HOUSE No. 236

By Representatives Khan of Newton and LeBoeuf of Worcester, a petition (accompanied by bill, House, No. 236) of Kay Khan, David Henry Argosky LeBoeuf and others for legislation to authorize the Department of Children and Families to establish an electronic repository of foster youths educational records. Children, Families and Persons with Disabilities.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court
(2021-2022)

An Act creating an electronic backpack for foster children.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 71 of the General Laws, as appearing in the 2018 Official Edition,
2 is hereby amended by inserting at the end thereof the following section:-

3 Section 98. (a) As used in this section, the following terms shall, unless the context
4 requires otherwise, have the following meanings:-

5 “Department”, shall mean the department of children and families.

6 “Foster child or youth”, shall mean a child under the care or custody of the department of
7 children and families or a young adult who has signed a voluntary placement agreement with the
8 department of children and families.

9 “Electronic backpack”, shall mean an electronic repository of a foster child or youth’s
10 educational records.

(b) Notwithstanding any general or special law to the contrary, the commissioner of the department, in consultation with the office of the child advocate and the commissioner of the department of elementary and secondary education, shall develop and implement an electronic backpack system for the educational stability of foster child or youth.

(c) The department shall create an electronic backpack for each foster child or youth. The department, in conjunction with the department of elementary and secondary education, shall promulgate regulations on the format and function of the electronic backpack system. Each electronic backpack system shall contain, but is not limited to, the educational records of the foster child or youth, including the names and addresses of educational providers, the foster child or youth's grade-level performance, transcript, the foster child or youth's school attendance records, individual education plan if applicable and any other educational information that the department requires. The department shall maintain the electronic backpack as part of the department's records for the foster child or youth as long as the foster child or youth remains in foster care.

(d) The department shall make the electronic backpack available to:

(i) Any person authorized by law to make educational decisions for the foster child or youth;

(ii) The teacher/teachers, school and school district that the child or youth is enrolled in;

(iii) Any person authorized to consent to medical care for the foster child or youth; and

(iv) Any provider of medical care to the foster child or youth if access to the foster child or youth's educational information is necessary for the provision of medical care and is not prohibited by law.

(e) The department shall collaborate with the department of education to develop policies and procedures to ensure that the needs of foster child or youths are met in every school district.

SECTION 2. The department shall implement the electronic backpack program within one year of the passage of this act.
