## INTRODUCTION

The Division of Capital Asset Management & Maintenance (DCAMM) is pleased to publish the Commonwealth of Massachusetts Real Property Report for 2020. The Report includes Commonwealth property, both owned and leased, and improvements at each facility, catalogued in a series of five tables.

This report is the product of ongoing updating and refining of data and has been prepared in accordance with the requirements of Chapter 7C, Section 39. The information contained therein was compiled and analyzed by the Commonwealth Asset Management Information System (“CAMIS”), an enterprise-wide platform overseen by the DCAMM Office of Finance and Administration to manage our land and building portfolio.

## REPORT ORGANIZATION

This report contains five tables which provide different ways of organizing, analyzing and displaying information about property owned and leased by the Commonwealth. Data for this report was extracted on February 5, 2020, except for Leasing data in Table 5, which was pulled as of February 1, 2020. Tables 1-4 include state-owned land and buildings, and those owned by higher education building authorities – Massachusetts State College Building Authority (MSCBA), and UMass Building Authority (UMBA). DCAMM has worked with these authorities to collect their information. Each respective authority, however, should be contacted directly for a definitive inventory. Assets owned by other authorities such as MWRA, MBTA, and Massport are not included in this report. These authorities should be contacted directly for information on their holdings.

### **TABLE 1: SUMMARY OF COMMONWEALTH-OWNED REAL PROPERTY BY EXECUTIVE OFFICE**

This table provides groupings of properties by Executive Office and State Agency. The table lists the total land area in acres, the total number of buildings and improvements, and the gross square footage of all buildings and improvements for each State Agency and Executive Office.

### **TABLE 2: SUMMARY OF COMMONWEALTH-OWNED REAL PROPERTY BY COUNTY**

This table provides groupings of properties by County and Executive Office. The table lists the total land area in acres, the total number of buildings and improvements, and the gross square footage of buildings and improvements for each Executive Office within each County.

### **TABLE 3: COMMONWEALTH-OWNED REAL PROPERTY BY EXECUTIVE OFFICE AND AGENCY**

This table provides groupings of properties by Executive Office, State Agency and Facility. The facility or site name under each Agency is alphabetical by municipality and provides the total land area in acres, the number of buildings and improvements, and gross square footage for each facility. Open land sites will not show structures or gross square feet.

### **TABLE 4: BUILDINGS, IMPROVEMENTS AND LAND AT STATE FACILITIES BY MUNICIPALITY**

This table provides a detailed list of buildings and improvements at each Commonwealth facility. This table is organized by City and Town, showing alphabetically each State Agency managing a facility or overseeing a site in that Municipality. The total acreage for each site is listed, the name of each building/improvement at that site is listed, and the total number of any same type structure (for instance 3 sheds) is listed, as well as the gross square footage of each structure. Open land sites will not show structures or gross square footage. Totals for Commonwealth property in each Municipality are shown.

This listing is determined by the reporting of all land and buildings/improvements in a City or Town by either the State Agency or the Municipality.

#### **TABLE 5: COMMONWEALTH ACTIVE LEASE AGREEMENTS BY MUNICIPALITY**

This table lists sites occupied by a State Agency, but not owned by the Commonwealth. Table 5 provides the start and end date of the lease agreement, location of the space, and building usable square footage occupied. For more detailed information about a specific lease agreement, please contact the Division of Capital Asset Management and Maintenance, Office of Leasing at (617) 727-8000.

### **KEY FEATURES OF THE REAL PROPERTY REPORT**

Several enhancements were added to last year's report format, and these are continued with the 2020 RPR:

#### **SEPARATE REPORTING FOR BUILDING VS. IMPROVEMENT DATA**

Tables 1 – 4 provide detail on the types of assets being reported. Data for vertical and horizontal *improvements* are reported separately from our major and minor *buildings* for greater transparency.

#### **DATA ON AUTHORITY-OWNED AND COUNTY-OWNED BUILDINGS**

Buildings owned by the UMass Building Authority (UMBA) and the Mass State College Building Authority (MSCBA) are an important part of our public higher education system. The RPR includes these assets in Tables 1- 4. Most of these buildings are located on state-owned land and are reported with their respective campuses. In rare cases when MSCBA or UMBA owns the land, they are listed separately as an independent authority – see page 2 of Table 1, for example. In Table 4, our most detailed listing of land and buildings, MSCBA and UMBA buildings are listed with their campus – *italicized* in the report for easy identification. Other authorities such as MWRA, MBTA, and Massport are not included in the Real Property Report.

