The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act to enhance enforcement against unlicensed marijuana operators.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 64N of the General Laws is hereby amended by inserting after
2 section 5 the following section:-

3 Section 6. Multi-Agency Illicit Marijuana Task Force.

4 (a) There shall be a multi-agency illicit marijuana task force, the purpose of which shall
5 include, but not be limited to, coordinating efforts to combat illicit marijuana cultivation,
6 processing, manufacturing and distribution. The task force shall seek to foster compliance with
7 the state’s marijuana licensing and taxation laws in order to maximize state and local tax
8 revenues and ensure appropriate public health and public safety protections, including, but not
9 limited to, reducing youth usage rates. The task force shall support, coordinate, and conduct
10 targeted investigations and enforcement actions against illicit marijuana operators. The task force

11 shall be co-chaired by the commissioner of revenue or a designee and the colonel of the state
12 police or a designee and shall also consist of: the attorney general or a designee; executive
13 director of the cannabis control commission or a designee, the state treasurer or a designee; the
14 commissioner of public health or a designee; the commissioner of agriculture or a designee; and
15 two municipal chiefs of police appointed by the governor.

16 (b) The task force shall:

17 (i) accept referrals of potential investigative interest from state and municipal law
18 enforcement, the department of public health, the department of agriculture, local boards of
19 health, other state and municipal agencies and the general public;

20 (ii) facilitate timely information sharing among state agencies in order to advise or refer
21 matters of potential investigative interest;

22 (iii) identify where illicit marijuana cultivation, processing, manufacturing, and
23 distribution is most prevalent and target task force members' investigative and enforcement
24 resources against such illicit marijuana operators, including through the formation of joint
25 investigative and enforcement teams;

26 (iv) assess existing investigative and enforcement methods in the commonwealth and in
27 other jurisdictions in order to develop and recommend strategies to improve such methods;

28 (v) solicit the cooperation and participation of other relevant enforcement agencies and
29 establish procedures for referring cases to prosecuting authorities as appropriate; and

30 (vi) provide reports of affirmative investigative findings to the department of revenue for
31 the purpose of directing the commissioner of revenue to levy a forgone revenue tax assessment

32 in accordance with chapter 64O on illegal marijuana operators. At a minimum, such reports shall
33 include a summary of investigative findings, the total estimated forgone revenue numerically
34 expressed as the total aggregated percentage of all taxes established by chapter 64N multiplied
35 by the total value of the identified marijuana or marijuana products illegally cultivated,
36 processed, manufactured or distributed, and any other information necessary for the
37 commissioner of revenue to levy a forgone revenue tax assessment in accordance with chapter
38 64O. The total value of the identified marijuana or marijuana products illegally cultivated,
39 processed, manufactured or distributed shall be determined using the median sales price, as
40 defined in section 1 of chapter 64H, of all of equivalent marijuana or marijuana products sold by
41 marijuana retail establishments licensed under chapter 94G.

42 (c) The task force shall meet at times and places to be determined by the co-chairs and
43 may establish working groups, meetings, forums or any other activity deemed necessary to carry
44 out its mandate. Due to the sensitive, investigative nature of the task force's work, meetings of
45 the task force shall not be subject to chapter 30A, and all materials other than the Task Force's
46 annual report required by subsection (d) shall not, unless otherwise determined by the co-chairs
47 be considered a public record as defined by clause Twenty-sixth of section 7 of chapter 4.

48 (d) The task force shall submit a report not later than March 1 of each year on the results
49 of its findings, activities and recommendations from the preceding year with the clerks of the
50 senate and house of representatives, the chairs of the joint committee on revenue, the chairs of
51 the senate and house committees on ways and means, the chairs of the joint committee on
52 marijuana policy, and the chairs of the joint committee on public safety and homeland security.
53 The annual report shall include, but not be limited to: (i) a description of the task force's efforts
54 and activities during the previous year; (ii) identification of any administrative or legal barriers,

55 including any barriers to multi-agency action or enforcement efforts; (iii) the total of forgone
56 revenue tax assessments levied by the commissioner of revenue in the previous year; (iv) the
57 total revenue received by the commonwealth as a result of forgone revenue tax assessments in
58 the previous fiscal year; and (v) proposed legislative or regulatory changes necessary to
59 strengthen operations and enforcement efforts and reduce or eliminate any impediments to such
60 efforts.

75 “Interest”, interest on past-due forgone tax revenue assessments will be assessed at a
76 monthly rate of .5%. Interest will be computed on the total forgone tax revenue assessment owed
77 on the assessment date. In the event that the commissioner makes an adjustment of the total
78 forgone tax revenue assessment owed after the assessment date, the commissioner shall reassess
79 the interest based on the adjustment in the amount of forgone tax revenue assessment owed.
80 Interest will not be assessed on interest or penalties.

81 "Marijuana," "Marijuana establishment," and "Marijuana product", as defined in section 1
82 of chapter 94G.

85 owed on the assessment date. In the event that the commissioner makes an adjustment of the
86 total forgone tax revenue assessment owed after the assessment date, the commissioner shall
87 reassess the penalties based on the adjustment in the amount of forgone tax revenue assessment
88 owed. Penalties will not be assessed on interest or penalties.

104 assessed monthly. Not less than annually, the commissioner shall notify the illegal marijuana
105 operator of interest and penalties owed on past-due forgone tax revenue assessments.

106 (b) No enforcement action taken under this section shall be construed to limit any other
107 criminal or civil liability of any illegal marijuana operator.
