HOUSE No. 4181

By Ms. Malia of Boston, a petition (accompanied by bill, House, No. 4181) of Elizabeth A. Malia relative to authorizing the commissioner of Capital Asset Management and Maintenance to convey a certain parcel of land in the Roxbury section of the city of Boston. State Administration and Regulatory Oversight.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act authorizing the commissioner of Capital Asset Management and Maintenance to convey a certain parcel in the Roxbury section of the city of Boston.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to authorize forthwith the transfer of a certain parcel of land for the purposes of renovating an historic building, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding sections 33 through 37, inclusive, of chapter 7C of the
2 General Laws or any general or special law to the contrary, the commissioner of capital asset
3 management and maintenance may convey property consisting of a certain parcel of land known
4 and numbered 167 Centre street, Boston, and the building thereon known as the Dudley House,
5 to Historic Boston Incorporated, a Massachusetts not-for-profit corporation, for \$1.00. The
6 property contains approximately 0.2777 acres. The exact boundaries of the property may be
7 determined by the commissioner based upon a survey. The property shall be conveyed by deed
8 without warranties or representations by the commonwealth.

9 Notwithstanding any general or special law to the contrary, Historic Boston Incorporated
10 shall be responsible for all costs and expenses of any transaction authorized by this section 1 as
11 determined by the commissioner of capital asset management and maintenance including, but not
12 limited to, the costs of any engineering, surveys, appraisals, title examinations, recording fees
13 and deed preparation related to the conveyance of the property.

14 SECTION 2. If Historic Boston Incorporated does not complete the purchase of the
15 property pursuant to section of this act on or before December 31, 2022, or such time after as
16 agreed to by Historic Boston Incorporated and the commissioner of capital asset management
17 and maintenance, then, notwithstanding sections 33 to 37, inclusive, of chapter 7C of the General
18 Laws or any other general or special law to the contrary, the commissioner of capital asset
19 management and maintenance may sell, lease for a term up to 99 years, including all renewals
20 and extensions, or otherwise grant, convey or transfer to purchasers or lessees an interest in the
21 property or portions thereof, subject to this act and on such terms and conditions as the
22 commissioner of capital asset management and maintenance considers appropriate. The property
23 shall be conveyed by deed without warranties or representations by the commonwealth. In
24 making any such disposition, the commissioner of capital asset management and maintenance
25 shall use appropriate competitive bidding processes and procedures. Not less than 30 days before
26 the date on which bids, proposals or other offers to purchase or lease the property or any portion
27 thereof are due, the commissioner of capital asset management and maintenance shall place a
28 notice in the central register published by the state secretary pursuant to section 20A of chapter 9
29 of the General Laws stating the availability of the property, the nature of the competitive process,
30 including the time, place and manner for the submission of bids and proposals and the opening of
31 the bids or proposals and such other information as the commissioner considers relevant.

32 Notwithstanding any general or special law to the contrary, a purchaser or lessee selected
33 pursuant to this section 2 shall be responsible for all costs and expenses of any transaction
34 authorized by this section 2 as determined by the commissioner of capital asset management and
35 maintenance including, but not limited to, the costs of any engineering, surveys, appraisals, title
36 examinations, recording fees and deed preparation related to the conveyance of the property.