Appendix I provides a summary of just State-owned assets - *excluding* MSCBA and UMBA buildings.

Appendix II lists county-owned land and buildings that are occupied by various Sheriffs and Trial Court Departments. These buildings and associated land are not included in any other tables in the report.

#### **REPORTING ON CONSERVATION RESTRICTIONS, AGRICULTURAL RESTRICTIONS, AND EASEMENTS**

In the past, Reports had included Property with Conservation Restrictions and Agricultural Preservation Restrictions plus certain easements as part of the Real Property Report "State Owned" portfolio. In this year's report they are separated out of the State-Owned portfolio and instead are contained in Appendix III. This reflects the fact that legal ownership of these lands remains with a municipal or private party. The Commonwealth only owns Restrictions on certain "development rights" tied to the property.

#### **ONGOING DATA QUALITY IMPROVEMENTS**

The annual Real Property Report presents a snapshot of a dynamic land and building portfolio. Since the last report was published in February 2019, DCAMM has continued with systematic quality review and technology enhancements for CAMIS reporting.

This work continues in partnership with our CAMIS user-agencies who have care and control of state facilities. For example, a significant year-over-year increase in non-building improvements reflects DCR's addition of playgrounds and parking lots on *existing* DCR lands to their portfolio as they expand the use of CAMIS to manage their facilities. Over the past three years, the DCAMM team has also designated surface parking lots on *existing* lands (particularly at higher education campuses) that were not previously identified in our inventory of improvements.

## **HOW TO FIND A STATE-OWNED PROPERTY**

### **If you know which State Agency manages or occupies a facility -**

See Appendix V, Glossary of Terms, for a helpful explanation of the acronyms for agencies as well as other terms used in this report. Look in Table 1 to find the Executive Office and Agency of a property. In Table 3 the same Executive Office and Agency will be listed by Municipality with all the properties under that Agency. Finally, in Table 4 look up the Municipality and buildings/improvements will be listed under all facilities under each Agency.

For example, to find the Bay State Correctional Center knowing it is managed by DOC, you would find DOC in the Glossary of Terms spelled out as the Department of Correction. Looking up DOC in Table 1 you see DOC listed under the Executive Office of Public Safety. Looking through the section on the Executive Office of Public Safety in Table 3 indicates that the Bay State Correctional Center is located in Norfolk, and that its 18 improvements are located on 25 acres of land. A list of the improvement and building names for this facility is available in Table 4 under the municipality of Norfolk.

### **If you know the City or Town where the facility is located, but not the managing Agency -**

See Table 4, Buildings, Improvements and Land at State Facilities by Municipality. Table 4 will also show other facilities in the Municipality that are managed by other State Agencies.

### **To find out what facilities (sites) are managed by the same Agency statewide -**

See Table 3, where facility detailed information on Agencies is located. For example, under Environmental Affairs you will see that DCR (the Department of Conservation and Recreation) is the managing Agency of the Henry Graf Skating Rink in Newburyport. In this table you will see all other properties managed by DCR. To find more details about the Henry Graf Skating Rink go to Newburyport in Table 4. Here you will see the Skating Rink is 29,614 gross square feet. The rink together with the other improvements occupies a site of 6.9 acres.

### **To determine the geographic distribution of state-owned property -**

See Table 2, Summary of Commonwealth-Owned Real Property by County.

### **If you want to compare how the properties are allocated between Executive Offices -**

See Table 1, Summary of Commonwealth-Owned Real Property by Executive Office.

## **USING THE APPENDICES**

**Appendix IV** describes the **Data Sources** used to prepare this report.

See the **Glossary of Terms** in **Appendix V** for an explanation of all State Agency Codes as well as any other abbreviations used in this report. This Appendix also defines technical terms used both in collecting data and in generating the report.

**Appendix VI: Municipality Associated Counties Index Key** will help you find which county a municipality is located in.

**For comments or questions about this report or any state-owned property, please contact us.**

Division of Capital Asset Management & Maintenance, Office of Finance and Administration, One Ashburton Place, Boston, MA 02108 (617-727-4050).

