The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act relative to the sale of old metals and vehicle catalytic converters.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to establish forthwith penalties for the unauthorized sale of old metals and catalytic converters, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 266 of the General Laws, as appearing in the 2020 Official Edition, is hereby
2 amended by adding the following section:-

3 Section 148. (a) For the purposes of this section, “automobile” shall mean an automobile
4 as defined in section 1 of chapter 90 and any vehicle that is required under law to have a catalytic
5 converter.

7 a car, which are manufactured separately and used to build or repair cars.

8 (c) For the purposes of this section, “catalytic converter” shall mean an automobile
9 exhaust-system component containing a catalyst that causes conversion of harmful gases

11 harmless products including, but not limited to, water and carbon dioxide.

30 automobile parts in excess of what is required by law.

32 years from the date of the transaction. This paragraph shall not relieve a licensee of any other
33 record retention requirements imposed by law.

73 Violations of this subsection shall be punished by a fine of not less than \$100 nor more
74 than \$500, or by imprisonment for not less than 1 day nor more than 30 days in a jail or house of
75 correction, or a fine of \$2,500.00, or by community service for not more than 10 days. Each day

77 crime.

78 This subsection shall not apply to licensees' acquisitions or purchases of whole motor
79 vehicles.

95 offense. In addition to the fine imposed for this offense, the individual shall be fined \$100 for
96 each additional catalytic converter sold. Additionally, the board may suspend or revoke the
97 license for any violations of the conditions or restrictions imposed upon the issuance of such
98 license, or any rules and regulations governing the conduct of any such licensee, established by
99 the respective municipal licensing board, or by the commonwealth; in addition, such license may
100 be revoked at any time for causes other than those specified above, including violation of the
