An Act making appropriations for fiscal year 2022 to provide for supplementing certain existing appropriations and for certain other activities and projects.

Whereas, The deferred operation of this act would tend to defeat its purposes, which are forthwith to make supplemental appropriations for fiscal year 2022 and to make certain changes in law, each of which is immediately necessary to carry out those appropriations or to accomplish other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. To provide for supplementing certain items in the general appropriation act and other appropriation acts for fiscal year 2022, the sums set forth in section 2 are hereby appropriated from the General Fund unless specifically designated otherwise in this act or in those appropriation acts, for the several purposes and subject to the conditions specified in this act or in those appropriation acts, and subject to the laws regulating the disbursement of public funds for the fiscal year ending June 30, 2022. These sums shall be in addition to any amounts previously appropriated and made available for the purposes of those items. These sums shall be made available until June 30, 2023.

further amended by striking out the words “transferred from this item to item 7010-0005” and
inserting in place thereof the following word:- expended.

SECTION 42. Section 70 of said chapter 102 is hereby repealed.
SECTION 43. The first sentence of section 1 of chapter 22 of the acts of 2022 is hereby amended by striking out the word “sum” and inserting in place thereof the word: sums.

SECTION 44. The second sentence of said section 1 of said chapter 22 is hereby amended by striking out the words “This sum” and inserting in place thereof the following words: These sums.

SECTION 44A. Notwithstanding section 33 of chapter 22 of the acts of 2022, the special legislative commission established in section 106 of chapter 227 of the acts of 2020, as amended by section 93 of chapter 24 of the acts of 2021, is hereby revived and continued to April 15, 2022. The special legislative commission shall file its report pursuant to said section 106 of said chapter 227 with the clerks of the house of representatives and the senate, the house and senate committees on ways and means, the joint committee on education and the joint committee on economic development and emerging technologies not later than April 15, 2022.

SECTION 45. (a) As used in this section, the following words shall have the following meanings:

“Alteration”, work required to modify or adjust the interior space arrangement or other physical characteristics of an existing facility so that it may be more effectively utilized for its presently designated functional purpose.

“Commissioner”, the commissioner of capital asset management and maintenance.

“Conversion”, work required to modify or adjust the interior space arrangement or other physical characteristics of an existing facility so that it may be effectively utilized for a new functional purpose.
“Job order”, an agreed upon fixed-price order issued by a public agency to a contractor pursuant to a job order contract, for the contractor's performance of a specific maintenance, repair, alteration, or conversion project consisting solely of tasks, materials and equipment selected from those specified and priced in that job order contract.

“Job order contract”, a contract for the performance of maintenance, repair, alteration and conversion projects, or a subset thereof: (1) that is limited to a specified term; (2) in which the contract specifications consist of technical descriptions of various tasks, materials and equipment at stated unit prices but do not specify the specific projects to be performed by the contractor; (3) which contains a fixed contractor's mark up over the unit prices stated in the specifications; and (4) in accordance with which 1 or more specified state agencies may enter into fixed price job orders with the contractor for the performance of specific projects, consisting solely of combinations of the tasks, materials and equipment specified in the contract, at the unit prices specified therein plus the contractor's mark-up.

“Maintenance”, day-to-day routine, normally recurring, repairs, equipment adjustments and upkeep.

“Repair”, work required to restore a facility or system to a condition in which it may continue to be approximately and effectively used for its designated purpose and anticipated life, or to comply with code requirements, by overhaul, reprocessing, or replacement of constituent parts or materials which have deteriorated by action of the elements or wear and tear in use, or which do not meet code requirements.

(b) Notwithstanding section 46 of chapter 7C of the General Laws, section 44A of chapter 149 of the General Laws, section 39M of chapter 30 of the General Laws or any other
general or special law to the contrary, the commissioner may establish a pilot program for the
use of job order contracts by: (i) higher education facilities subject to control of the department
of higher education; (ii) an agency within the department of correction; and (iii) the division of
capital asset management and maintenance with respect to properties for which it is responsible.

(c) As part of the pilot program, the commissioner may procure contracts for services
related to the creation and use of job order contracts including, without limitation the creation of
task descriptions, specifications and unit prices for use in job order contracts, and agency training
and other services related to such contracts. Such procurement may be conducted in accordance
with the procedures specified in 801 CMR 21.00.

(d) As part of the pilot program, the commissioner may procure job order contracts for
use by: (i) the division of capital asset management and maintenance; (ii) the department of
correction; and (iii) any higher education facilities subject to control of the department of higher
education. These contracts shall be limited to job orders estimated to cost not more than
$100,000 each and shall be procured through the procedures specified in section 39M of chapter
30 of the General Laws except that: (i) the amount of the bid deposit shall be $5,000; (ii)
contractors who are awarded job orders under any job order contract shall be certified by the
division of capital asset management and maintenance for the category of work specified in the
contract; and (iii) the amounts of surety bonds required by the contract may be satisfied with
respect to each particular job order before the commencement of any work under that job order.
The commissioner shall award a job order contract to the eligible and responsible bidder who
offers the lowest mark-up over the base unit prices specified in the contract specifications. Such
job order contracts shall have a maximum term of 2 years.
(e) The authority granted to the commissioner in this section shall expire on January 1, 2027, but any job order contract awarded before that date may be executed and continue in effect for a maximum term, including any extensions or renewals, of 2 years from the date of its execution and delivery.

(f) Annually, not later than June 30, the commissioner shall prepare a report on the projects utilizing job order contracts through the pilot program and submit the report to the chairs of the joint committee on state administration and regulatory oversight. The report shall include an analysis of the cost effectiveness of job order contracting and any other public benefits resulting from job order contracts through the pilot program.

SECTION 46. Notwithstanding any general or special law to the contrary, for fiscal year 2022, the secretary of health and human services, with the written approval of the secretary of administration and finance, may authorize transfers of surplus among items 4000-0320, 4000-0430, 4000-0500, 4000-0601, 4000-0641, 4000-0700, 4000-0875, 4000-0880, 4000-0885, 4000-0940, 4000-0950, 4000-0990, 4000-1400, 4000-1420 and 4000-1426.
