1           SECTION 1. Section 2 of chapter 61 of the General Laws, as appearing in the 2016  
2 Official Edition, is hereby amended by striking out the second paragraph and inserting in place  
3 thereof the following paragraph:-

4           When, in the judgment of the assessors, land which is classified as forest land or which is  
5 the subject of an application for such classification is not being managed under a program, is  
6 being used for purposes incompatible with forest production or does not otherwise qualify under  
7 this chapter, the assessors may, not later than February 1 in any year, file an appeal in writing  
8 mailed by certified mail to the state forester requesting a denial of application or, in the case of  
9 classified forest land, requesting removal of the land from such classification. The appeal shall  
10 state the reasons for the request. A copy of the appeal shall be mailed by the assessors by

11 certified mail to the owner of the land. The state forester may initiate, not later than December 1  
12 of any year, a proceeding to remove land from classification, sending notice of the action by  
13 certified mail to the assessors and the owner of the land. The state forester may deny the owner's  
14 application, may withdraw all or part of the land from classification or may grant the application,  
15 imposing terms and conditions that the state forester deems reasonable to carry out this chapter,  
16 and shall notify the assessors and the owner of that decision not later than March 1 of the  
17 following year. If the owner or the assessors are aggrieved by a decision of the state forester they  
18 may, not later than June 15, give notice to the state forester of a claim of appeal. Not later than  
19 30 days after receipt of a notice of appeal, the state forester shall convene a panel in the region in  
20 which the land is located. The panel shall consist of 3 members, 1 of whom shall be named by  
21 the state forester, 1 of whom shall be named by the assessors and 1 of whom shall be named by  
22 the state forester and the assessors. The panel shall give notice of the date, time and place of the  
23 hearing in writing to the parties not less than 7 days before the date of that hearing. The panel  
24 shall furnish the parties, in writing, with a notice of its decision not later than 10 days after the  
25 adjournment of the hearing. Decisions of the panel shall be by majority vote of its members. If  
26 the owner or the assessors are aggrieved by a decision of the panel, they may, not more than 45  
27 days after receipt of the decision, petition either the superior court in the county in which the  
28 land is located for a review of the decision, pursuant to chapter 30A, or the appellate tax board,  
29 pursuant to chapter 58A; provided further, that the land shall not be classified or withdrawn from  
30 classification until the final determination of such petition. The state forester may adopt such  
31 regulations as the state forester deems necessary to carry out this chapter.
