132 Years-Old and wording to placed in 18 point bold faced fonts onto two cover pages of student's  
133 IEP: Mild, or Moderately, or Severely Developmentally Disabled Student To Face Same  
134 Expulsion Requirement for a Sexual Offense Committed onto another student who is two or  
135 more years younger than themselves or Another Staff Member, Without Consent

136 Any student who is 12-years of age or older and who has not graduated from high school  
137 who uses a lure or trickery to coerce or force a student two or more years younger than  
138 him/herself, or another staff member who is not a willing party to commit a sexual act when said  
139 luring or trickery is used as a reuse that involves:

140 A. A medical examination, including, but, not limited to when one minor discusses  
141 with another minor, 15 years of age or older that they had been a rape victim, whether or not said  
142 rape or sexual abuse had occurred on or off campus, and whether or not said rape or sexual abuse  
143 being discussed with said minor student, 15 years of age or older had taken place whether or not  
144 such occurred while school was in sessions or out of session on recess or both, or

145 B. Leading a student who is 2 or more years younger than the offender(s), or the  
146 offender(s), leading an unwilling staff member of the school to believe that said student is  
147 involved in some form of rescue club or any other school organizations so claimed to be run by

148 any other staff who has the power of authority to do so, such as the head of physical education,  
149 or the school nurse, or the school physician, or fire department personnel to render first aid, or  
150 that such student or unconsenting staff member requires first aid to save his/her life. Any student  
151 who engages in such acts as defined in section 1 of the Juvenile Violence Act shall also be  
152 deemed eligible to face mandatory expulsion from his or her grade school and shall not be  
153 permitted to attend a residential grade school that teaches school-aged children in grades  
154 Kindergarten-12. Said student enrolled in a school, whether or not the school that educates  
155 school-aged children in grades Kindergarten-12 is a public, or private day or residential school,  
156 shall be presumed not to have the appropriate qualifications to be 1a The head of the school's  
157 physical education program, the school nurse, the school physician, or fire department personnel  
158 and shall be presumed not to hold any of these job titles as so stated. Any student 12 years of age  
159 up until he/she has completed the prescribed course of study who leads anyone to believe that a  
160 houseparent or housemaster of a residential school offering educational services to school-aged  
161 children in grades Kindergarten-12 or in the case of special needs school-aged children in grades  
162 Kindergarten-22-years-old, is running a rescue club or a first aid training class to the  
163 aforementioned students, for the purpose of luring another student or staff member into fondling  
164 or touching of the genital parts of a male or female as part of another student two or more years  
165 younger than him/herself or that of another staff member, for the purpose of this act shall also be  
166 construed to be trickery for the sole purpose of sexually deviant behavior and that said student so  
167 engaging in said trickery that results in sexually deviant behavior shall also be subjected to the  
168 same mandated expulsion requirements.

169 C. This provision shall also apply to school-aged special needs children in grades  
170 Kindergarten-12 or in grades Kindergarten-22-years-old, provided that said special needs student

171 is below the intellectual quotient of 70 percent of students his or his age. In such cases, said  
172 special needs students shall be closely supervised by all staff members involved in their  
173 education, including, but, not limited to house staff, or houseparents or housemasters, in the case  
174 of a residential school that offers educational services to school-aged children in grades  
175 Kindergarten-12 or in the case of special needs school-aged children, in grades Kindergarten-22-  
176 years-old when said special needs student is of the physical age of 12-years-old, but, functions as  
177 either mild, or moderate, or severely developmentally disabled in age or has a psychiatric or  
178 emotional disability. This supervisory provision shall apply to any public, or private or  
179 residential school, within the Commonwealth of Massachusetts that educates school-aged  
180 children in grades Kindergarten-12 or in the case of special needs students, grades Kindergarten-  
181 22-years-old, when it is evident that a behavioral problem has been detected by said educational  
182 facility staff once said developmentally disabled, or psychiatrically disabled or emotionally  
183 disabled student has reached the physical age of 12-years or older and that said behavioral  
184 problem is detected by said staff when said special needs student has started to engage in  
185 unacceptable behavior that is contradictory with school, or public policy or is considered to be  
186 otherwise socially unacceptable behavior. A report of unacceptable social behavior to a staff  
187 member either by another student or staff member, to another staff member, shall trigger an alert  
188 to the head administrator of said educational facility that said special needs student is, "In Need  
189 of Behavioral Supervision."

190         The unauthorized use of mouth to mouth resuscitation by a student, who is of the physical  
191 age of 12-years-old, but, functions below the physical age of 12-years-old, shall also be deemed  
192 eligible for close supervision. Unauthorized use of mouth to mouth resuscitation shall be defined  
193 to mean, that a. the person receiving such can speak, and is truly able to breathe on their own, or

194 is not truly choking on any objects, or is unconsenting to such practice, or that such measures of  
195 its use is not being properly supervised by said school nurse or is not being practiced in a  
196 physical education class via use of an anatomical manikin doll that replicates a human being for  
197 the purposes of first aid training or for the proper use of mouth to mouth resuscitation.

198           The same definition of unauthorized mouth to mouth resuscitation shall also apply to  
199 those with psychiatric or emotionally disabled students, as shall also apply to any other student  
200 who does not otherwise have a disability. Any student who is 12-years-old and engages in the  
201 unauthorized use of mouth-to mouth resuscitation or any other unauthorized first aid, onto  
202 another student or staff member who is truly not in need of such or is unconsenting to the act of  
203 the offending student, said offending student shall be expelled from his/her educational facility  
204 for a period not to exceed one (1) academic semester, regardless of disability, and in the case of  
205 disability, shall be placed under an Individualized Behavioral Modification Educational Plan  
206 (IBMEP), upon return from expulsion and that said unconsenting person to the unauthorized use  
207 of mouth-to-mouth resuscitation or any other first aid technique that is contrary to school policy  
208 or is not done with proper supervision, said unconsenting person to the aforementioned activities  
209 shall have the right to be present at the development meeting of the offending disabled student's  
210 Individualized Behavioral Modification Educational Plan (IBMEP), whether or not the  
211 unconsenting individual is another student or a staff member, who is on or who is not on the  
212 special needs school-aged child's Individualized Educational Plan, (IEP) team.

213           D.       said special needs school-aged child who is 12-years of age or older, but,  
214 functions under his/her physical age, shall have written on their first Individualized Educational  
215 Plan, once they had reached their 12'th birthday the following words on cover pages that  
216 follows: "special needs student under supervision due to the type of developmental disability, or

217 a psychiatric disability or an emotional disability that has been diagnosed, and has a strong  
218 likelihood that said symptoms of the aforementioned disabling conditions without supervision  
219 and appropriate behavioral modifications would result in said special needs student, so having  
220 intellectual or behavioral deficits has the potential of causing harm to him/herself or others and  
221 that he/she shall be under the same mandated expulsion rule for a sexual offense that he/she  
222 commits onto another student or staff member or the same ten (10) day academic suspension for  
223 any violence committed in conjunction with any bullying or hazing or any other forms of violent  
224 acts so committed onto another staff or student that produces bodily injury. Said cover pages of  
225 the aforementioned Individualized Education Plan (IEP) shall also contain the following  
226 statement: “In the event, “any disclosure of sexual abuse that comes to surface years later and is  
227 found to had occurred to said victim of said special needs student, upon said victim, after first  
228 disclosure, after said student (s) had left after one (1) academic year or has graduated via  
229 receiving their high school diploma or some other form of certification that signifies successful  
230 completion from his/her educational facility, via 2/3 of the aforementioned psychiatrist and  
231 psychologist to whom the sexual abuse victim is seeing, that, A. Such first disclosure once  
232 concurred to had been a case of sexual abuse by said student via 2/3 of the psychiatrists and  
233 psychologists to whom said victim first discloses said incidents of such nature after attendance at  
234 the same school as the alleged perpetrator or graduation from the same school as the alleged  
235 perpetrator, that said first disclosure shall be deemed to be latent discoverable emotional injury  
236 to the victim and that said alleged perpetrator shall face the same dismissal proceedings by said  
237 educational facility’s alumni association’s board of directors or school committee in the case  
238 where the educational facility, where the offense has alleged to had taken place has no

239 established 501c (3) non-profit alumni association so affiliated with said educational facility to  
240 which said alleged acts of sexual abuse had occurred.

241 E. Such wording shall be typed in 18 point bold faced font by his/her case manager,  
242 and must be signed by the case manager, the head school administrator and his/her parent(s) or  
243 legal guardian(s).

