13 institutions of higher education, including a division of continuing education, regardless of
14 funding source, including but not limited to subsidiary account CC, the board shall credit as at
15 least one-half year of service, actual service teaching at one or more public institutions of higher
16 education the equivalent of at least four three-credit courses per calendar year;

17 SECTION 3. Section 4(2)(c) of Chapter 32, as appearing in the 2016 Official Edition, is
18 amended by adding the following paragraph:

19 For faculty employed at one or more of the public institutions of higher education, the
20 board, in accordance with the provisions of this section, shall allow credit for any previous

22 or more state higher education institution, including a division of continuing education,
23 regardless of funding source, including but not limited to subsidiary account CC.

24 SECTION 4. Section 1 of Chapter 32, as appearing in the 2016 Official Edition, is

36 institutions of higher education in the state, as set forth in section 5 of chapter 15A, including a
37 division of continuing education, regardless of funding source, including but not limited to
38 subsidiary account CC, and regardless of the term of employment or participation or membership
39 in a retirement system or plan; provided, that the commonwealth, not the public higher education
40 institutions, shall bear the cost.”

41 SECTION 6. Notwithstanding any general or special law, rule or regulation to the
42 contrary, for all part-time or non-tenure track faculty members employed at a public institution
43 of higher education who are enrolled in the Commonwealth’s SMART Plan, as permitted by the
44 federal Omnibus Budget Reconciliation Act of 1990, the state employees retirement system shall
45 contribute to the SMART PLAN an amount not less than seven and one half percent of each
46 employee's regular compensation.

47 SECTION 7. Notwithstanding any general or special law, rule or regulation to the

49 exclusive representatives of the full-time and part-time faculty at the public institution of higher
50 education, receive pay that is equal, on a pro rata basis, with that of full-time, non-tenure track

53 SECTION 8. Notwithstanding any general or special law, rule or regulation to the

57 policies, for part-time and non-tenure track teaching assignments. The implementation of this

66 that non-tenure track faculty: (1) accumulate seniority; (2) are notified of job openings prior to
67 the job being posted outside of the institution; and (3) are interviewed during the search and
68 screen process. The implementation of this section, but not the requirements that qualified non-
69 tenure track faculty members receive full and fair consideration in attaining a tenure-track
70 position, for accumulation of seniority, notice of job openings, and an interview, are subject to
71 collective bargaining between the public institution of higher education and the exclusive
72 representatives of part time and non-tenure track faculty.

73 SECTION 10. Nothing in this act shall be construed to either limit or reduce salaries,
74 benefits or hiring rights in existence at any public institution of higher education at the time this
75 legislation passes into law as provided in an applicable collective bargaining agreement or
76 otherwise.
