HOUSE No. 185

By Ms. Barber of Somerville, a petition (accompanied by bill, House, No. 185) of Christine P. Barber that the Executive Office of Health and Human Services evaluate the impact of governmental services on children and families. Children, Families and Persons with Disabilities.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act requiring the evaluation of governmental services on children and families of the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 6A of the General Laws is hereby amended by adding after section 16BB the
2 following section:-

3 Section 16CC Notwithstanding any general or special law to the contrary, the executive
4 office of health and human services shall conduct an evaluation and study, and issue an annual
5 report concerning the impact of government funded programs and services on children and
6 families of the commonwealth. The study shall measure the outcomes of such programs and
7 services on children and families on short, intermediate and long term outcomes, and shall
8 distinguish the effects by race, ethnicity, gender, region, and income to the extent possible.

9 The children and families programs and services to be evaluated shall include, but not be
10 limited to: MassHealth, home visiting, the Title V/Maternal and Child Health Program, early
11 intervention services, child welfare services, child care and early education services, elementary

12 and secondary education, youth services, department of mental health services, department of
13 housing and community services, Women, Infants and Children programs, Supplemental
14 Nutrition Assistance programs, Low Income Home Energy Assistance Programs, and
15 Transitional Aid to Families with Dependent Children.

16 For the purposes of this section, outcomes shall include but not be limited to:

17 Short term: access to and use of health care services, including, but not limited to,
18 primary care, specialty health care, behavioral health care, chronic health services, substance use
19 services, community and school health services, and hospitalizations, including emergency
20 department services;

21 Intermediate term: school attendance, school readiness, age appropriate school
22 achievement (reading, mathematics), foster care placement, and such other outcomes as deemed
23 appropriate and necessary.

24 Long term: High school graduation, associates' and bachelors' degree achievement;
25 criminal justice involvement; substance use disorder; early childbearing and pregnancy
26 outcomes; adult health (e.g., high blood pressure, diabetes, heart disease, obesity), and health
27 care use (hospitalization, emergency department use); disability and disability benefits;
28 employment; income and tax payments; receipt of public benefits beyond age 18 including
29 Transitional Aid to Families with Dependent Children, Supplemental Nutrition Assistance
30 program, housing choice vouchers; and other outcomes as deemed appropriate and necessary.

31 The executive office in consultation with the relevant agencies may request and be
32 provided such information and data necessary to evaluate and study such government programs
33 and services to enable the executive office to issue the annual report. In the course of its study

34 and evaluation the executive office shall maintain ongoing data capacity from the department of
35 public health (birth certificate, early intervention, home visiting), MassHealth, center for health
36 information analysis, department of housing and community development, office of child
37 advocate, department of children and families, office of the trial court, department of corrections,
38 department of youth services, department of elementary and secondary education, department of
39 mental health, department of labor, and such other departments, agencies and offices necessary
40 to create such reports.

41 The report shall be filed with the clerks of the house of representatives and senate, the
42 house and senate chairs of the joint committee on children, families and persons with disabilities,
43 joint committee on mental health and substance abuse, the joint committee on public health, the
44 joint committee on health care financing and the house and senate committees on ways and
45 means.

46 Notwithstanding any general or special law to the contrary, the executive office may
47 contract with a non-profit or educational entity to conduct data analytics on the data set
48 generated in the examination, provided that the executive office shall implement appropriate
49 privacy safeguards.