244 F. said student shall also be advised through his/her parent(s) or legal guardian(s), on  
245 the appropriate developmental age level, that if their son, or daughter, or ward, commits onto  
246 another student or staff member a sexual offense or an act of violence in conjunction with any  
247 bullying or hazing or any other acts of violence towards other students or staff member, said son,  
248 or daughter or ward must also be subjected to an Individualized Behavioral Modification  
249 Educational Plan (IBMEP) or in the case of mandated expulsion for a sexual offense, is  
250 permanently expelled from said educational facility and will be placed under an Individualized  
251 Behavioral Modification Educational Plan (IBMEP) in his/her new facility where he/she  
252 ultimately attends post expulsion. The cover pages of the IEP of said developmentally disabled,  
253 or psychiatrically disabled or emotionally disabled student's IEP shall also state in the manner  
254 prescribed below that the victim of the offense to which they had committed shall have the right  
255 to be present at the aforementioned Individualized Behavioral Modification Educational Plan,  
256 (IBMEP) meeting, whether or not said victim is part of the student's IEP team.

257 G. The aforementioned cover pages of the disabled student's Individualized  
258 Educational Plan, (IEP), once he/she has reached their 12'th birthday must indicate the name of  
259 the educational facility, the words, "Individualized Educational Plan" of the effected  
260 developmentally, or psychiatrically, or emotionally disabled student, their name, date of birth

261 and the words, "Disciplinary Advisory Pages," in 18 point bold fonts, followed by the author of  
262 the cover pages and the date of the effected student's 12'th birthday. Upon signing at the end of  
263 the cover pages of the effected student's Individualized Educational Plan, (IEP), upon their 12'th  
264 birthday, the words shall follow below the signature lines, "Shall remain on the student's file  
265 until said student has reached their 52nd birthday, which would be said to entail the name of the  
266 effected student, followed by the date that said student will reach their 52nd birthday, surrounded  
267 by three red asterisks and below shall follow these words, "COVER PAGES NOT TO BE  
268 REDACTED BY ANY STAFF, STUDENT, ADMINISTRATOR OR PARENT OR LEGAL  
269 GUARDIAN," also surrounded by red asterisks, and that the words, "COVER PAGES NOT TO  
270 BE REDACTED BY ANY STAFF, STUDENT, ADMINISTRATOR OR PARENT OR LEGAL  
271 GUARDIAN," must be placed in all uppercase lettering. This IEP and cover pages shall be said  
272 to transfer from grade school to grade school as said developmentally disabled, or psychiatrically  
273 disabled or emotionally disabled student either graduates from the first school he attended when  
274 he/she was 12-years-old where the plan and cover pages of disciplinary advisory was signed, or  
275 the student has been expelled and accepted into a new educational facility, post expulsion.

969           A.     Any student who had either left said educational facility after one academic year  
970 or had already achieved their high school diploma or had completed a certificate signifying  
971 successful completion of the course of study who had since left said educational facility, and has  
972 been arrested and charged with M.G.L Chapter 265, Section 1, First degree murder or M.G.L.  
973 Chapter 265, section 2, Second Degree murder or rape or a felonious sexual offense shall be  
974 deemed as automatically dismissed from membership of said alumni associations or  
975 organizations, unless said individual member(s) can prove that a criminal juvenile or adult court

976 had acquitted them on said charges of the aforementioned first degree murder, second degree  
977 murder, rape, or a felonious sexual offense, or that the aforementioned charges had been  
978 dismissed or vacated by a juvenile or criminal court of law.

979         This provision shall also include, but, not be limited to past students who had been  
980 involuntarily committed to a psychiatric facility, by order of a criminal juvenile or adult court,  
981 within the commonwealth of Massachusetts for the criminally insane on charges of first degree  
982 murder, or second degree murder, or rape or any other felonious sexual offense. Upon  
983 reinstatement into the school's alumni association, the individual member(s) so applying for  
984 reinstatement must show to either the alumni association's board of directors in educational  
985 facilities that have alumni associations or the full school committee a certificate from a juvenile  
986 or adult criminal court of law: 1. The member has been acquitted of the charges by a jury or has  
987 not been adjudicated as delinquent in juvenile criminal proceedings, or 2. A certificate of  
988 dismissal or that said charges of the criminal matter had been dropped by the prosecution or a  
989 judge of the criminal charges from the said aforementioned trial court or 3. A certificate showing  
990 that said criminal proceedings had been vacated from the criminal matter from the said  
991 aforementioned trial court that has jurisdiction over the matter. An appeals court's overturning a  
992 conviction or ordering a new trial to which a conviction is later adjudicated as an acquittal by  
993 either a judge or a jury shall also suffice as grounds for reinstatement into a school's alumni  
994 association or allows a former student to participate in a class reunion, so long as said reversal of  
995 said conviction is certified.

1294 Upon a case of sexual abuse being brought before either the school's disciplinary board  
1295 for automatic expulsion or ten (10) academic day suspensions for violence that had occurred in  
1296 conjunction with any bullying or hazing or any other forms of violent acts in conjunction with  
1297 said bullying or hazing or that are done separate from, or the school's alumni association or  
1298 school committee in the case of sexual offenses, retaliation shall be defined as the following:

1299 A. A friend or family member or a bunch of friends or family members who  
1300 embarrass or humiliates any party so involved in the aforementioned disciplinary proceedings  
1301 prescribed herein or:

1302           B.     Any staff member or school administrator who discourages disciplinary action or  
1303 criminal actions to be taken for the sake of protecting the educational institution’s reputation,  
1304 whether said disciplinary action is taken on the school level, or pursued in criminal court or in  
1305 the case where one of the parties involved in a sexual abuse case is a former student at the time  
1306 of said alumni association disciplinary proceedings for dismissal or school committee  
1307 proceedings for dismissal from said educational facility’s premises. Or:

1308           C.     Any physical violence or verbal threats of violence that occurs between either of  
1309 the parties, or their friends, or their family members, or school staff or administration to thwart  
1310 any disciplinary matter from moving forward in cases of violence or sexual abuse committed by  
1311 students who are in educational facilities that educate school-aged children in grades  
1312 Kindergarten-12 or any special needs educational facilities that educate special needs school-  
1313 aged children in grades Kindergarten-age 22-years-old.

1314           D.     Threats of disciplinary action or disciplinary actions taken against any other  
1315 student or staff member who is either victims of sexual abuse or violence in conjunction with any  
1316 bullying or hazing or violence that is separate from any bullying or hazing, or threats of violence.  
1317 This provision shall apply to school administration, other students or other staff who are not  
1318 affiliated with the case at hand or who are friends or family members of any of the parties so  
1319 involved in said disciplinary actions being taken out against another student or staff member for  
1320 sexual abuse or violence in conjunction with bullying, or hazing or acts of violence that is  
1321 separate acts from any bullying or hazing.

1322           The aforementioned definitions of retaliation shall apply to educational facilities that  
1323 educate school-aged children in grades Kindergarten-12 or in educational facilities that educate

1324 special needs school-aged children in grades Kindergarten-22-years-old and any post secondary  
1325 educational facility, such as a college, or a university, or a technical school or a vocational or  
1326 trade school, whether or not the aforementioned educational facilities are a public day, or private  
1327 or residential educational facility on all educational levels that are located within the  
1328 Commonwealth of Massachusetts The prescribed definition of retaliation shall apply to all  
1329 educational facilities within the Commonwealth of Massachusetts and shall include all  
1330 educational facilities on all educational levels.

1331           Section 6A Penalties for Retaliation Criminal and Civil Liability for Retaliation

1332           Any person who engages in any of the following acts as mentioned in section 6 herein of  
1333 this act is guilty of retaliation based solely on disciplinary action being taken for acts of sexual  
1334 abuse or violence and that such acts of retaliation is punishable by a fine of no less than five  
1335 thousand dollars (\$5,000.00) and imprisonment in state prison for a period of no less than five  
1336 (5) years.

1337           In addition to any criminal actions arising out of retaliation, any person to have engaged  
1338 in the aforementioned retaliation as defined in section 6 herein of this act shall also face civil  
1339 liability for discrimination and tort liability in an amount to be determined in proportion to the  
1340 retaliation so engaged in.

