An Act providing for diabetes management in schools.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           The last paragraph of section 54B of chapter 71 of the General Laws, as appearing in the  
2 2020 Official Edition, is hereby amended by adding the following 2 sentences:- In the case of a  
3 student who is unable to self-administer a glucose monitoring test or insulin delivery system  
4 pursuant to 105 CMR 210 or any successor regulations, a school nurse or school physician may  
5 delegate authority to administer the test or system to other school personnel or a responsible  
6 adult in a manner consistent with a school nurse’s administration of prescription medication  
7 pursuant to said 105 CMR 210. Glucose monitoring tests and insulin delivery systems may be  
8 administered in a classroom if a school nurse or school physician, in consultation with the  
9 relevant teacher, deems the administration appropriate.
