For the purpose of this section, the term “wages” shall include only that part of remuneration on which the employer is required to make contributions pursuant to section 14. Such excise shall be paid to the commissioner in accordance with the procedures prescribed by the commissioner, and shall be due at the same time as the contributions required pursuant to section 14. The commissioner shall deposit the receipts of such excise into the Federal Loan Interest Fund established in section 14K. Such receipts shall not be subject to the allowable state tax revenue limitations established in chapter 62F. Prior to the depositing of the receipts, the commissioner may deduct all administrative costs incurred as a result of this section, including an amount as determined by the United States Secretary of Labor in accordance with federal cost rules, if applicable.

Except where inconsistent with the terms of this section, the terms and conditions of this chapter which are applicable to the payment of and the collection of contributions pursuant to section 14 shall apply to the payment of and the collection of said excise; provided, however, that said excise shall not be credited to the employer’s account or to the solvency account established pursuant to section 14 except as otherwise provided in section 14K.

The commissioner, after providing not less than 60 days’ written notice to the chairs of the house and senate committees on ways and means and the chairs of the joint committee on labor and workforce development, may adjust the excise rate specified in this section to pay interest required to be paid to the Federal Loan Interest Fund established by section 14K. The
notice shall include, but not be limited to: (i) the proposed adjusted excise rate; (ii) the estimated amount of funds that will be raised by the adjusted excise rate; (iii) the rationale for adjusting the excise rate; (iv) the balance of the Federal Loan Interest Fund established by section 14K; and (v) the estimated amount of interest required to be paid under section 1202(b) of the Social Security Act.

SECTION 6. Said chapter 151A is hereby further amended by striking out section 14K and inserting in place thereof the following section:-

Section 14K. The monies credited to said fund shall be used only for the payment of interest required to be paid under section 1202(b) of the Social Security Act. The monies in said fund shall be continuously available to the commissioner for the payment of said interest without further appropriation and shall not lapse at any time or be transferred to any other fund or account except as provided in this section. On September 30 of each calendar year, the commissioner shall transfer from said fund to the Unemployment Compensation Fund any amounts deposited therein pursuant to section 14J1/2 prior to the immediately preceding 36 month period which have not been expended for the payment of interest. The commissioner shall credit such amounts transferred to the solvency account pursuant to paragraph (1) of subsection (e) of section 14 as of October 1 of said calendar year.
SECTION 7. Paragraph (b) of subsection (1) of section 30A of said chapter 151A, as appearing in section 8 of chapter 201 of the acts of 2020, is hereby amended by striking out subparagraph (2) and inserting in place thereof the following subparagraph:-

(f) It shall be unlawful for any employer to interfere with, restrain, or deny an employee’s ability to take COVID-19 emergency paid sick leave, including, but not limited to, using an employee’s taking of COVID-19 emergency paid sick leave as a negative factor in any employment action such as evaluation, promotion, disciplinary action or termination, or otherwise subjecting an employee to discipline or taking any other adverse action against an employee for the use of COVID-19 emergency paid sick leave.

(g) It shall be unlawful for any employer to take any adverse action against an employee because the employee opposes practices believed to be in violation of this section, or because the employee supports the exercise of rights of another employee under this section, including, but not limited to: (i) filing an action, or instituting or causing to be instituted any proceeding under or related to this section; (ii) providing or intending to provide any information in connection with any inquiry or proceeding related to this section; or (iii) testifying or intending to testify in any inquiry or proceeding related to this section.

(h) Nothing in this section shall be construed to: (i) discourage employers, including the commonwealth, its departments, sub-divisions, quasi-public agencies, and municipality, district, political subdivision or its instrumentalities, from adopting or retaining job-protected paid time off policies that are more generous than policies set out in this section; (ii) diminish or impair the obligation of an employer to comply with any contract, collective bargaining agreement, or any employment benefit program or plan in effect on the effective date of this section that provides to employees greater job-protected paid time off rights than the rights established under this section; or (iii) pre-empt the power of a municipality, district, political subdivision or its instrumentalities, from adopting or retaining job-protected paid time off policies more generous than policies that comply with the requirements of this section.
(i) Notice of this section shall be prepared by the executive office of labor and workforce development, in consultation with the executive office for administration and finance, in English and in other languages required under clause (iii) of subsection (d) of section 62A of chapter 151A of the General Laws, and shall be provided to employers not later than 7 days after the effective date of this section. Employers shall post this notice in a conspicuous location accessible to employees in every establishment where employees with rights under this section work and shall provide a copy to their employees; provided, however, that in cases where the employer does not maintain a physical workplace, or an employee teleworks or performs work through a web-based platform, notification shall be sent via electronic communication or a conspicuous posting in the web-based platform.