1341           Any victim of retaliation who has been suspended or expelled or dismissed from an  
1342 alumni association or school premises for the sole purpose of bringing about a complaint of  
1343 sexual abuse or violent actions of other students or staff members shall be re-instated into said  
1344 educational facility, or said alumni association or be allowed to visit on school premises, so long  
1345 as no disciplinary action is being taken against said individuals for having lied under oath to a

1346 disciplinary board, or alumni associations' board of directors or school committee about said  
1347 sexual abuse or violence perpetrated by other students or staff members, during said disciplinary  
1348 matters on the aforementioned sexual abuse or violence so committed by other students, former  
1349 students or staff members. Said disciplinary action for lying about said sexual abuse or violent  
1350 actions occurring shall be deemed to be perjury and shall be prosecuted under applicable law for  
1351 perjury.

1352           Section 7 Two Week Medical Leaves for Students Attending Educational Facilities That  
1353 Educate School-Aged Children In Grades Kindergarten-12 or Special Needs School-Aged  
1354 Children In Grades Kindergarten-22-Years-Old Who Have Medical Treatment Including Rape  
1355 Test Kits and Surgical Procedures On the Reproductive Parts of the Body or the Breast Region  
1356 During the Academic Year to Run from Two Days After the Labor Day Holiday till the Third  
1357 Friday of June: No Roommates For Students Attending Residential Educational Facilities that  
1358 Educate School-Aged Children In Grades Kindergarten-12 Or Special Needs School-Aged  
1359 Children In Grades Kindergarten-22-Years-Old: Two Week Mandated Medical Leaves for  
1360 Medical Procedures On Reproductive Organs Or Other Private Parts of the Human Body to Be  
1361 In Effect When Said School-Aged Child or Special Needs School-Aged Children Reaches the  
1362 Age of 11-Years-Old

1363           Any school-aged child attending an educational facility that educates school-aged  
1364 children in grades Kindergarten-12 or special needs school-aged children in grades  
1365 Kindergarten-22-years-old and who is eleven (11) years-old or older who is scheduled to have  
1366 medical procedures or an emergency rape test kit on any of the following parts of the human  
1367 body, which shall include, but, not be limited to the:

1368           A.     Testicles or  
1369           B.     Penis or  
1370           C.     Vagina or  
1371           D.     Breast or  
1372           E.     Uterus or  
1373           F.     Any other part of the human anatomy deemed to be designated as “Private parts,”  
1374 of the human body shall be dismissed from said educational facility for a period of two (2)  
1375 academic weeks in the case of an elective medical treatment so occurring on said “private parts,”  
1376 of the human anatomy during the academic year to be deemed as to start no earlier than two (2)  
1377 days after the Labor Day holiday and to conclude no later than the third (3rd) Friday in June.  
1378 Said student so having the above-mentioned medical treatment, whether elective or on an  
1379 emergency basis shall during the two (2) academic week’s medical leave remain in the custody  
1380 of their parent(s) or legal guardian(s) and shall not be on school premises until the two weeks are  
1381 up or until the student has recovered from said procedure.

1382           It shall be the sole responsibility of the child’s parent(s) or legal guardian(s) during the  
1383 two academic weeks to do the following:

1384           1.     Bring his/her child to the physician so performing the medical treatment on said  
1385 school-aged child’s “private parts,” of the human anatomy to have the physician show and  
1386 explain to the child via use of a manikin or paper doll, the “private part(s),” of their body that is  
1387 subjected to the elective or emergency medical treatment.

1388           2.       Have his/her child seen by both a psychiatrist and a psychologist in an outpatient  
1389 and private practicing facility that is not affiliated with any educational facility educating school-  
1390 aged children within the Commonwealth of Massachusetts for an evaluation to see if the child  
1391 understands what the physician so doing the procedure is doing on the appropriate physical or  
1392 developmental age of the child and to evaluate whether or not the child understands that he or  
1393 she has no right to touch the “private parts,” of the human body of any other person, in  
1394 proportion to the child’s physical and developmental age level.

1395           3.       Follow all necessary steps given by the treating physician prior to and in  
1396 preparation for any medical or surgical procedure on their “private parts,” of their body and post  
1397 treatment instructions so given by said physician so giving said medical treatment and

1398           4.       Have his/her child return back to the original psychologist and psychiatrist from  
1399 the aforementioned outpatient practicing facility for post treatment evaluation of the said child’s  
1400 understanding of the procedure and behaviors had changed in understanding prior to said  
1401 procedure in proportion to the physical and developmental age of the child.

1402           5.       Secure the academic work that will be missed during the two academic week  
1403 period that the child is out, via a tutor, over the Internet or via temporary home schooling. In the  
1404 case of a special needs school-aged child, such educational material so missed during the  
1405 aforementioned two academic week medical leave shall be reasonably accommodated according  
1406 to the child’s Individualized Educational Plan, (IEP).

1407           6.       Prior to said school-aged child returning to his/her educational facility from the  
1408 said two(2) academic week medical leave, secure the before and after treatment evaluation

1409 reports from the aforementioned psychologist and psychiatrist, so performed during the two(2)  
1410 academic week medical leave.

1411 7. Have any strategies mentioned in the aforementioned report that sets guidelines to  
1412 prevent said school-aged children from molesting other students' or staff members' "private  
1413 parts," of their human anatomy.

1414 8. Set up between the parent(s) or legal guardian(s) and the school, an Individualized  
1415 Behavioral Modification Educational Plan, (IBMEP) that addresses prevention of molestation to  
1416 others so attending or working in said educational facility. Said Individualized Behavioral  
1417 Modification Educational Plan, (IBMEP) shall be developed and implemented within the first  
1418 two academic days of the child's return to school from said two (2) academic week medical  
1419 leave for medical treatment on the aforementioned "private parts," of their body.

1420 9. In the case of residential educational facilities that educate school-aged children  
1421 in grades Kindergarten-12 or special needs school-aged children in grades Kindergarten-22-  
1422 years-old, upon said student returning to the aforementioned residential school from a two(2)  
1423 academic week medical leave for treatment on the "private parts" of his/her human anatomy,  
1424 said child shall not be placed in a room with any other students who are 12-years of age or older,  
1425 who resides in the same dorm or cottage as the aforementioned student who had elective or  
1426 emergency medical treatment on the aforementioned, "reproductive," or, "private parts," of the  
1427 human anatomy, whether or not the student is male or female, for the remainder of the academic  
1428 year, and that said child's name must have a red asterisk(\*) next to his/her name indicating that  
1429 he/she is not to be roomed with any other student 12-years of age or older who resides in the  
1430 same dorm as the student who had returned from said medical leave as mentioned above, during

1431 the remainder of the academic year and that said student must be placed in either a room with  
1432 thoroughly CORIED and SORIED staff members, so CORIED and SORIED in all 50 states and  
1433 internationally if they came from any other country besides the United States of America, or  
1434 placed in a single room by themselves, when they are age 13-years-old or older. In the case  
1435 where said placement cannot be provided to said residential child so returning as a resident  
1436 student from his/her two(2) academic week medical treatment on his/her “private parts,” of the  
1437 human body, said child must remain a day student for the remainder of the academic year and it  
1438 shall be incumbent upon both the child’s parent(s) or legal guardian(s) and the town to which the  
1439 child is domiciled in to provide transportation to and from school at the end of each academic  
1440 day and that these provisions shall be in effect in proportion to the remainder of the academic  
1441 year since the two (2) academic week medical leave. In the case where said residential school-  
1442 aged child is attending the aforementioned residential school from out of state and that said home  
1443 destination is out of state and more than 45 minutes away from the aforementioned residential  
1444 school or said residential student must travel by air or long bus trip, it shall be incumbent on the  
1445 parent(s) or legal guardian(s) of the out of state residential student temporarily home schooled by  
1446 said parent(s) or legal guardian(s), using the materials that other students in his/her class is using  
1447 at the end of the two(2) academic week medical leave. This may be accomplished by the  
1448 residential school providing a tutor or providing the same materials over the Internet as distance  
1449 learning. It shall further be incumbent on the residential school to reasonably accommodate the  
1450 educational materials for an out of state special needs child as outlined in their Individualized  
1451 Educational Plan, (IEP).

