An Act relative to unemployment insurance benefits for replacement workers.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Notwithstanding any special or general law to the contrary, if an employee, hired as a  
2 result of a covered individual taking leave under the provisions of chapter 175M of the general  
3 laws, is subsequently separated from that employment when the covered individual is restored to  
4 that position, and is eligible for unemployment insurance benefits under the provisions of chapter  
5 151A of the general laws, those benefit charges shall not accrue to the employer’s experience  
6 rating but rather shall be charged to the solvency fund.
