An Act relative to explosive bonds.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 148 of the General Laws, as appearing in the 2018 Official
2 Edition, is hereby amended by striking sections 19 to 20B, inclusive, and inserting in place
3 thereof the following sections:-

4 “Section 19. No person shall conduct blasting operations unless such person has applied
5 for and obtained a certificate of competency issued by the marshal. Any person wishing to
6 obtain said certificate shall make application on a form approved by the marshal. A fee set
7 annually by the secretary of administration and finance, pursuant to section 3B of chapter 7, shall
8 accompany said application. The fee shall cover the costs of the application and certificate if
9 issued. No portion of said fee shall be refundable. Upon receipt of said application and fee, the
10 marshal shall arrange for the applicant to be examined as to the applicant’s experience and
11 ability to conduct blasting operations. If the applicant is found to be qualified, said applicant
12 shall forthwith be issued a certificate of competency. Said certificate shall be valid throughout
13 the commonwealth for a period not to exceed 24 months from the date of issue. Once issued,

14 said certificate may be renewed after its expiration and without examination, upon payment of a
15 fee as determined by the secretary of administration and finance. However, no certificate may be
16 renewed without examination and fee if said certificate has been in effect in excess of 7 years
17 from the date of original issue. The holder of a certificate of competency whose certificate is
18 lost, misplaced or stolen may obtain a duplicate certificate from the marshal upon payment of a

21 said person has applied for and been issued an explosive user's certificate issued by the marshal
22 and in accordance with the rules and regulations of the board of fire prevention regulations.

23 No explosive user's certificate shall be issued without the applicant having first obtained

29 the blasting of rock or keeping of explosives. As a continuing condition of maintaining a valid
30 explosive user's certificate, the insurance policy shall be maintained by the holder and kept in
31 force at all times. In the event the required insurance is terminated or expires, the explosive
32 user's certificate will become void until full coverage is restored.

33 The insurance policy shall be issued by an insurance company authorized to do business
34 in the commonwealth. Each insurance policy shall provide for at least a 30 day notice by
35 certified mail to the marshal as a condition of the policy, of any material change, cancellation or

36 expiration of the policy. The insurance policy shall be in effect for a minimum of one year from
37 the date of the issuance of the explosive user's certificate. The city or town where the blasting is
38 to be done shall be named as additional insureds under the insurance policy.”.