1452           It shall be presumed to be the responsibility of the child’s parent(s) or legal guardian(s)  
1453 of any school-aged children so attending a residential school to notify the said school, whether or

1454 not the medical treatment on their child's "private parts," of their child's human body is an  
1455 elective procedure, or in the case of an emergency, involving the "private parts," of the child's  
1456 body, to notify the head administrator of the child's school, who shall, in turn notify the school's  
1457 health department, the child's teachers and in the case of a residential school where said school-  
1458 age child attends, the senior houseparent or senior housemaster, who shall in turn place next to  
1459 the residential student's name a red asterisk(\*) signifying that said student is not to be placed  
1460 with any roommates who are age 12 or older except for thoroughly CORIED and SORIED staff  
1461 members in all 50 states, as it pertains to criminal records and sexual offenses on children, or that  
1462 said student be placed into a single room when he/she is 13-years-old or older or in the case  
1463 where said accommodations cannot be made, said residential student is to be deemed a day  
1464 student for the remainder of the academic year proceeding any elective or emergency medical  
1465 treatment on said school-aged child's "private parts," of their body. In the event that said student  
1466 is domiciled out of the Commonwealth of Massachusetts and lives more than 45 minutes away  
1467 from said residential school, said student must remain at their out of state domicile with their  
1468 parent(s) or legal guardian(s) and shall be entitled to receive their educational material from said  
1469 residential school via a tutor or through distance learning via the Internet, and said residential  
1470 school that the child attends must provide this instruction throughout the remainder of the  
1471 academic year and in the case of a special needs school-aged child, said reasonable  
1472 accommodations as outlined in the child's Individualized Educational Plan (IEP) shall be  
1473 presumed the responsibility of the residential school said child attends and that the  
1474 aforementioned educational materials provided with the aforementioned reasonable  
1475 accommodations shall be provided throughout the remainder of the academic year, to which the  
1476 elective or emergency medical treatment has occurred on the "private parts," of said school-aged

1477 child's body. A tumor, or injury, or pain or a rape test kit or a rape examination to the "private  
1478 parts," of a school-aged child 11-years-old or over shall also be deemed instances of emergency  
1479 medical treatment or whatever the child's parent(s) or legal guardian(s) and the treating  
1480 physician deems to be an emergency need for medical examination or treatment on the, "private  
1481 parts," of the school-aged child's human body.

1482           In the case where a school-aged child or a parent or the legal guardian of a minor child  
1483 apprises the school staff or in the case of a residential school, the head houseparent or head  
1484 housemaster that the school-aged child has been the victim of a rape, whether said rape occurred  
1485 on campus or off campus, said house staff so employed in the same dorm to which the rape  
1486 victim currently resides shall follow the same aforementioned, "No roommates," provision and  
1487 procedures and also must not at anytime, should the child discuss the incident with them, shut the  
1488 child off, at anytime during the healing process and or during any judicial process to which the  
1489 child rape victim may be involved in.

1490           In the circumstances where no staff member knows about said minor being raped,  
1491 whether said incident occurred on or off campus, and whether or not school was in session at the  
1492 time, should said rape victim student start discussing any aspects of the rape incident that had  
1493 occurred, whether on campus or off campus or while school was in session or out of session with  
1494 any other student, who resides in the same dorm as the said victim and that said other student, to  
1495 whom the victim is having discussion with, regarding said rape incident and that said other  
1496 student is 15-years of age or older or is the roommate of the rape victim, and that said roommate  
1497 is 15-years of age or older, must report to the house staff in the dorm or cottage to which they  
1498 both live, the fact that said student to whom they were having conversation with had started  
1499 talking about said rape incident and that said staff member must then be in consultation within

1500 one academic day, to the head administrator of the residential school and the school's health  
1501 department, and the child's parent(s) or legal guardian and that in such conversation with said  
1502 head school administrator, the school's health department and the child's parent(s) or legal  
1503 guardian, said head house staff in the dorm to which said child rape victim resides must inform  
1504 the aforementioned entities that said child rape victim has opened up to another student age 15  
1505 years or older, including, but, not limited to his/her roommate(s), or other dorm or cottage mates  
1506 or both, said dorm or cottage mates and his/her roommate.

1507 Failure of said head houseparent or head housemaster to follow the aforementioned  
1508 procedures shall face automatic termination of employment from said residential school and also  
1509 may be held civilly liable to said child rape victim and their family in an amount not to exceed  
1510 twenty-thousand dollars (\$20,000.00). Any student who is either the roommate(s) or dorm or  
1511 cottage mate and who is 15-years of age or older to apprise said staff member that said child  
1512 victim had discussed any rape incident or any aspects of said rape incident, whether or not said  
1513 rape incident occurred on or off campus and whether or not said rape incident had occurred while  
1514 school was in session or not in session, shall be deemed expelled from said school setting for one  
1515 (1) academic semester. At said time, during the academic year that a house staff member  
1516 becomes apprised of said rape incident with said minor child, if said minor child is roomed with  
1517 any roommate(s) who are age 12-years or older said child rape victim shall have next to his/her  
1518 name the aforementioned red asterisk, indicating that he/she is to receive different rooming  
1519 accommodations without any student, thus, this shall follow the same procedure as prescribed in  
1520 section 7 of this act, otherwise known as the Juvenile Violence Act of 2015. The aforementioned  
1521 section 7 procedures shall be deemed as protocols of rooming students who had any medical

1522 treatment, whether elective or emergency on his/her, “private,” parts of the human anatomy or  
1523 that of the reproductive parts of the human anatomy.

1524 Failure of a head houseparent or head housemaster to follow the aforementioned  
1525 protocols of placing said red asterisk around said student’s name upon knowledge of a procedure  
1526 concerning the, “private,” parts of the human anatomy or the reproductive system shall lead to  
1527 mandated termination of employment and in addition to said mandated termination of  
1528 employment, may face criminal liability, which shall be deemed as appropriate charges and  
1529 prosecution for neglect of a minor under the age of 18-years-old and civil liability not to exceed  
1530 twenty-thousand dollars(\$20,000.00).

1531 Any dorm or cottage student, or any other student so being educated in a day public or  
1532 private or residential school, or any other educational facility that educates school-aged children  
1533 in grades Kindergarten-12 or in the case of special needs school-aged child in grades  
1534 Kindergarten-22-years-old, who preys upon a recovering rape victim child, via using such  
1535 incident to engage in unauthorized mouth to mouth resuscitation, or any other unauthorized  
1536 touching of said rape victim child, and that such action is used to explore or act out onto the rape  
1537 victim child shall be deemed to be trickery as so defined under section 1B of this act, otherwise  
1538 known as the Juvenile Violence Act of 2015. Said student, who engages in said emotional  
1539 trickery to lure exploration of the, “private,” parts or the reproductive parts or both of the human  
1540 anatomy of the rape victim shall be presumed to be engaging in sexual abusive activities, via  
1541 emotional trickery, and coercion, and thus, shall face the same mandated expulsion for child on  
1542 child sexual abuse.

1543 Section 8 Training of First Aid and Sexual Education: Who May and May Not  
1544 Administer This Type of Training: qualifications of Delivery of First Aid training: Duty of  
1545 Parents or Legal Guardian to Instruct School-Aged Children in Sexual Education: Qualified  
1546 Trainers of First Aid Prohibited from Living On Campuses of Residential Schools Instructing  
1547 School-Aged Children in Grades Kindergarten-12 or Special Needs School-Aged Children in  
1548 Grades Kindergarten-22-Years-Old: Methods of First Aid Training: Parents or Legal Guardians  
1549 Presumed Criminally Liable for Sexual Abuse Committed By Their Children or Ward: Tort  
1550 Liability, No More Than \$20,000.00 for Sexual Abuse Committed By Their Children or Ward:  
1551 Criminal Liability Shall Be Deemed As Contributing to the Delinquency of a Minor: House  
1552 Staff, or House Masters or Houseparents: Also presumed Civilly and Criminally Liable for a  
1553 Sexual Abuse Committed onto Another Student or Staff Member

1554 The course of first aid training may only be administered to school-aged children in  
1555 grades Kindergarten-12 or Special Needs School-aged children in grades Kindergarten-22-years-  
1556 old, whether the educational facility is a public or private day or residential educational facility  
1557 by the following people who meet either of the following qualifications:

- 1558 A. The head of physical Education, or:
- 1559 B. The school nurse, or:
- 1560 C. The school's general physician or:
- 1561 D. The fire department personnel of the fire department to which the school is  
1562 located in by a person designated by the fire chief and that said fire chief must notify the head  
1563 school administrator of the educational facility as to who is designated to give instructions to  
1564 school-aged children training in first aid.

