HOUSE No. 258

By Representatives Miranda of Boston and Ramos of Springfield, a petition (accompanied by resolve, House, No. 258) of Liz Miranda and Orlando Ramos relative to establishing a special commission supported by the Department of Health and Human Services to better prepare the Commonwealth for climate change refugees. Children, Families and Persons with Disabilities.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE HOUSE, NO. 4494 OF 2019-2020.]

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court
(2021-2022)

Resolve to better prepare the Commonwealth for climate change refugees.

1 **Resolved**, SECTION 1. (a) The commission for climate refugees is hereby established to
2 evaluate the commonwealth’s coordination with municipalities, school districts, and between
3 departments and agencies of the commonwealth, due to the influx of displaced persons from
4 Puerto Rico following Hurricane Maria and to advise executive agencies and the general court on
5 how to better prepare for the influx and welfare of climate change refugees in the future.
6 “Climate change refugees” shall be defined as individuals who have to leave their domicile due
7 to either sudden on-set disasters or slow on-set degradation of their natural environments related
8 to at least one of the following impacts of climate change: flooding, extreme weather events, sea-
9 level rise, and droughts.

10 (b) The commission shall consist of up to 13 members, including a chair. The secretary of
11 the executive office of health and human services or their designee, the secretary of the executive

office on education or their designee, who shall serve as co-chairs, the undersecretary of the department of housing and community development or their designee, the director of the Massachusetts emergency management agency or their designee, and the commissioner of the department of children and families shall each serve as members on the commission ex officio.

Each of the remaining 8 members shall be appointed by the governor and shall include three members all of whom are superintendents of school districts in municipalities that enrolled climate refugees from Puerto Rico following Hurricane Maria. The remaining four members shall have expertise in one or more of the following areas: public and affordable housing, federal immigration law and regulation, and emergency management. Each member, including the chair, shall serve without compensation and in an advisory capacity until the report referenced in section six is delivered, whereupon the commission shall disband.

(c) The commission shall, at a minimum, investigate the following topics: (i) the commonwealth's coordination and efforts following Hurricane Maria to provide, or assist climate refugees in obtaining adequate housing, healthcare, education, transfer of professional licensure and workforce development training; (ii) which department or agency of the commonwealth should be designated with oversight authority over the coordination and provision of housing, healthcare, education, professional licensure and workforce development to climate change refugees; (iii) sources of funding for housing, healthcare, education, and workforce development of climate change refugees; (iv) enrollment of climate change refugees in primary and secondary school; (v) identify existing legal and regulatory barriers to establishing a lead department or agency, and (vi) developing a policy for the commonwealth's intake of climate change refugees, taking into consideration existing federal immigration laws and regulations, affordable and public housing laws and regulations, and existing laws and

regulations governing public education, healthcare, and welfare benefits, including proposed changes to existing laws and regulations.

(d) The commission may create committees and working groups to inform the commission's investigation of the topics referenced in section three. The commission, its committees and its working groups may procure services, including consulting services, and otherwise involve experts, stakeholders, and members of the public.

(e) The commission shall be supported by staff from the department of health and human services.

(f) The commission shall provide its report and recommendations to the clerks of the senate and the house of representatives on the first anniversary of the date on which the last member has been appointed to the commission.

SECTION 2. This resolve shall take effect upon its passage.
