

**SENATE . . . . . No. 2167**

---

**The Commonwealth of Massachusetts**

PRESENTED BY:

***James B. Eldridge***

*To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:*

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act to increase funding and enhance the mission of the Massachusetts Clean Energy Center.

PETITION OF:

NAME:	DISTRICT/ADDRESS:	
<i>James B. Eldridge</i>	<i>Middlesex and Worcester</i>	
<i>Carolyn C. Dykema</i>	<i>8th Middlesex</i>	
<i>Joanne M. Comerford</i>	<i>Hampshire, Franklin and Worcester</i>	<i>3/5/2021</i>
<i>Michael O. Moore</i>	<i>Second Worcester</i>	<i>3/9/2021</i>

**SENATE . . . . . No. 2167**

---

By Mr. Eldridge, a petition (accompanied by bill, Senate, No. 2167) of James B. Eldridge, Carolyn C. Dykema, Joanne M. Comerford and Michael O. Moore for legislation to increase funding and enhance the mission of the Massachusetts Clean Energy Center. Telecommunications, Utilities and Energy.

---

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Second General Court  
(2021-2022)**

An Act to increase funding and enhance the mission of the Massachusetts Clean Energy Center.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 1. Chapter 23J of the Massachusetts General Laws is hereby amended by adding  
2 after section 8 the following new section –

3           Section 8B

4           There is hereby established and placed within the Center a program to support public  
5 entities, municipalities and their residents in partnering with private entities to develop, pilot, and  
6 deploy solutions to decarbonize communities, buildings, homes, businesses, and vehicles. Said  
7 program shall provide resources that may include but are not limited to: feasibility studies;  
8 consulting services; direct grants for pilot and demonstration projects; technical assistance for  
9 energy planning; consumer engagement and education initiatives; and direct financial support to  
10 municipalities or NGOs for local staffing to support these efforts. Public interests to be advanced  
11 through this program may include but are not limited to the following: (i) strategic clean energy

12 planning (ii) vehicle fleet electrification for municipalities, the MBTA, RTAs and public entities  
13 including school bus fleet electrification (iii) grid modernization and resilience including  
14 microgrids and energy storage (iv) piloting and deployment of EV charging infrastructure (v)  
15 building decarbonization transitions and (vi) distributed energy resources. For the purposes of  
16 this program a preference shall be given for (a) projects in Environmental Justice communities,  
17 Gateway Cities, Green Communities and MVP Communities and (b) for piloting and  
18 deployment of innovative technologies by Massachusetts based companies.

19 Section 2. Chapter 23J of the Massachusetts General Laws is hereby amended in Section  
20 9 (b) by striking out, in line 11 after the words “New England region;” the word “and” and by  
21 adding after the words “institutions and projects” in line 12 the following words: “(vii) assisting  
22 the Commonwealth in achieving its greenhouse gas reduction targets; and (viii) facilitating clean  
23 energy supply chain opportunities including but not limited to supply chain activities related to  
24 offshore wind development”.

25 Section 3. Chapter 23J of the Massachusetts General Laws is hereby amended in Section  
26 9 (d) by striking out, in line 19 after the words “December 31,1997”, the word “and” and adding  
27 after the words “scarce energy resources” the following (ix) advancing energy efficiency and  
28 electrification in new and existing buildings; (x) accelerating the adoption of clean transportation  
29 technologies; and (xi) the development of a modern flexible grid to support increased electricity  
30 demand and increased distributed renewable energy generation.

31 Section 4. Chapter 25 of the Massachusetts General Laws is hereby amended in  
32 Subsection (a) of Section 20 by striking out, in line one, the figure “0.5” and replacing it with the  
33 figure “1.5”

34           Section 5. Chapter 25 of the Massachusetts General Laws, is hereby amended in  
35   Subsection (a) of Section 20 of by inserting, in line 1, after the words “a mandatory charge” the  
36   following words:- “14.65 mill per therm for all natural gas customers and a mandatory charge  
37   of”
