*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 3 of chapter 94G of the General Laws, as appearing in the 2018

3 the following subsection:-

4           (d) (1) A marijuana establishment or a medical marijuana treatment center, as defined in  
5 section 1 of chapter 94I, seeking to operate or continue to operate in a municipality which  
6 permits such operation shall execute an agreement with the host community setting forth the  
7 conditions to have a marijuana establishment or medical marijuana treatment center located  
8 within the host community which shall include, but not be limited to, all stipulations of  
9 responsibilities between the host community and the marijuana establishment or medical  
10 marijuana treatment center.

11           (2) An agreement between a marijuana establishment or a medical marijuana treatment  
12 center and a host community may include a community impact fee for the host community;

13 provided, however, that the community impact fee shall be reasonably related to the costs  
14 imposed upon the municipality by the operation of the marijuana establishment or medical  
15 marijuana treatment center and shall not amount to more than 3 per cent of the gross sales of the  
16 marijuana establishment or medical marijuana treatment center or be effective for longer than  
17 one 5 year term; provided, however, that the 5 years shall commence on the date the marijuana  
18 establishment or medical marijuana treatment center commences operation of business. The  
19 community impact fee shall encompass all payments and obligations, including, but not limited  
20 to, monetary payments, in kind contributions and charitable contributions by the marijuana  
21 establishment or medical marijuana treatment center to the municipality or any other  
22 organization pursuant to negotiations with the host community. Any other contractual financial  
23 obligation that is explicitly or implicitly a factor considered in or is a condition of an agreement  
24 shall not be enforceable; provided, however, that nothing shall preclude, nor require, a marijuana  
25 establishment or a medical marijuana treatment center from voluntarily providing organizations  
26 with in-kind contributions and charitable contributions after the execution of the host agreement.

27 (3) Terms and conditions related to the community impact fee shall be severable. If a  
28 term or condition related to the community impact fee is invalidated by the commission, all  
29 remaining provisions of the agreement shall remain in full force and effect. No applicant,  
30 licensee, or holder of a provisional or final certificate of registration shall be denied a license,
