4 No person shall install any electrical wiring or fixtures subject to this section without first

or within 5 days after commencing the work giving notice to the inspector of wires appointed

pursuant to the provisions of section 32 of chapter 166. The notice shall be given to the inspector

by: (i) mailing or delivering a permit application form prepared by the board or (ii) completing

an online permit application form prepared by the board. Any person failing to give notice shall

be punished by a fine not exceeding \$500. This section shall be enforced by the inspector of

wires within his jurisdiction and the state examiners of electricians.

Any person installing electrical wiring or fixtures subject to this section shall notify the

inspector of wires in writing or by electronic means upon the completion of the work. The

- inspector of wires shall, within 5 days of such notification, give written or electronic notice of his
- 14 approval or disapproval of the work. A notice of disapproval shall contain specifications of the
- part of the work disapproved, together with a reference to the rule or regulation of the board of
- 16 fire prevention regulations that has been violated.
