## The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act relative to dental anesthesia.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:* 

1	SECTION 1. Chapter 32A of the General Laws is hereby amended by inserting after
2	section 17O, as inserted by chapter 233 of the acts 2016, the following section:-
3	Section 17P. Any coverage offered by the commission to an active or retired employee of
4	the commonwealth insured under the group insurance commission shall provide coverage for the
5	hospital or ambulatory center charges and administration of general anesthesia administered by a
6	licensed anesthesiologist or certified registered nurse anesthetist for dental procedures performed
7	on a covered person who is: (i) a child seven years of age or younger who is determined by a
8	licensed dentist to be unable to receive needed dental treatment in an outpatient setting, and the
9	provider treating the patient certifies that due to the patient's age and the patient's condition,
10	hospitalization or general anesthesia in a hospital or ambulatory surgical center is required in
11	order to perform significantly complex dental procedures safely and effectively; (ii) a child 12
12	years of age or younger with documented phobias or a documented mental illness, as determined
13	by a physician or by a licensed mental health professional, whose dental needs are sufficiently

14 complex and urgent that delaying or deferring treatment may result in infection or loss of teeth;
15 for whom a successful result cannot be expected from dental care provider under local
16 anesthesia; and for whom a superior result can be expected from dental care provided under
17 general anesthesia; or (iii) a person who has exceptional medical circumstances or a development
18 disability, as determined by a licensed physician which places the person at serious risk.

19 The coverage required by this section may be subject to prior authorization for general 20 anesthesia and associated hospital or ambulatory surgical center charges for dental care in the 21 same manner that prior authorization is required for these benefits in connection with other 22 covered medical care.

The coverage required by this section may be restricted to dental care that is provided by: (i) fully accredited specialist in pediatric dentistry; (ii) a fully accredited specialist in oral and maxillofacial surgery; and (iii) a dentist to whom hospital privileges have been granted.

Nothing in this section shall require coverage for the dental procedures or other dental care for which general anesthesia is provided; and provided, that coverage shall be subject to annual deductible, co-payment, or co-insurance requirements, and any other general exclusions of a health insurance policy to the same extent as other medical services covered by the policy.

30 SECTION 2. Chapter 118E of the General Laws is hereby amended by inserting after
31 section 10J, as inserted by chapter 233 of the acts 2016, the following section:-

32 Section 10K. The division shall provide coverage for the hospital or ambulatory center 33 charges and administration of general anesthesia administered by a licensed anesthesiologist or 34 certified registered nurse anesthetist for dental procedures performed on a covered person who 35 is: (i) a child seven years of age or younger who is determined by a licensed dentist to be unable

36 to receive needed dental treatment in an outpatient setting, and the provider treating the patient 37 certifies that due to the patient's age and the patient's condition, hospitalization or general anesthesia in a hospital or ambulatory surgical center is required in order to perform significantly 38 39 complex dental procedures safely and effectively; (ii) a child 12 years of age or younger with 40 documented phobias or a documented mental illness, as determined by a physician or by a 41 licensed mental health professional, whose dental needs are sufficiently complex and urgent that 42 delaying or deferring treatment may result in infection or loss of teeth; for whom a successful 43 result cannot be expected from dental care provider under local anesthesia; and for whom a 44 superior result can be expected from dental care provided under general anesthesia; or (iii) a 45 person who has exceptional medical circumstances or a development disability, as determined by 46 a licensed physician which places the person at serious risk.

The coverage required by this section may be subject to prior authorization for general anesthesia and associated hospital or ambulatory surgical center charges for dental care in the same manner that prior authorization is required for these benefits in connection with other covered medical care.

51 The coverage required by this section may be restricted to dental care that is provided by: 52 (i) fully accredited specialist in pediatric dentistry; (ii) a fully accredited specialist in oral and 53 maxillofacial surgery; and (iii) a dentist to whom hospital privileges have been granted.

Nothing in this section shall require coverage for the dental procedures or other dental care for which general anesthesia is provided; and provided, that coverage shall be subject to annual deductible, co-payment, or co-insurance requirements, and any other general exclusions of a health insurance policy to the same extent as other medical services covered by the policy.