1565           E.       Said fire personnel shall also undergo the additional requirement of being  
1566   CORIED and SORIED in all 50 states for criminal records of crimes committed against minor  
1567   children under the age of 18-years-old and sexual offenses of minor children under the age of 16  
1568   and sexual offenses and crimes committed against persons with developmental disabilities.

1569           Any persons so prescribed herein to administer instruction in first aid shall be prohibited  
1570   from living on a residential school campus in any dorms or cottages. Those who are qualified to  
1571   give first aid training to school-aged children in grades Kindergarten-12 or special needs school  
1572   in grades Kindergarten-22-years-old shall also be prohibited from being house staff in any  
1573   residential dorms or cottages or any other areas that have student sleeping quarters in a  
1574   residential school.

1575           First aid training of any school-aged children who has not achieved their high school  
1576   diploma shall be administered through the use of anatomical manikin dolls or cadabras, which  
1577   medical students use to train to become doctors or students who study to become nurses or those  
1578   who study to become life guards or medical attendants or orderlies in either a doctor's office or a  
1579   hospital.

1580           It shall be the presumed duty of a school-aged child's parent(s) or legal guardian(s)  
1581   whether or not the school-aged child is special needs or a regular student to give instruction to  
1582   their child or ward in sexual education, via the use of a manikin doll, or cadabras, or paper dolls  
1583   or books explaining to the child their private parts of the body and that it shall also be the  
1584   presumed duty of the parent(s) or legal guardian(s) of their school-aged children or ward to  
1585   inform their child that they have the right to not have their private parts touched and that they do  
1586   not have a right to touch the private parts of any other child or staff member in the school setting

1587 without mutual consent of the other person. It shall also be the presumed responsibility of the  
1588 child or ward's parent(s) or legal guardian(s) to inform their child or ward that he or she cannot  
1589 use any force or trickery of authority to touch someone else's private part or engage in any form  
1590 of sexual abusive activities while at school or out in society.

1591 Any parent or legal guardian who fails to adhere to these presumed responsibilities as a  
1592 parent or legal guardian shall be presumed both criminally and civilly liable to any victim(s) to  
1593 which their child or ward sexually abuses. Such tort liability shall be in the amount of no more  
1594 than \$20,000.00. Any parent(s) or legal guardian(s) child or ward who commits a sexual offense  
1595 onto another student who is two or more years younger themselves, or commits sexual abuse  
1596 onto a staff member, or any other person may be charged as contributing to the delinquency of a  
1597 minor and shall face the aforementioned penalties of contributing to the delinquency of a minor  
1598 as deemed under applicable state laws. The same aforementioned charge of contributing to the  
1599 delinquency of a minor shall also apply to the house staff in the case of a boarding school, in  
1600 sexual abuse cases. Said house staff who contribute to the delinquency of a minor via allowing  
1601 for any kind of sexually deviant behavior or who does not conform to the code of providing  
1602 proper supervision to their students, to which they care for, in a case of sexual abuse shall be  
1603 punished by a fine of two-thousand dollars(\$2,000.00) or imprisonment in state prison for no less  
1604 than three(3) years or both, said fine or imprisonment and also must be terminated from  
1605 employment in a residential school that educates school-aged children in grades Kindergarten-12  
1606 or in the case of special needs school-aged children, grades Kindergarten-22-years-old.

1607 This provision shall also be construed to extend this presumption of liability to house  
1608 staff, or houseparents or housemasters who work as such in a residential school, where a student  
1609 who is 12-years or older and their victim(s) is two or more years younger than the offending

1610 student shall also be held criminally liable as contributing to the delinquency of a minor and shall  
1611 also be subjected to tort liability in an amount of no more than \$20,000.00, as it shall be the  
1612 presumption that said house staff, house master or houseparent so supervising said residential  
1613 students in residential schools that educate school-aged children in grades Kindergarten-12 or  
1614 special needs students in grades Kindergarten-22-years-old are acting in place of the parent(s) or  
1615 legal guardian(s), while said student is residing at the school, but, said houseparent, or house  
1616 staff or housemaster shall also be deemed as not the actual parent(s), or legal guardian(s) or  
1617 family members of the students so residing in said residential school that educates school-aged  
1618 children in grades Kindergarten-12 or special needs students in grades Kindergarten-22-years-  
1619 old. This presumption shall apply to all sexual abuse cases involving minor children who are 12  
1620 years of age or older and their victim(s) are two or more years younger or any staff member, to  
1621 which a minor student 12-years of age or older who commits unconsensual sexual acts onto  
1622 another staff member, by means of force or coercion to engage in sexual activity.

1623           Section 9 Requirements for First Time Enrolled Students Notarized Statement from  
1624 Parents or Legal Guardians Regarding Sexual Abuse Training: Notarized Statements Regarding  
1625 Sexual Education Taught to School-Aged Children or Special Needs School-Aged Children:  
1626 Notarized statement Requirements Each Academic Year for Students Attending Residential  
1627 Schools Regarding Sleeping Quarter Entry and Exit Policies and Dorm or Cottage Entry and Exit  
1628 Policies: Failure to Meet Signature Requirements

1629           Notwithstanding any law or policy to the contrary, prior to the enrollment of each new  
1630 student into a public, or private or residential school, or a charter school or an agriculture school,  
1631 upon enrollment of new students attending the aforementioned schools that offer educational  
1632 services to school-aged children in grades Kindergarten-12 or in the case of special needs school-

1633 aged children in grades Kindergarten-22-years-old, prior to said student's enrollment into any of  
1634 the aforementioned schools, it shall be the affirmative responsibility of either the child's  
1635 parent(s) or legal guardian(s) to have signed in the presence of a notary of the public a statement  
1636 consenting to the fact that within one month of the child's enrollment, that their son, or daughter  
1637 or legal ward will participate in sexual abuse training to be conducted by a police department, by  
1638 an officer who has been thoroughly CORIED and SORIED for criminal offenses against children  
1639 to instruct first time school age children in sexual abuse prevention at the appropriate age level of  
1640 the children so attending said training and that said children so in attendance shall be made fully  
1641 aware of the auspices of this act as to what the consequences will be should a student who is 12-  
1642 years or older engage in an act of sexual abuse onto another student who is two or more years  
1643 younger in physical age or another staff member. Failure to fulfill the signature requirements by  
1644 the student's parent(s) or legal guardian(s) or the student, him/herself prior to his/her being  
1645 enrolled into a school or a new school for the first time, shall deem said student not to be  
1646 officially enrolled until said signature requirements of attendance in sexual abuse training has  
1647 been fulfilled. Said signature must be signed within ten (10) days prior to the student being  
1648 enrolled into school for the first time or when the student has been enrolled into a new school for  
1649 the first time. It shall also be the duty of the parent(s) or legal guardian(s) or the student,  
1650 him/herself to also sign in the presence of the aforementioned notary of the public the envelope  
1651 to which said signed document is to be mailed in to the head administrator of the school facility  
1652 to which the student will be attending. Said mailing envelope shall also be signed by the person  
1653 notarizing said signature of the consent to sexual abuse training.

1654           When a newly enrolled student has reached their sixteenth (16'th) birthday prior to his  
1655 new enrollment into another school or becomes 16-years-old at the time of said enrollment into a

1656 new school, it shall be the affirmative responsibility of the student to sign in the presence of a  
1657 notary of the public a statement consenting to sexual abuse prevention training, provided,  
1658 however, said student is not under guardianship due to mental incompetence as deemed by the  
1659 family and probate court. In such cases, the affirmative responsibility to sign said consent to  
1660 sexual abuse prevention training shall fall to his/her appointed guardian.

