The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act relative to accessory dwelling units.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 3 of chapter 40A of the General Laws, as appearing in the 2014

2 Official Edition, is hereby amended by inserting after the last paragraph the following 3

3 paragraphs:-

No zoning ordinance or by-law shall prohibit or require a special permit for the use of
land or structures for an accessory dwelling unit, or the rental thereof, in a single-family
residential zoning district on a lot with 5,000 square feet or more or on a lot of sufficient area to
meet the requirements of title 5 of the state environmental code established by section 13 of
chapter 21A, if applicable; provided, however, that the single-family dwelling or the accessory
dwelling unit is occupied by at least 1 person with disabilities or 1 person who is elderly.

10 As used in this section, "accessory dwelling unit" shall mean a self-contained housing 11 unit, inclusive of sleeping, cooking and sanitary facilities, incorporated within the same structure 12 as a single-family dwelling or in a detached accessory structure and that: (i) maintains a separate 13 entrance, either directly from the outside or through an entry hall or corridor shared with the 14 single dwelling; (ii) shall not be sold separately from the single family dwelling; (iii) is not 15 smaller in floor area than 450 square feet; (iv) may include up to two bedrooms; and (v) is not 16 larger in floor area than ¹/₂ the floor area of the single family dwelling or 900 square feet, 17 whichever is smaller; "person with disabilities" shall mean a person who has been determined to 18 be disabled (i) in accordance with criteria established by local by-law or ordinance, if any, or (ii) 19 by the Social Security Administration or MassHealth, notwithstanding any local by-law or 20 ordinance; and "elderly" shall mean a person sixty-five years of age or older.

21 The zoning ordinance or by-law may require that the single-family dwelling or the 22 accessory dwelling unit be owner-occupied and may limit the total number of accessory dwelling 23 units in the municipality to a percentage not lower than 5 percent of the total non-seasonal 24 housing units in the municipality. The use of land or structures for an accessory dwelling unit 25 may be subject to reasonable regulations concerning dimensional setbacks and the bulk and 26 height of structures. Not more than 1 additional parking space shall be required for an accessory 27 dwelling unit but, if parking is required for the single family dwelling, that parking shall either 28 be retained or replaced. An accessory dwelling unit allowed under this section is considered 29 owner-occupied upon transfer of title of the single-family dwelling in whole or in part to a trust 30 in which at least 1 beneficiary is a person with disabilities or a person who is elderly; provided, 31 however, that either the single-family dwelling or the accessory dwelling unit remains occupied 32 by that beneficiary. Nothing in this paragraph shall authorize an accessory dwelling unit to
