### Section 3.

(a) The fine imposed for a violation issued pursuant to this chapter shall be no more than the amount that the fine would be if a citation for the underlying violation had been issued in accordance with section 2 of chapter 90C of the General Laws. For violations issued pursuant to this chapter, except as provided in section 4, the owner or owners of a vehicle shall be liable for the fine, however, no owner of a vehicle shall be responsible for a violation issued pursuant to this chapter where the operator of the motor vehicle was issued a citation for the underlying violation in accordance with section 2 of chapter 90C of the General Laws. The City may send a written warning to the owner or owners in lieu of enforcement for the purpose of education.

(b) A certificate, or a facsimile thereof, based upon inspection of photographs and data produced by an automated road safety camera system, and sworn to or affirmed by the police department or designee authorized to issue citations for violations of traffic laws and regulations, shall be prima facie evidence of the facts contained therein.

- (c) A violation issued by the City shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall such violation be considered a conviction of a moving violation of the motor vehicle laws for the purpose of determining a surcharge on a motor vehicle premium pursuant to section 113B of chapter 175 of the General Laws.
- (d) The police department shall supervise and coordinate the administration of violations issued in conformance with this chapter. The police department shall have the authority to hire and designate such personnel as may be necessary or contract for such services to implement the provisions of this chapter.

Such notice shall contain, but not be limited to, the following information: a copy of the aforementioned recorded images and other data showing the vehicle in the process of a camera enforceable violation; the registration number and state of issuance of the vehicle; the date, time and location of the violation; the specific camera enforceable violation charged; instructions for payment of the violation; instructions to contest the violation in writing; and instructions to obtain a hearing.
- (f) In the case of a violation involving a motor vehicle registered under the laws of the Commonwealth, a notice of violation shall be mailed within 14 days of the violation to the

address of the registered owner or owners as listed in the records of the registrar of motor vehicles. In the case of any motor vehicle registered under the laws of another state or country, such notice of violation shall be mailed within 21 days of the violation to the address of the registered owner or owners as listed in the records of the official in such state or country having charge of the registration of such motor vehicle. If said address is unavailable, it shall be sufficient for the police department or designee to mail a notice of violation to the official in such state or country having charge of the registration of such motor vehicle.

- (g) A notice of violation shall be sent by first class mail in accordance with subsection (f) and shall include an affidavit form approved by the police department for the purpose of complying with subsection (b). A manual or automatic record of mailing processed by or on behalf of the police department in the ordinary course of business shall be prima facie evidence thereof, and shall be admitted as evidence in any judicial or administrative proceeding, as to the facts contained therein.
- (h) Any owner to whom a notice of violation has been issued shall not be liable for a violation under the provisions of this chapter if: the violation was necessary to allow the passage of an emergency vehicle; the violation was incurred while participating in a funeral procession; the violation was incurred during a period of time in which the motor vehicle was reported to the police department of any state, City or town as having been stolen and had not been recovered prior to the time the violation occurred; the operator of the motor vehicle was operating the motor vehicle under a rental or lease agreement and the owner of the motor vehicle is a rental or leasing company and has complied with the provisions of section 4 of this chapter; the operator of the motor vehicle was issued a citation for the underlying violation in accordance with section

2 of chapter 90C of the General Laws; or, the violation was necessary to comply with any other law or regulation governing the operation of a motor vehicle.

- (i) Any motor vehicle owner to whom a notice of violation has been issued pursuant to this chapter may admit responsibility for such violation and pay the fine provided therein.

  Payment may be made personally or through a duly authorized agent, by appearing before the police department's designee during normal office hours, by mailing or online. Payment by mail shall be made by check, money order or credit card to the police department or City. Payment of the established fine and any applicable penalties shall operate as the final disposition of the violation. Payment by one motor vehicle owner shall operate as the final disposition of the violation as to all other motor vehicle owners of the same motor vehicle for the same violation.
- (j) An owner may contest responsibility for a violation under this chapter in writing by mail or online. The owner shall provide the police department with a signed affidavit in a form approved by the police department, stating: the reason for disputing the violation; the full legal name and address of the owner of the motor vehicle; and the full legal name and address of the operator of the motor vehicle at the time the violation occurred. An owner may include signed statements from witnesses, which include the names and addresses of witnesses, supporting the owner's defense. Within 21 days of receipt, the police department or the hearing officer shall send the decision of the hearing officer, including the reasons for the outcome, by first class mail to the registered owner or owners. If the owner is found responsible for the violation, the owner shall pay the fine in the manner described in (i) within 14 days of the issuance of the decision or request further judicial review pursuant to section 14 of Chapter 30A of the General Laws.

(k) An owner may request a hearing to contest responsibility for a violation. A hearing request shall be made in writing by mail or online. Upon receipt of a hearing request, the police department shall schedule the matter before hearing officer. Said hearing officer may be an employee of the police department of the City or such other person or persons as the police department may designate. Written notice of the date, time and place of said hearing shall be sent by first class mail to each registered owner. The hearing shall be informal, the rules of evidence shall not apply, and the decision of the hearing officer shall be final subject to judicial review as outlined by section 14 of Chapter 30A of the General Laws. Within 21 days of the hearing, the police department or the hearing officer should send the decision of the hearing officer, including the reasons for the outcome, by first class mail to the registered owner or owners. If the owner is found responsible for the violation, the owner shall pay the fine in the manner described in (i) within 14 days of the issuance of the decision or request further judicial review pursuant to section 14 of Chapter 30A of the General Laws.

(l) Unless an owner or owners pay the fine or contest responsibility within 60 days of the violation, the provisions shall apply. If an owner to whom a notice of violation has been issued either fails to pay the fine in said notice in accordance with subsection (i), or is found responsible for the violation and does not pay the fine in accordance with subsection (j) or subsection (k), the police department shall notify the registrar of motor vehicles who shall place the matter on record. Upon receipt of the registrar of five or more of such notices, the registrar shall not issue or renew such owner's motor vehicle registration until after notification from the police department that all fines owed pursuant to this chapter have been paid. It shall be the duty of the police department to notify the registrar forthwith that such case has been so disposed; provided, however, that certified receipt of full and final payment from the police department shall also
