Resolutions calling on Article V of the United States Constitution for the convening of a convention of the states.

1           WHEREAS, Executive Orders by the President of the United States have become a  
2 vehicle through which the President may overstep the limits of his constitutional authority; and

3           WHEREAS, the concentration of power at the federal level has had the effect of making  
4 federal officials less responsive to the will of the people and more readily influenced by  
5 lobbyists, wealthy corporations, and special interests in Washington, D.C.; and

6           WHEREAS, much of federal law is now enacted by federal bureaucrats who were never  
7 chosen by the people and have no accountability to the people whatsoever; and

8           WHEREAS, policy decisions made at the state level tend to be more responsive to the  
9 needs and desires of the people; and

10           WHEREAS, the federal government has created a crushing national debt through  
11 improper and imprudent spending; and

12           WHEREAS, the federal government has invaded the legitimate roles of the states through  
13 the manipulative process of federal mandates, most of which are unfunded to a great extent; and

14           WHEREAS, the States have the ability to restore the responsiveness of government to the  
15 people and to restrain abuses of federal power by proposing Amendments to the Constitution of  
16 the United States through a limited Convention of States under Article V; therefore be it

17           RESOLVED, that the legislature of the State of Massachusetts hereby applies to  
18 Congress, under the provisions of Article V of the Constitution of the United States, for the  
19 calling of a convention of the states limited to proposing amendments to the Constitution of the  
20 United States that impose fiscal restraints on the federal government, limit the power and  
21 jurisdiction of the federal government, and limit the terms of office for its officials and for  
22 members of Congress; and be it further

23           RESOLVED, that the Secretary of State is hereby directed to transmit copies of this  
24 application to the President and Secretary of the United States Senate and to the Speaker and  
25 Clerk of the United States House of Representatives from this State; also to transmit copies  
26 hereof to the presiding officers of each of the legislative houses in the several States, requesting  
27 their cooperation; and be it further

28           RESOLVED, that this application constitutes a continuing application in accordance with  
29 Article V of the Constitution of the United States until the legislatures of at least two-thirds of  
30 the several states have made applications on the same subject.