(j) The executive office of labor and workforce development, in consultation with the executive office for administration and finance and the executive office of health and human services, shall develop and implement a multilingual outreach program to inform employers, employees and health care providers about the availability of COVID-19 emergency paid sick leave.

(k) The executive office for administration and finance shall issue a report on the COVID-19 emergency paid sick leave program. The report shall include, but not be limited to: (i) aggregate information on the number of employees who were provided COVID-19 emergency paid sick leave; (ii) the reason employees received COVID-19 emergency paid sick leave; (iii) the average amount paid to employees who were provided COVID-19 emergency paid sick leave; (iv) the average length of COVID-19 emergency paid sick leave; (v) the employers who received reimbursements from the COVID-19 Emergency Paid Sick Leave Fund established in section 14; (vi) the average amount of each reimbursement of the employer; and
(vii) the total amount of reimbursements received by each employer. The report shall not include any identifying information of an individual employee. The report shall be filed with the clerks of the house of representatives and the senate and the chairs of the joint committee on labor and workforce development not later than January 1, 2022.

SECTION 16. COVID-19 emergency paid sick leave shall be available to an employee under section 15 until: (i) monies in the COVID-19 Emergency Paid Sick Leave Fund established in section 14 are no longer available; (ii) notification from the executive office for administration and finance to employers that it reasonably anticipates funds will no longer be available for reimbursement; or (iii) September 30, 2021, whichever is first.

SECTION 17. The executive office for administration and finance, or any departments and agencies thereof, may promulgate regulations necessary for the implementation of sections 13 to 16, inclusive.

SECTION 18. Words used in this section and sections 19 to 21, inclusive, shall have the same meaning as in section 1 of chapter 151A of the General Laws; provided, that the following words shall, unless the context clearly requires otherwise, have the following meanings:

“Bond”, any type of special obligation bond, including a bond, note, certificate or other instrument, or series thereof, issued by the commonwealth for the purposes set forth under this act.

“Bond administrative expenses”, expenses incurred to issue and administer bonds authorized under this act, or as otherwise necessary to ensure compliance with applicable federal or state law.
“Federal advances”, loans issued by the federal government to the commonwealth for the payment of compensation under Title XII of the Social Security Act or other federal law.

SECTION 19. (a) When authorized by a vote taken in the manner provided by section 3 of Article LXII of the Amendments to the Constitution of the Commonwealth, the treasurer, upon request of the governor, may issue special obligation bonds in 1 or more series and in principal amounts necessary or estimated to be necessary to:

(i) reduce the amount of, or avoid the need to obtain, a federal advance from the federal government;

(ii) repay federal advances made to the commonwealth from the federal unemployment account for the fiscal years 2020 to 2025, inclusive;

(iii) repay prior years’ interest and other related costs on federal advances for the fiscal years 2020 to 2025, inclusive, to the extent not paid pursuant to section 14J1/2 of chapter 151A of the General Laws;

(iv) fund any reserve account, costs of issuance, capitalized interest, if any, and the initial bond administrative expenses; and

(v) refund outstanding bonds or notes secured by the Special Contribution Unemployment Compensation Trust Fund established by section 21.

(b) The bonds authorized pursuant to this section may be issued by the treasurer upon a request by the governor, and shall state the amount required for the purposes pursuant to subsection (a) and the date or dates upon which such funds are required, and such other matters as the secretary of labor and workforce development and the secretary of administration and

finance shall determine as appropriate under such request, consistent with carrying out the purposes of this section. Such request may be filed with the treasurer only after the secretary of labor and workforce development and the secretary of administration and finance send a letter to the governor recommending the issuance of revenue bonds.