1661 In the case where a school-aged child in grades Kindergarten-12 or in the case of a  
1662 special needs school-aged child in grades Kindergarten-22-years-old, it shall be the sole  
1663 responsibility of his/her parent(s) or legal guardian(s) to sign in the presence of a notary of the  
1664 public ten(10) days prior to the start of school, a copy of said residential school's policies with  
1665 regards to the entering and the exiting of the sleeping quarters and the entering and exiting of the  
1666 whole cottage or dorm for classes or other school related activity. This notarized statement shall  
1667 be signed ten (10) days prior to the start of each academic year, said to start no earlier than two  
1668 (2) days after the Labor Day holiday and to end no later than the third Friday of June, of each  
1669 academic year. Upon said residential student reaching sixteen(16) years-old, it shall be the sole  
1670 responsibility of said student to sign in the presence of a notary of the public on an annual bases  
1671 and within ten(10) days prior to the start of school, a notarized copy of the residential school's  
1672 sleeping quarter's entering and exiting policies and dorm or cottages' entering and exiting  
1673 policies, provided, however, said residential student is not under a guardianship appointed by the  
1674 family and probate court due to mental incompetence. In the case where such is the case, said  
1675 legal guardian shall have the affirmative responsibility to signing in the presence of a notary of  
1676 the public said sleeping quarters entering and exiting and dorm or cottages' entering and exiting  
1677 policies, during the school day or during school sponsored activities, within ten(10) days prior to  
1678 each academic year. Failure of the aforementioned parent(s), or legal guardian(s) or the student,

1679 him/herself when he/she reaches the age of 16 to sign said sleeping quarter and cottage or dorm  
1680 entry and exit policies in the presence of a notary of the public shall result in said student being  
1681 listed as, “Day Student Status,” until his/her parent(s), or legal guardian(s) or the student,  
1682 him/herself, once he/she has reached 16-years-old has fulfilled the aforementioned signature  
1683 requirements of the school’s sleeping quarters entering and exiting and dorm or cottage entry and  
1684 exiting policies.

1685           Any parent(s), or legal guardian(s) or students age 16-years or older wishing to  
1686 participate in school sponsored sexual education classes shall, prior to the beginning of any  
1687 sexual educational training, must sign in the presence of a notary of the public a consent form  
1688 allowing for said to student to participate in sexual education program so offered by said school  
1689 facility. Failure of a parent or legal guardian or the student, him/herself to sign said consent to be  
1690 enrolled or participate in school sponsored sexual education training shall be said to ban said  
1691 student from participation in such training for one full academic year. In the case where a student  
1692 is 16-years or older and has been declared legally mentally incompetent to sign said consent, it  
1693 shall be the sole responsibility of the student’s parent(s) or legal guardian(s) to provide said  
1694 signed and notarized consent for their child or ward to participate in school sponsored sexual  
1695 educational training.

1696           Section 9A Informing of School-Aged children who are 12-years or older of the  
1697 Mandated Expulsion Provision for Sexual Abuse Committed onto Another Student 2 or More  
1698 Years Younger than the student or Any Staff Member and Consequences of First Disclosure of  
1699 Sexual Abuse that Comes Up After Said Student Either Graduates or Leaves his/her Educational  
1700 Facility After One Academic Year

1701           It shall be the duty of the head administrator of any school that educates school-aged  
1702 children in grades Kindergarten-12 or in the case of special needs school-aged children in grades  
1703 Kindergarten-22-years-old to send via a letter to each student’s parent(s) or legal guardian(s)  
1704 upon the 12’t<sup>h</sup> birthday of each student a statement that any student who commits onto another  
1705 student who is two or more years younger than the student who is being sent said letter, or a staff  
1706 member an act of sexual abuse that by law, he/she faces automatic mandated expulsion, upon  
1707 determination of guilt by preponderance of the evidence by the aforementioned school  
1708 disciplinary board as composed in Section 4 of this act.

1709           Also included in this mailing shall also be a statement that if it comes to surface years  
1710 later, after said student had either graduated or left said educational facility after attendance for  
1711 one full academic year, via confirmed first disclosure by  $\frac{3}{4}$  of the people in the mental health  
1712 department, the victim who attended the same school as the offender, and then a report is  
1713 forwarded onto the head administration that said student’s case shall by law be reported to the  
1714 Department of Children and Families and that his/her case shall also be forwarded onto either the  
1715 school’s alumni association’s board of directors, provided however that said educational facility  
1716 has an alumni association as defined in Section 5 of this act, or in the case where there exists no  
1717 alumni association, the case is to be referred to the full school committee, who shall hold a  
1718 hearing on the matter within 60 days and that upon the finding of guilt by a preponderance of the  
1719 evidence by either the educational facility’s alumni association’s board of directors or the school  
1720 committee in the case where said school has no established alumni association, said former  
1721 student shall be banned from coming onto campus and belonging to the school’s alumni  
1722 association, to which other students who are otherwise in “Good Disciplinary Standing,” are  
1723 afforded.

1724 Section 10 Right to Self Defense to Supersede any Anti-Bullying Policy, School Policy,  
1725 or Ethics When Another Student or Staff Member is in Threat of Grave and Imminent Danger of  
1726 Serious Bodily Injury or Death Or Are Being Placed in Grave, Imminent Danger of Bodily  
1727 Injury or Death By the Aggressor Who Provoked the Confrontation in the First Place

1728 In such events where either another student or staff member who is a victim of bullying,  
1729 or hazing or any act of standalone violent by either a non-special needs school-aged child in  
1730 grades Kindergarten-12 or in the case of special needs school-aged children in grades  
1731 Kindergarten-22-years-old and whom either the staff member or the student is the primary  
1732 aggressor in combat, who places either a another student or staff member in imminent threat of  
1733 serious bodily injury or death or who's violent action is forceful that said aggression of either the  
1734 aggressive student or staff members violent actions causes serious bodily injury or death to  
1735 his/her victim, said victim shall have the right to resort to self defense to protect him/herself from  
1736 danger of serious bodily injury or death as deemed necessary under applicable law. Said right to  
1737 resort to the use of self defense in incidents where a threat of serious bodily injury or death is  
1738 imminent or actual serious bodily injury is said to occur by the aggressive party, when a duty to  
1739 retreat such combat becomes unavailable. Said right to the use of self defense in the  
1740 aforementioned circumstances shall be said to supersede any anti-bulling policy, or any policy,  
1741 or any crisis intervention policy, or any laws against corporal punishment when the  
1742 aforementioned occasion of threat of imminent serious bodily injury or death or actual serious  
1743 bodily injury or death is to occur. The use of self defense as a means of survival or escaping the  
1744 possibility of serious bodily injury shall in no way be deemed to mean the use of corporal  
1745 punishment.

1746 Section 10A Corporal Punishment Defined: Consequences of Its Use: Time Outs in  
1747 Enclosed Areas of a School; Procedures of Use and Time Limitations

1748 The term “Corporal Punishment shall be defined to mean the following: 1. Paddling of a  
1749 child when such paddling is not used as a means of self defense by a teacher or a principal or  
1750 another figure of authority for the purpose of escaping the threat to or the actual occurrence of  
1751 imminent serious bodily injury or death. 2. Use of force that is provoked by a figure of authority  
1752 for their mere convenience. 3. Exposing school-aged children to the elements by a figure of  
1753 authority, such as a principal, a director of a school, a teacher, a cafeteria worker, and a house  
1754 parent or house master in the case of a residential school. 4. Physical restraint of a school-aged  
1755 child when such is not necessary and is only being carried out to satisfy the mere convenience of  
1756 a staff member or a figure of authority. 5. Excessive time out periods in an enclosed and isolated  
1757 place that is locked so that the school-aged child cannot get out. 6. Exposing a child to the  
1758 elements via the undressing of the child and then placing them into an enclosed area with doors  
1759 closed and windows opened during inclement weather, or extreme heat, or cold temperatures. 7.  
1760 Exposing a school-aged child to the elements outside of the school building or the dorm or  
1761 cottage in the case of a residential school without proper attire, conducive to the current weather  
1762 conditions at the time said incident of exposure is to have occurred. The sending of a school-  
1763 aged child to a time out area fully naked, or with their undergarments exposed shall be deemed to  
1764 be a case to be investigated for sexual abuse, or bullying or hazing. Any staff member who uses  
1765 any of these forms of corporal punishment hereinafter defined shall face automatic termination  
1766 from employment from the school where he/she worked at the time of incident and that such  
1767 termination shall be placed on the staff member’s employment record and reported by mandated  
1768 reporters to the Department of Children and Families. Such record of the hereinafter incidents of

1769 corporal punishment so defined shall be opened to public inspection and said staff member who  
1770 had engaged in the use of corporal punishment shall be said to forfeit his/her right to work in the  
1771 education system in any capacity within the Commonwealth of Massachusetts. Any figure of  
1772 authority who imposes a time out period on a school-aged child in an enclosed area, whether the  
1773 staff be from a public, or private, or agricultural, or a chartered school, or a residential school  
1774 must set the time out period to last no more than ten(10) minutes and must be within the vicinity  
1775 to where the time out facilities the staff member is using, including, but, not limited to a  
1776 student's bedroom, in the case of a residential school and must have in their possession a timing  
1777 device to let them know that the time out period is up and then come to inform the student that  
1778 said time out period has expired.