58 SECTION 3. Chapter 175 of the General Laws is hereby amended by inserting after
59 section 47II, as inserted by chapter 233 of the acts 2016, the following section:-

60 Section 47JJ. A policy, contract, agreement, plan or certificate of insurance issued, 61 delivered or renewed within the commonwealth that provides medical expense coverage shall 62 provide coverage for the hospital or ambulatory center charges and administration of general 63 anesthesia administered by a licensed anesthesiologist or certified registered nurse anesthetist for 64 dental procedures performed on a covered person who is: (i) a child seven years of age or 65 younger who is determined by a licensed dentist to be unable to receive needed dental treatment 66 in an outpatient setting, and the provider treating the patient certifies that due to the patient's age 67 and the patient's condition, hospitalization or general anesthesia in a hospital or ambulatory 68 surgical center is required in order to perform significantly complex dental procedures safely and 69 effectively; (ii) a child 12 years of age or younger with documented phobias or a documented 70 mental illness, as determined by a physician or by a licensed mental health professional, whose 71 dental needs are sufficiently complex and urgent that delaying or deferring treatment may result 72 in infection or loss of teeth; for whom a successful result cannot be expected from dental care 73 provider under local anesthesia; and for whom a superior result can be expected from dental care 74 provided under general anesthesia; or (iii) a person who has exceptional medical circumstances 75 or a development disability, as determined by a licensed physician which places the person at 76 serious risk.

The coverage required by this section may be subject to prior authorization for general anesthesia and associated hospital or ambulatory surgical center charges for dental care in the same manner that prior authorization is required for these benefits in connection with other covered medical care.

81	The coverage required by this section may be restricted to dental care that is provided by:
82	(i) fully accredited specialist in pediatric dentistry; (ii) a fully accredited specialist in oral and
83	maxillofacial surgery; and (iii) a dentist to whom hospital privileges have been granted.
84	Nothing in this section shall require coverage for the dental procedures or other dental
85	care for which general anesthesia is provided; and provided, that coverage shall be subject to
86	annual deductible, co-payment, or co-insurance requirements, and any other general exclusions
87	of a health insurance policy to the same extent as other medical services covered by the policy.
88	SECTION 4. Chapter 176A of the General Laws is hereby amended by inserting after
89	section 8KK, as inserted by chapter 233 of the acts 2016, the following section:-
90	Section 8LL. A contract between a subscriber and the corporation under an individual or
91	group hospital service plan that is delivered, issued or renewed within the commonwealth shall
92	provide coverage for the hospital or ambulatory center charges and administration of general
93	anesthesia administered by a licensed anesthesiologist or certified registered nurse anesthetist for
94	dental procedures performed on a covered person who is: (i) a child seven years of age or
95	younger who is determined by a licensed dentist to be unable to receive needed dental treatment
96	in an outpatient setting, and the provider treating the patient certifies that due to the patient's age
97	and the patient's condition, hospitalization or general anesthesia in a hospital or ambulatory
98	surgical center is required in order to perform significantly complex dental procedures safely and
99	effectively; (ii) a child 12 years of age or younger with documented phobias or a documented
100	mental illness, as determined by a physician or by a licensed mental health professional, whose
101	dental needs are sufficiently complex and urgent that delaying or deferring treatment may result
102	in infection or loss of teeth; for whom a successful result cannot be expected from dental care

provider under local anesthesia; and for whom a superior result can be expected from dental care provided under general anesthesia; or (iii) a person who has exceptional medical circumstances or a development disability, as determined by a licensed physician which places the person at serious risk.

107 The coverage required by this section may be subject to prior authorization for general 108 anesthesia and associated hospital or ambulatory surgical center charges for dental care in the 109 same manner that prior authorization is required for these benefits in connection with other 110 covered medical care.

111 The coverage required by this section may be restricted to dental care that is provided by: 112 (i) fully accredited specialist in pediatric dentistry; (ii) a fully accredited specialist in oral and 113 maxillofacial surgery; and (iii) a dentist to whom hospital privileges have been granted.

114 Nothing in this section shall require coverage for the dental procedures or other dental 115 care for which general anesthesia is provided; and provided, that coverage shall be subject to 116 annual deductible, co-payment, or co-insurance requirements, and any other general exclusions 117 of a health insurance policy to the same extent as other medical services covered by the policy.

SECTION 5. Chapter 176B of the General Laws is hereby amended by inserting after
section 4KK, as inserted by chapter 233 of the acts 2016, the following section:-

Section 4LL. A subscription certificate under an individual or group medical service agreement delivered, issued or renewed within the commonwealth shall provide coverage for the hospital or ambulatory center charges and administration of general anesthesia administered by a licensed anesthesiologist or certified registered nurse anesthetist for dental procedures performed on a covered person who is: (i) a child seven years of age or younger who is determined by a