(c) Any such bonds shall be special obligations of the commonwealth payable solely from monies credited to the Special Contribution Unemployment Compensation Trust Fund established in section 21; provided, however, that notwithstanding any general or special law to the contrary, such bonds shall not be general obligations of the commonwealth. Bonds may be issued in such manner and on such terms and conditions as the treasurer may determine in accordance with this subsection and, to the extent not inconsistent with this subsection, the General Laws for the issuance of bonds of the commonwealth. Bonds may be secured by a trust agreement entered into by the treasurer, with the concurrence of the secretary of labor and workforce development and the secretary of administration and finance, on behalf of the commonwealth, which trust agreement may pledge or assign all or any part of the amounts on deposit in the Special Contribution Unemployment Compensation Trust Fund and rights to receive the same, whether existing or coming into existence and whether held or thereafter acquired, and the proceeds thereof. The treasurer may, with the concurrence of the secretary of labor and workforce development and the secretary of administration and finance, enter into additional security, insurance or other forms of credit enhancement, which may be secured on a parity or subordinate basis with the bonds. A pledge in any such trust agreement or credit enhancement agreement shall be valid and binding from the time such pledge shall be made without any physical delivery or further act, and the lien of such pledge shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise, whether such
parties have notice thereof or not. Any such pledge shall be perfected by filing of the trust
agreement or credit enhancement agreement in the records of the treasurer and no filing shall be
required under chapter 106 of the General Laws. Any such trust agreement or credit
enhancement agreement may establish provisions defining defaults and establishing remedies
and other matters relating to the rights and security of the holders of the bonds or other secured
parties as determined by the treasurer, including provisions relating to the establishment of
reserves, the issuance of additional or refunding bonds, whether or not secured on a parity basis,
the application of receipts, monies or funds pledged pursuant to such agreement, the regulation
of the custody, investment and application of monies and such other matters deemed necessary
or desirable by the treasurer for the security of such bonds.

(d) The treasurer may also provide for issuance of temporary notes in anticipation of
bonds, grants, revenues or appropriations. The issuance of the notes shall be governed by this
section relating to the issuance of bonds. The treasurer may also issue refunding bonds for the
purpose of paying any bonds at or before maturity, as provided for and permitted by the terms of
a trust agreement. The principal amount of bonds for the payment or redemption of which, either
at or before maturity, refunding bonds shall have been issued, shall be excluded from the
aggregate principal amount of bonds issued under this chapter for purposes of computing the
limit on outstanding bonds under this section.

(e) Bonds and notes issued by the commonwealth, their transfer and income therefrom,
including any profit made on the sale thereof, shall at all times be free from taxation within the
commonwealth. In connection with the issuance of bonds and notes of the commonwealth which
are intended to qualify for tax exemption under the Internal Revenue Code of 1986, and to
induce the purchase of such bonds and notes, the treasurer may covenant on behalf of the
commonwealth with the purchasers or with the holders from time to time of such bonds or notes or with a trustee or trustees for the benefit of such holders with respect to compliance with the requirements of said Internal Revenue Code relative to such tax exemption, including without limitation compliance with provisions relating to the use of proceeds by private parties, the investment of proceeds and the payment of rebate, so-called, to the federal government. Any such covenant may appear on the bonds or notes or may be included in a separate trust agreement.

