HOUSE No. 544

By Ms. Balsler of Newton, a petition (accompanied by bill, House, No. 544) of Ruth B. Balsler and others for legislation to require the development of standards for prohibiting or limiting the use of suspension and expulsion in preschools. Education.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act to support healthy development among preschoolers.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 15D of the General Laws shall be amended by inserting, after section 12, the
2 following section: Section 12A. Pursuant to clause (t) of section 2, the department shall develop
3 performance standards for prohibiting or significantly limiting the use of suspension and
4 expulsion in all licensed early education and care programs. The standards shall ensure that
5 expulsion or suspension is only used in extraordinary circumstances where there is a documented
6 assessment that the child’s behavior poses of a serious ongoing threat to the safety of others that
7 cannot be reduced or eliminated by the provision of reasonable program modifications.

8 The standards shall include, but not be limited to:

9 (1) benchmarks and goals for supporting children's social, emotional and behavioral
10 development to include reducing the use of exclusion as a disciplinary tool and for eliminating
11 disparities in the use of suspension and expulsion, and facilitating referrals for children with
12 intensive needs;

13 (2) engagement steps to be taken with the child and parent or guardian prior to
14 suspension or expulsion;

15 (3) requirements for communicating disciplinary policies, including suspension and
16 expulsion policies, to staff, families and community partners;

17 (4) pathways for programs to access technical assistance to support ongoing development
18 of staff and teacher skills for supporting children's social, emotional and behavioral
19 development, reducing disparities and limiting the use of suspension and expulsion; and

20 (5) requirements for assessing and documenting a serious ongoing threat to the safety of
21 others

22 (6) infant and toddler program reporting requirements.