1779           Section 11 Summer Camps That Have School-Aged Children Under Age 18 to Be  
1780 Deemed Educational Facilities and Under the Same Mandated Reporting Requirements and All  
1781 Other Auspices of This Act

1782           Any summer camp or summer program, whether public, private or residential that offer  
1783 camping or educational experiences to school-aged children under the age of 18-years-old or  
1784 special needs school-aged children under the age of 18-years-old shall for the purposes of this act  
1785 be deemed to be an educational facility and thus, its staff shall be bound by the same mandated  
1786 reporting requirements for child abuse to the Department of Children and Families. Any youth  
1787 summer camps shall also be bound by all auspices of this act.

1788           Section 12 Locking Mechanisms on Classroom Doors, Bedroom Doors, and Video  
1789 Surveillance Equipment: Audible Sound Recording Authorized in Student Bedrooms with  
1790 Warrant upon Probable Cause of Criminal Activity or an Investigation into Criminal Activity

1791 Notwithstanding any school policy or any special policy, it shall be the duty of a public  
1792 or private day school, or a chartered day school or an agricultural school to install locks onto  
1793 their classroom doors using gypsum doors and that said locking mechanism must be contained  
1794 in the door knobs on the doors, and also shall include on the inside of each door a pop-out spring  
1795 lock on said doors that when opened, the lock button on the door knob pops out to allow for easy  
1796 access during an emergency or at the end of the class period. All staff using the class room  
1797 facilities must have on hand keys to these classrooms at all times and copies of these keys must  
1798 be made and given to the chief of the fire department in the town where the school is located.

1799 In public schools, or private day or residential schools, or charter schools or agricultural  
1800 schools, or residential schools, that have school-aged children ages 14-years of age or older and  
1801 have in both girls or women's rest areas or boy's or men's rest areas, where there are enclosed sit  
1802 down stalls, including, but, not limited to handicapped accessible stalls shall have an easy  
1803 accessible locking mechanism on its stall doors that can be opened from the inside, either  
1804 through an easily sliding latch or a pop-out spring lock inside the door knob itself, so that when  
1805 the door knob is turned, the push in lock button pops out so that the student or staff members can  
1806 enter and exit easily and so that when the stall door is locked, this shall indicate that the stall is  
1807 being occupied by another person. In the case where a disabled person may need help from staff  
1808 or a PCA, the PCA, at the permission of the disabled person shall be allowed to enter the stall  
1809 with them and said PCA shall have the ability to lock the door when both the disabled person and  
1810 the PCA are in the handicapped stall so being occupied at the time, by, said disabled person and  
1811 their PCA. The PCA or the disabled person, or both, shall have easy access to the knob on the  
1812 stall door with the spring locking mechanism that pops out the lock button when the occupants of  
1813 the stall are finished. This shall also apply whether or not the enclosed sit down stall has a sink

1814 for washing hands or other body parts or not. The defense of the educational facility being  
1815 deemed as a special needs educational facility shall be barred as a defense to non-compliance  
1816 with section 12 of this act.

1817 All common areas of a public, or private, or charter, or an agricultural school shall have  
1818 its common areas equipped with updated video surveillance equipment that is viewable to the  
1819 school's security office and also to that of law enforcement.

1820 In the case, where a school that educates school-aged children in grades Kindergarten-12  
1821 or in the case of special needs school-aged children in grades Kindergarten-22 years-old, said  
1822 residential school shall follow the same section 12 requirements under this act, and in addition,  
1823 must also have adequate updated video surveillance equipment placed in all dorms or cottages  
1824 and such video surveillance equipment must be placed in the common areas of the sleeping  
1825 quarters and the common areas of the dorms or cottages said school has on its premises.

1826 In cottages or dorms where there are housed school-aged children who are age 10 years  
1827 or older, all bedroom doors, except the two "sick" areas of each dorm or cottage, which the  
1828 school must designate, shall be equipped with the same gypsum doors and have the same spring  
1829 locking mechanism contained in the knob of the door to allow for easy exits of the students so  
1830 occupying those bedrooms in the event of an emergency.

1831 There shall be no locks placed on the two designated "sick" rooms as designated by the  
1832 residential school and that said residential school must post signage on the designated bedrooms  
1833 as "sick" rooms, which may only be entered by medical personnel, or the town's police  
1834 department, or thoroughly CORIED and SORIED staff members in all 50 states, or ambulance  
1835 crews, or the sick child's parent(s) or legal guardian(s) or any other family member 18 years of

1836 age or older designated by the child’s parent(s) or legal guardian(s) to remove and transport  
1837 home, said sick child. At least one “sick” room must be designated on the first floor to  
1838 accommodate mobility challenged school-aged children who use crutches, or power chairs,  
1839 power scooters or wheelchairs.

1840 Any other bedrooms that are not otherwise designated as “sick” rooms must in addition to  
1841 having locks on the doors, contain on the bedroom door, the name(s) of the students who have  
1842 been assigned to occupy said bedroom during the academic year. All staff members of the dorms  
1843 or cottages that have students residing in them that are age 10 years or older must have made and  
1844 on hand copies of the keys to the bedroom doors and that said keys must remain in their  
1845 possession at all times. Copies of the keys to the bedroom doors must also be made to be given to  
1846 the chief of fire in the town or city where the school is located and also to the local police chief  
1847 of the town or city where the school is located.

1848 School-aged children who are 16 years or older and who are shown to be responsible to  
1849 handle their own bedroom shall be entitled to a key to his/her bedroom, so long there is no other  
1850 occupant in the same bedroom who is A under 16-years-old and B Who has been shown to not  
1851 be capable of being responsible for the care of the bedroom, which the two or more students  
1852 occupy.

1853 All enclosed bathroom stalls in all of the dorms or cottages of a residential school,  
1854 including, but, not limited to handicapped accessible enclosed stalls must also have a locking  
1855 mechanism placed on the doorway to the enclosed stall that can be easily opened by the occupant  
1856 of the bathroom stall in the event of an emergency. This provision shall apply to cottages or  
1857 dorms that house residential students ages 10 or above. Upon the locking of the enclosed

1858 lavatory stall by the occupant at the time it is in use, this gesture shall indicate to any other  
1859 student using the same bathroom facilities that the enclosed stall is in use and is being occupied  
1860 at the time, and that any other occupant needing to use the lavatory stall must knock on the door  
1861 and receive an answer that the stall is occupied. In the case of a blind or deaf/blind or a student  
1862 with developmental and communication challenges, they shall have one free pull on the door to  
1863 indicate that the door to the lavatory stall is either in use or not. If the aforementioned  
1864 developmentally, or blind, or deaf/blind or communication disabled student pulls the door and  
1865 finds that he/she cannot open the lavatory stall, said lavatory stall shall be presumed to be  
1866 “occupied,” by another student or person and that said challenged student must go to his/her care  
1867 staff, who shall in turn, depending on the urgency of the challenged student needing a lavatory,  
1868 allow for the challenged student to use their designated lavatory, so long as both the student and  
1869 the caretaker is of the same gender.

1870           In the case of a day special needs school or a regular day or private public school, there  
1871 shall be designated a unisex lavatory and bathroom located on the first floor of each classroom  
1872 building. Said unisex bathroom facilities shall be equipped with a sink and enclosed lavatory  
1873 stalls with a locking door on each stall.

1874           Upon probable cause that criminal activity has been committed on residential school  
1875 premises, law enforcement upon criminal complaint must go to a court of law to obtain a warrant  
1876 to have installed in the sleeping quarters a voice surveillance device for the sole purposes of  
1877 conducting an investigation into alleged criminal activity or collecting any evidence in  
1878 connection with any alleged criminal activity. Said warrant shall state the nature of the crime(s)  
1879 being investigated in a criminal complaint and the sleeping quarters of the individual(s) being  
1880 investigated for criminal activity.