(f) In order to increase the marketability of any such bonds or notes issued by the commonwealth, the commonwealth covenants with the purchasers and all subsequent owners and transferees of bonds and notes issued by the treasurer pursuant to this section in consideration of the acceptance of the payment for the bonds and notes, until such bonds and notes, together with the interest thereon, with interest on any unpaid installment of interest and all costs and expenses in connection with any action or proceeding on behalf of such owners, are duly met and discharged or unless expressly permitted or otherwise authorized by the term of each contract and agreement made or entered into by or on behalf of the commonwealth with or for the benefit of such owners: (i) no pledged funds shall be diverted from the Special Contribution Unemployment Compensation Trust Fund; and (ii) so long as the sums are necessary, as determined by the treasurer in accordance with any applicable trust or security agreement or credit enhancement agreement or insurance policy related to bonds or notes issued by the treasurer, for the purposes for which they have been pledged, notwithstanding any general or special law to the contrary, the commonwealth will impose, charge, raise, levy, collect and apply the assessment set forth in section 20 and other revenues, receipts, funds or moneys pledged in an amount sufficient to pay all principal or redemption premium of and interest on the
bonds and notes and any other obligation due relating to such bonds and notes and comply with
the covenants set forth in trust agreement providing for such bonds and notes.

SECTION 20. (a) For any year in which bonds or notes issued pursuant to section 19 are
outstanding, an employer entitled to an experience rating under section 14 of chapter 151A of the
General Laws shall be subject to, shall be assessed, and shall pay an unemployment obligation
assessment.

(b) Annually, the commissioner shall set the unemployment obligation assessment rate an
amount sufficient to ensure timely payment of all of the following:

(i) principal, interest and any redemption premium on the bonds or notes;

(ii) administrative expenses, credit enhancement fees and other fees, if any, in connection
with issuing the bonds or notes;

(iii) all other amounts required to be maintained and paid under the terms of applicable
trust agreements or credit enhancement agreements; and

(iv) amounts necessary to establish the ratings on the obligations that are assigned by a
nationally recognized rating service at a level determined by the treasurer in the treasurer’s sole
discretion.

(c) The rate shall be based on a formula prescribed by rules set forth by the
commissioner, using the employer’s experience rating. The unemployment obligation assessment
rate shall apply to the same wage base to which the employer’s unemployment tax applies for the
applicable period.
(d) Not less than 30 days following the annual setting of the unemployment obligation assessment rate, the commissioner shall provide written notice to the chairs of the house and senate committees on ways and means and the chairs of the joint committee on labor and workforce development. The notice shall include, but not be limited to: (i) the assessment rate; (ii) a description of the formula on which the assessment rate was based; and (iii) the amounts of any outstanding payments associated with bonds issued pursuant to section 19, including the amounts described in clauses (i) through (iv) of subsection (b).

(e) The unemployment obligation assessment shall be due at the same time, collected in the same manner and subject to the same penalties and interest as other contributions assessed under said section 14 of said chapter 151A.

(f) The unemployment obligation assessment shall be credited to the Special Contribution Unemployment Compensation Trust Fund established pursuant to section 21. Receipts from the assessment shall not be subject to the allowable state tax revenue limitations established by chapter 62F of the General Laws.

SECTION 21. (a) There is hereby established on the books of the commonwealth a fund to be known as the Special Contribution Unemployment Compensation Trust Fund. Said fund shall be administered by the secretary of labor and workforce development, with the approval of the secretary of administration and finance.

(b) All costs related to the organization, establishment and operation of the fund and all costs related to the establishment of billing, payment and collection procedures for amounts received from employers in payment of the unemployment obligation assessment established by section 20, to the extent not payable under the trust agreement for bonds issued under section 19,
may be paid from other amounts available under chapter 151A of the General Laws when made available thereunder for such purpose.

(c) Amounts in the fund shall be held by the secretary of labor and workforce development or the secretary’s designee, as trustee and not on account of the commonwealth, exclusively for the purposes set forth in section 19, and the secretary of labor and workforce development shall disburse amounts in the fund to a trustee under a trust agreement as set forth in said section 19, without further appropriation. All amounts in the fund, including investment earnings, shall be available for expenditure for any lawful purpose, including without limitation payment of debt service on bonds or notes issued by the treasurer, and may be pledged to secure special obligation bonds in such manner and according to such priority as set forth in said section 19 or a trust agreement established for such purpose.

