—————

An Act requiring automatic external defibrillators in Norfolk County public buildings.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 34 of the General Laws is hereby amended by inserting after
2 section 3, the following section:

3 Section 3B. A public building, under the direct supervision of the Norfolk County
4 Commissioners, shall have on the premises at least 1 automatic external defibrillator (AED),
5 subject to the provisions of section 12V½ of chapter 112, and shall have in attendance during
6 staffed business hours at least 1 employee or authorized volunteer as an AED provider, as
7 defined in section 12V½ of chapter 112.

8 The Norfolk County Commissioners shall ensure the functionality and quantity of AEDs
9 in each public building under their direct supervision.

10 Any person, whose usual and regular duties do not include the provision of emergency
11 medical care, and who, in good faith, attempts to render emergency care, including but not
12 limited to, cardiopulmonary resuscitation or defibrillation, and does so without compensation,
13 shall not be liable for acts or omissions, other than gross negligence or willful or wanton
14 misconduct, resulting from the attempt to render such emergency care.
