The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act to further protect constitutional rights by limiting the emergency powers of the Governor.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 639 of the acts of 1950 is hereby amended by inserting after section
2 22 the following section:-

3 Section 23. Nothing in this act grants additional emergency powers to the governor or
4 any other official. State and local officials may issue nonbinding recommendations and
5 guidelines, and they may help coordinate public and private action to prevent or respond to an
6 emergency.

7 The exercise of any emergency power the governor or other official may have under the
8 Massachusetts Constitution and state law that binds or regulates the public are limited as follows:

9 (a) Notwithstanding any other law, emergency orders, decrees, regulations, or other
10 mandates (hereinafter, “orders”) issued by state or local officials that bind, curtail or infringe the
11 rights of private parties must be narrowly tailored to serve a compelling public health or safety

12 purpose. Each order shall be limited in duration, applicability, and scope in order to reduce any
13 infringement of individual liberty.

14 (b) State courts shall have jurisdiction to hear cases challenging the lawfulness of state
15 and local emergency orders, including compliance with this act's limitations on such orders, and
16 the courts shall expedite consideration of such challenges to the extent practicable. Inequality in
17 the applicability or impact of emergency orders on analogous groups, situations, and
18 circumstances may constitute one ground among others for a court to invalidate or enjoin an
19 emergency order, or some of its applications, on the basis that it is not narrowly tailored to serve
20 a compelling public health or safety purpose.

21 (c) To the extent that the Constitution or other law allows officials with state-wide
22 authority to issue emergency orders, only the governor may issue such orders that infringe
23 constitutional rights in a non-trivial manner from the date of this enactment. Constitutional rights
24 include, but are not limited to: the rights to travel, work, assemble, and speak; the freedom of
25 religious exercise; the non-impairment of contract and property rights; freedom from
26 unreasonable searches and seizures; and the freedom to purchase lawful firearms and
27 ammunition. Such state-wide emergency orders are further limited as follows:

28 (1) All such orders shall expire in 30 days unless:

29 (i) The Governor or Legislature by law terminates them earlier; or

30 (ii) The Legislature and Governor enact a bill or resolve into law, pursuant to Mass.
31 Const. part 2, c. 1, § 1, art. 2, extends the order with a different expiration period.

32 Each House of the Legislature may vote to ratify or terminate emergency orders
33 referenced in paragraph 1 by remote debate and electronic or other means as established by each
34 chamber’s rules, or in the absence of such rules, as specified by the presiding officer of each
35 chamber.

36 Without subsequent authorization in law, the governor is barred during the pendency of a
37 given emergency from reissuing any emergency order, or issuing another that is substantially
38 similar to one that expired without legislative approval or that the Legislature rejected, except
39 that the governor may re-impose such order based on significantly changed circumstances for a
40 single period of up to three days if the governor calls upon the Legislature to reconsider the order
41 and the changed circumstances.

42 SECTION 2. Section 2A of Chapter 17 of the General Laws, as appearing in the 2020
43 Official Edition, is hereby amended by striking out the third paragraph and inserting in place
44 thereof the following paragraph:-

45 An emergency detrimental to the public health shall terminate pursuant to the same
46 processes described in Section 23 of Chapter 639 of the acts of 1950. Upon termination of such
47 an emergency, all powers granted to and exercised by the commissioner under this section shall
48 terminate.