(d) In order to increase the marketability of any bonds or notes of the trust which may be secured by or payable from amounts held in the fund, the sums to be credited to the fund are hereby impressed with a trust for the benefit of the trust and the holders from time to time of the bonds or notes, and in consideration of the acceptance of payment for the bonds or notes, the commonwealth covenants with the purchasers and all subsequent holders and transferees of the bonds or notes that while the bond or note shall remain outstanding, and so long as the principal of or interest on the bond or note shall remain unpaid, the sums to be credited to the fund shall not be diverted from the control of the trust and, so long as the sums are necessary, as determined by the treasurer in accordance with any applicable trust or security agreement or credit enhancement agreement or insurance policy related to bonds or notes issued by the treasurer, for the purposes for which they have been pledged, notwithstanding any general or special law to the contrary, the commonwealth will impose, charge, raise, levy, collect and apply the
unemployment obligation assessment set forth in section 20 and other revenues, receipts, funds or moneys pledged in an amount sufficient to pay all principal or redemption premium of and interest on the bonds and notes and any other obligation due relating to such bonds and notes and comply with the covenants set forth in trust agreement providing for such bonds and notes.

SECTION 22. Not later than 10 days after the effective date of this act, the secretary of administration and finance shall direct the comptroller to transfer $75,000,000 from federal funds received by the commonwealth in response to the public health emergency caused by COVID-19, if any, available and consistent with federal funding requirements to the COVID-19 Emergency Paid Sick Leave Fund established in section 14; provided, however, that if the secretary of administration and finance certifies to the comptroller that no such funds are available, the comptroller shall transfer $75,000,000 from the General Fund to said COVID-19 Emergency Paid Sick Leave Fund.

SECTION 23. To meet the expenditures necessary in carrying out section 2, the treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an amount to be specified by the governor from time to time but not exceeding, in an aggregate principal amount, $7,000,000,000. All such bonds issued by the commonwealth shall be designated on their face, the Unemployment Insurance Trust Fund Solvency Act of 2021, and shall be issued for a maximum term of years, not exceeding 30 years, as the governor may recommend to the general court under section 3 of Article LXII of the Amendments to the Constitution of the Commonwealth. All such bonds shall be payable not later than June 30, 2056. All interest and payments on account of principal on these bonds and notes shall be payable from the Special Contribution Unemployment Compensation Trust Fund established pursuant to section 21.

Bonds and interest thereon issued under this section shall, notwithstanding any provision of the
General Laws or this act, be special obligations of the commonwealth payable solely in accordance with the provisions of said section 21. Notwithstanding any general or special law to the contrary, bonds and notes issued under this act and interest thereon shall not be included in the computation of outstanding bonds for purposes of the limit imposed by the second paragraph of section 60A of chapter 29 of the General Laws, nor shall debt service with respect to these bonds and notes be included in the computation of the limit imposed by section 60B of said chapter 29.

SECTION 24. The department of unemployment assistance, in conjunction with the department of revenue, shall establish a public information and education campaign to notify taxpayers of the unemployment insurance tax credit for tax years 2020 and 2021 established by subsection (x) of section 6 of chapter 62 of the General Laws; provided, the campaign shall include: (i) notice of the availability of such unemployment insurance tax credit; (ii) a description of and the eligibility criteria for the tax credit; and (iii) targeted and direct outreach to individuals receiving unemployment compensation in the commonwealth. The department of unemployment assistance and the department of revenue shall publish such information on their respective websites in a conspicuous manner and location, which shall be available in multiple languages as determined by the department of unemployment assistance.

SECTION 25. The department of family and medical leave shall conduct an analysis on the expansion of the family and medical leave program established by chapter 175M of the General Laws to provide coverage for future communicable illnesses related to a public health emergency. Such analysis shall include, but not be limited to: (i) an examination of the costs and benefits of providing coverage under such program, including but not limited to public health and economic benefits; (ii) the impact of providing benefits under such program on other safety
net programs used during the COVID-19 pandemic to provide financial assistance to employees, including but not limited to unemployment insurance; and (iii) the potential impact of providing coverage for communicable illnesses related to a public health emergency on contributions to the Family and Employment Security Trust Fund established in section 7 of chapter 175M of the General Laws. The department shall issue a report with its findings, including any legislative recommendations, if any, to the clerks of the house and the senate and the chairs of the joint committee on labor and workforce development, no later than December 31, 2022.
