

Pension Reserves Investment Management Board

January 29, 2021

Office of the Clerk of the Senate
Office of the Clerk of the House
Office of the Massachusetts Attorney General

Dear Mr. Hurley, Senate Clerk, Mr. James, House Clerk and Ms. Healey, Attorney General:

Per Chapter 151 of the Acts of 2007 of the Massachusetts Session Laws (the Act), the Pension Reserves Investment Management Board (PRIM) is required to annually report PRIM's divestment from Sudan restricted securities. PRIM Staff provides Investment Managers with quarterly lists of restricted securities. The managers are required to divest from said securities according to the timeline laid out in the legislation, which requires that 50% of PRIM's restrictive holdings be divested within 6 months of the security being added to the restriction list and 100% divested within 12 months of the security being added to the restriction list.

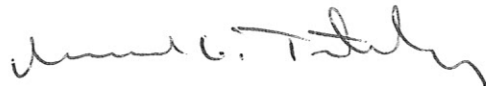

During the calendar year 2020, the following investment was sold in order to comply with subsection (a) of Section 3 of the Act.

Company	Date Added to Restriction List	Restricted Shares Held on Date Added to Restriction List	Restricted Shares at 12/31/2020	Divestment Progress at 12/31/2020
Sinopec Group Overseas	October 1, 2019	2,400,000	0	100%

Per subsection (b) of Section 3 of the Act, PRIM reports that no securities of companies on the scrutinized companies list were acquired in 2020.

Per subsection (d) of Section 3 of the Act, PRIM reports that investment managers with indirect holdings of restricted securities have not removed restricted companies from their funds (except as part of their trading strategy – not because of divestment concerns) nor have these managers created similar actively managed funds which exclude these restricted securities.

Sincerely,

Michael G. Trotsky, CFA
Executive Director and Chief Investment Officer