1881 Section 13 Age and Educational Requirements of House Staff or Houseparents Hired and  
1882 Working in Residential Schools: Salary Requirements: Administration Required to Have Open  
1883 Door Policies to Discuss Working Environment of House staff or House Parents or Salary

2099 have the right to visit the child in the cottage to which they reside in whether the visit is

2100 announced or unannounced, regardless of any disciplinary matters pending against the child or  
2101 any disciplinary action being carried out against the child being visited by said parent(s), or legal  
2102 guardian(s), or by designated family member(s) appointed by said child's parent(s) or legal  
2103 guardian(s). Any staff member who by reason of disciplinary reason disrupts said visits, whether  
2104 announced or unannounced shall contact the child's parent(s) or legal guardian(s) via telephone  
2105 and explain the reason for disrupting the visits. It shall be the discretion of the child's parent(s)  
2106 or legal guardian(s) as to whether or not the visit shall be postponed or not. Within two(2)  
2107 academic days, the reasoning for the disruption of the visit shall be placed into writing along  
2108 with the notes taken by said staff member on duty as to the conversation with the child's  
2109 parent(s) or legal guardian(s) along with the decision regarding the visit being allowed to  
2110 continue or not, by the child's parent(s) or legal guardian(s) logged into the staff log and that  
2111 such written information shall be handed to the head housemaster or head houseparent in  
2112 seniority and also the school administrator running the program to which the cottage or dorm that  
2113 is being operated at the time such visit and disruption of said visit had occurred. Failure of a  
2114 house staff to follow the aforementioned procedures shall face mandated suspension from their  
2115 duty for a period of five (5) business days without pay or compensation and that such suspension  
2116 shall be said to take effect within the following business week corresponding the failure to  
2117 follow the guidelines as set forth, provided, however, that the following business week does not  
2118 fall on the week of a school break or during summer vacation. In situations where the following  
2119 business week falls during a school recess or summer vacation, said five (5) business day unpaid  
2120 suspension shall be said to be served on the first business week that school is back in session  
2121 from school recess or summer vacation.

2122           Each dorm or cottage shall have log forms contained in loose-leaf three ring binders with  
2123 labeling on the log books. Each cottage shall have two log books labeled conspicuously and  
2124 placed in a conspicuous location on a table in the cottage or dorm’s main hallway, on its first  
2125 floor. One log shall be labeled “Family Visitor Log Book,” and the other log labeled “Student  
2126 Log,” to indicate when a student age 16 years or older has left campus on their own and when  
2127 they are expected to return, in the case where the student leaves campus unaccompanied by  
2128 his/her parent(s), or legal guardian(s) or other relatives 18 years of age or older. The staff  
2129 member on duty at the time of student entry shall be present to sign underneath the name of the  
2130 student’s name, their name. Absent the signature of a staff member underneath that of the student  
2131 in the student sign out log, shall be said to presume the staff member (s) on duty in the cottage or  
2132 dorm at the time of the sign out, in the student log, to not be in good faith of their supervisory  
2133 duties of said students in the residential setting to which the student so resides.

2134           Notwithstanding any special policy, or special law or any other policy of a residential  
2135 cottage or dorm to which school-aged children in grades Kindergarten-12 or in the case of  
2136 special needs school-aged children in grades Kindergarten-22-years-old, whether or not a visit  
2137 from the child’s parent(s), or legal guardian(s) or any other family member in relation to the  
2138 child and who is 18-years or older and who has been appointed by the parent(s) or legal  
2139 guardian(s) of the child makes any announced or unannounced visit to the child to whom they  
2140 are visiting, said parent(s) or legal guardian(s) or any other family member appointed hereinafter  
2141 by said child’s parent(s) or legal guardian(s) to visit said child shall place into the family visitor  
2142 log, the name of the student being visited, the family member’s name, the relationship to the  
2143 child and whether the visit is announced or unannounced to the dorm or cottage to which the  
2144 child resides. Said family member visitor shall have the right to place into said log entry any

2145 comments made as to the reason for the visit, what will be taking place during the visit, whether  
2146 or not the visit will take place on or off campus or any comments about the conditions of the  
2147 cottage or dorm, or the staff on duty in said cottage or dorm and any behaviors observed between  
2148 staff and students or towards other students, whether or not said behavior is of a violent or non-  
2149 violent nature and that occurs within plain view, followed by the signature of the child's family  
2150 member so making such visit, and that of any of the staff members of said cottage or dorm who  
2151 happens to be on duty at the time, and the signature of any school employee who is not in  
2152 employment or affiliation to the cottage or dorm to which the child so being visited resides. Said  
2153 impartial employees so appointed by the child's parent(s) or legal guardian(s) to monitor  
2154 parent(s), or legal guardian(s) or family member visits by family members 18 years of age or  
2155 older shall at the beginning of each academic year furnish their contact information as to where  
2156 they can be reached to the child's parent(s) or legal guardian(s). At the time of visitation by other  
2157 family members 18 years or older, so appointed by said child's parent(s) or legal guardian(s), to  
2158 visit child whether announced or unannounced shall also be given contact information as to  
2159 where the impartial staff member monitoring the family member visitor log's signing to the  
2160 family member to whom is visiting the child, in the case that while a visit, whether on or off  
2161 campus results in an emergency that first brings to disclosure any incidents of campus rape, or  
2162 sexual assault, or student on student violence, or any staff on student abuse, whether physical or  
2163 emotional, or staff on student sexual abuse or rape. Said appointed and impartial staff member  
2164 upon appraisal of the child's parent(s) or legal guardian(s) or other family member 18 years of  
2165 age or older so visiting the child, that said visited child has disclosed to them in confidence, said  
2166 duty of the appointed impartial staff member so monitoring said log entry of said family visit  
2167 shall report said first disclosure of any campus rape, or sexual abuse, or student on student

2168 violence, or staff on student rape, or sexual abuse, or physical or emotional abuse to the student  
2169 so being visited to the head school administrator who shall in turn make reports according to  
2170 applicable mandated reporting of abuse on children laws to the Department of Children and  
2171 Families in a timely manner as prescribed under said mandated reporter of abuse laws applicable  
2172 within the Commonwealth of Massachusetts.

2173           In the case where a sexual assault or rape is disclosed to the child’s parent(s), or legal  
2174 guardian(s) or the child’s visiting relative and that such rape or sexual abuse had occurred within  
2175 one (1) day or the day of the visit, said appointed staff member shall apprise the child’s visiting  
2176 parent(s), or legal guardian(s) or visiting family member 18 years or older, not to have the child  
2177 take a shower that night and that said appraisal shall be written in notes to be amended as a lean  
2178 on entry into the family member visitor’s log when said visit has concluded. Failure of said staff  
2179 member to follow the mandated reporting requirements shall be automatically terminated from  
2180 employment at said school and shall be barred from any further employment in an educational  
2181 institution, which educates school-aged children in grades Kindergarten-12 or in the case of  
2182 special needs school-aged children, grades Kindergarten-22-years-old and shall face prosecution  
2183 for obstruction of justice under applicable state laws. Any staff member or security personnel  
2184 who advises a child’s parent(s), or legal guardian(s) or visiting family member of a child rape or  
2185 sexual abuse victim, whether or not the rape or sexual abuse occurred between staff and student  
2186 or child on child, to, “Take a Shower,” when said incident of rape or sexual abuse has been  
2187 appraised of immediately after it happened shall be prosecuted for Tampering with evidence and  
2188 hindering the prosecution of said manner and such conduct of said staff member shall be  
2189 punishable by imprisonment in a state prison for no less than five (5) years and a fine of no less

2190 than ten-thousand dollars, (\$10,000.00), but no more than twenty-thousand dollars (\$20,000.00)  
2191 or both, said imprisonment or fine.

2192 In the case where an unannounced visit by said child's parent(s), or legal guardian(s) or  
2193 any family member 18 years of age or older so appointed to visit said child in his/her cottage or  
2194 dorm, only the impartial staff member so defined by this act shall be apprised of said  
2195 unannounced visit and said impartial appointed staff member shall accompany said visitor to the  
2196 child and must remain there until the family visitor log has been signed and attested to by either a  
2197 house staff or houseparent on duty at the time of the visit or another student, who is not on duty  
2198 and who is 14 years of age or older to attest to said family visitor log entry. Any family visitor  
2199 log entry attested to by either a student 14 years of age or older or by another staff member who  
2200 is not on duty at the time of said unannounced visits shall presume the staff members officially  
2201 on shift according to their time sheets or roster at said cottage or dorm at said time of  
2202 unannounced visits to said child shall be presumed to not be carrying out their supervisory duty  
2203 in good faith and shall be subjected to the same suspension and expulsion terms as deemed under  
2204 this act.

2205 In the case where at the time of any announced or unannounced visit to the child so being  
2206 visited, any student who is not designated as staff on duty and who is age 14 or older, who signs  
2207 said visitor log underneath the family visitor shall be deemed witness to such visit taking place
