The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act relative to healthy youth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 71 of the General Laws, as appearing in the 2018 Official Edition,
2 is hereby amended by striking out section 32A and inserting in place thereof the following
3 sections:-

4 Section 32A. A city, town, regional school district, vocational school district or charter
5 school implementing or maintaining a curriculum that primarily involves human sexual
6 education or human sexuality issues shall adopt a written policy ensuring parental or legal
7 guardian notification of the comprehensive sexual health education provided by the school, the
8 right of the parent or legal guardian to withdraw a student from all or part of the instruction, and
9 the notification process to the school for withdrawal. The policy shall also include a process for
10 parents and legal guardians to inspect the program instruction materials prior to the start of the
11 course, if the parent or legal guardian requests to review the materials.

12 To the extent possible, such notification shall be provided in English and in other
13 commonly spoken languages spoken by parents and guardians. Annually, no later than
14 September 1, the policy shall be distributed to parents or guardians of a student in a grade that
15 includes a comprehensive sexual health education curriculum during the upcoming academic
16 year; provided, however, that parents or guardians shall not have less than 30 days notification
17 prior to the start of such instruction. The policy shall be distributed in the same manner as any
18 student handbook that is distributed to students. If student handbooks are not distributed in a
19 certain grade, the policy shall be distributed in the same manner as other notices provided to
20 parents and guardians at the start of the school year. Upon adoption or amendment, a copy of
21 each district’s policy, including the name of the comprehensive sexual health education
22 curriculum being used, shall be sent to the department of elementary and secondary education.

23 If a parent or guardian withdraws a student from all or part of the comprehensive sexual
24 health education curriculum, the student shall not be subject to disciplinary action, academic
25 penalty or any other sanction. An alternative educational activity shall be made available to
26 students who have been withdrawn from instruction.

27 Section 32B. (a) For the purposes of this section, the following terms shall, unless the
28 context clearly requires otherwise, have the following meanings:

29 “Age-appropriate”, topics, messages, and teaching methods suitable to particular ages or
30 age groups of children and adolescents, based on developing cognitive, emotional, social, and
31 behavioral capacity typical for that age or age group.

32 “Department”, the department of elementary and secondary education.

33 “Medically accurate”, supported by peer-reviewed research conducted in compliance
34 with accepted scientific methods and recognized as accurate and objective by leading medical,
35 psychological, psychiatric and public health organizations and agencies and, if relevant,

50 contraceptives and barrier methods; (iv) ways to effectively discuss safe sexual activity; (v)
51 relationship and communication skills to form healthy, respectful relationships free of violence,
52 coercion, and intimidation and to make healthy decisions about relationships and sexuality,
53 including, but not limited to, affirmative, conscious and voluntary consent to engage in physical

60 and media messages.

69 education shall direct the commissioner to review and update the Massachusetts Comprehensive
70 Health Curriculum Framework, including provisions relative to sexual health education
71 consistent with this section, upon the effective date of this act and at least every 10 years

74 amended by inserting after the last paragraph the following:- Beginning the first academic year

77 education in the city, town, district, or charter school by a date and in a format to be determined

78 by the board of elementary and secondary education. Said report shall include, but not be limited
79 to, the following data for each city, town, regional school district, vocational school district, or
80 charter school, by grade level: (1) the name and a description of any sexual health education
81 curricula offered; (2) the approximate number of hours spent on sexual health education; (3) the
82 number of students enrolled in sexual health education; and (4) the number of students who
83 withdrew from sexual health education, pursuant to section 32A.

84 SECTION 3. This act shall take effect for the academic year immediately following its
85 passage.