# Table 1

## Summary of Commonwealth-Owned Real Property by Executive Office

Total land acreage, buildings (number and square footage – including vacant/inactive buildings), improvements (number and area)

Includes state and higher education authority-owned land and buildings (MSCBA, UMBA) listed in the CAMIS inventory\*

---

\***Appendix I** presents a version of this Table that *excludes* these Authority-owned land and buildings.

Note: Most of the authority-owned buildings are listed in this table with their respective campus under the Executive Office of Education. These are MSCBA and UMBA-owned buildings sited on state-owned land.

There are 25 additional authority-owned buildings however, located on authority-owned parcels. These are listed separately on page 2 of this table under sub-heading “Independent Authorities and Quasi-public Agencies.”

This page was intentionally left blank.

## Comonwealth Active Lease Agreements - Summary by Secretariat

Data as of February 1, 2020

Secretariat	No. of Lease Agreements	USF
Department of Transportation, Massachusetts	24	243,869
Administration and Finance, Exec. Office of	16	449,052
Education, Exec. Office of	52	993,807
Energy and Environmental Affairs, Exec. Office of	31	394,695
Health and Human Services, Exec. Office of	155	2,405,663
Housing and Economic Development., Exec. Office of	8	117,191
Labor & Workforce Development, Exec. Office of	8	81,042
Public Safety & Security, Exec. Office of	34	280,429
Sheriff's Departments	20	171,966
Independent Commissions	13	122,997
Judiciary	76	1,364,274
Governor's Office	1	757
District Attorney Offices	20	357,089
Constitutional Officers		
Attorney General	3	22,191
Secretary of State	6	90,046
State Auditor	4	26,102
Treasurer	12	219,712
<b>Grand Total</b>	<b>483</b>	<b>7,340,882</b>

Note: This chart does not include counts or area of agreements whose addresses are not a public record. This chart does not include the area attributable to parking spaces and boat docks that are the subject of an active agreement (although the agreements are counted). The chart counts each user agency signatory to an agreement and each address associated with an agreement, with the result the agreement count exceeds the number of executed agreements. The chart includes third-party licenses as well as leases.

USF = usable square feet

## Appendix IV: DATA SOURCES

---

In the late 1980's, the Massachusetts Asset Management System (MAssets) staff collected data from all 351 municipalities across the Commonwealth and from state agencies reporting their land and building holdings. In 1999 pursuant to legislative authorization, DCAMM initiated the Capital Asset Management Information System (CAMIS). Through this program DCAMM conducted a comprehensive condition assessment of the state's capital assets and procured software to manage the collected data. In 2015 the MAssets data was merged into the CAMIS database.

Now, through its office of Finance and Administration, DCAMM has implemented the CAMIS program to both assist facilities in their daily maintenance activities and to provide data for DCAMM staff to optimize statewide capital maintenance and repair planning, and to track state land and building assets. CAMIS staff consult with facilities' staff throughout the state to update information about their buildings and improvements. And we consult with assessors of cities and towns statewide to verify information about parcels in their municipalities, and with various state agencies to confirm their land holdings and update any change in status.

DCAMM's Office of Real Estate Management (OREM) manages the purchase and sale of real property for the majority of Commonwealth agencies. OREM works with the CAMIS team and DCAMM's Office of General Counsel to ensure that each acquisition and disposition of land and buildings is logged into the Commonwealth portfolio of real property. They also report on telecom leases on state property, easements, land swaps, and care & control agreements between agencies.

The Office of Leasing maintains information on properties leased on behalf of Commonwealth agencies. The information contained in the Leasing database is constantly changing, based on the commencement and expiration, as well as the terms, of each agreement. The Leasing Office diligently seeks the most appropriate and inexpensive rental space available to suit each agency's needs and records information on each agreement in their database as each transaction is completed.

The information in the Real Property database is dynamic. This RPR publication is therefore a comprehensive annual snapshot of the existing portfolio. Due to the tremendous volume of land and building data gathered over decades, DCAMM and its agency partners are constantly reviewing CAMIS data to ensure accuracy and making changes to the data when warranted.

Reporting on the Commonwealth's Real Property is in accordance with the requirements of Chapter 7C, Section 39.
