**The Commonwealth of Massachusetts**

In the One Hundred and Ninety-Second General Court  
(2021-2022)

**SECTION 1.** To provide for the operations of the several departments, boards, commissions and institutions of the commonwealth and other services of the commonwealth and for certain permanent improvements and to meet certain requirements of law, the sums set forth in this act, for the several purposes and subject to the conditions specified, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to the laws regulating the disbursement of public funds and the approval thereof for the fiscal year ending June 30, 2022. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and persons with a disability. All officials and employees of an agency, board, department, commission or division receiving funds under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government and in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission and division of the commonwealth, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all other terms and conditions of employment.

**SECTION 1A.** In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section, by source, for the respective funds of the commonwealth for the fiscal year ending June 30, 2022 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for fiscal year 2022 as set forth and authorized in this act. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing those receipts with the projected receipts set forth in this section and shall include a full statement comparing the actual and projected receipts in the annual report for fiscal year 2022 pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2022 the distribution of unrestricted general government aid to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,168,119,046 and shall be apportioned to cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws, as amended by Chapter 132 of the Acts of 2019, or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2022 the total amounts to be distributed and paid to each city, town and regional school district from item 7061-0008 of section 2, shall be as set forth in the following lists. The specified amounts distributed from said item 7061-0008 of said section 2 shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2022, a district's school aid shall be calculated according to the provisions of said chapter 70, as most recently amended by Chapter 132 of the Acts of 2019, also known as the Student Opportunity Act. The foundation budget category of "low-income enrollment" for the purpose of calculating foundation enrollment shall be the higher of: (i) the number of students identified as economically-disadvantaged by qualifying as a match in the commonwealth's direct certification system; or (ii) the district's fiscal year 2016 low-income percentage multiplied by its current foundation enrollment; provided further, that the assumed special education enrollment percentage for vocational school students shall be set at 4.83 per cent, the assumed special education enrollment percentage for nonvocational school students shall be set at 3.83 per cent and foundation enrollment shall be based on actual enrollment as reported to the department of elementary and secondary education on October 1, 2020.

The per-pupil rates for the employee benefits and fixed charges allotments shall be adjusted by the foundation employee benefits inflation rate and the per-pupil rates for all other foundation allotments shall be adjusted by the foundation inflation index. Foundation increments shall be the additional resources provided for the education of students designated as English learners or low-income; provided, however, that for low-income students the amount of the foundation increment shall be determined by the low-income group into which each district is assigned; and provided further, that districts shall be assigned to low-income groups based on the share of low-income students in the district. Foundation budget rates for employee benefits and fixed charges, guidance and psychological services, special education out-of-district tuition, English learners and low-income students shall be increased by one-sixth of the gap between the fiscal year 2021 rates and the target rates established by said chapter 70 and shall be set as identified in the tables below.

Required local contributions shall be calculated using the provisions of said chapter 70; provided, that municipal revenue growth factors shall be calculated in a manner consistent with calculations made in fiscal year 2021; provided further, that the total state target local contribution shall be 59 per cent and the effort reduction percentage shall be 100 per cent.

For fiscal year 2022, base aid shall be the amount of chapter 70 school aid provided to the district in the prior fiscal year. Foundation aid shall be the difference between the district's

foundation budget and the required local contribution. Minimum aid shall be the greater of a district's: (i) minimum aid adjustment less its base aid; and (ii) a district's foundation enrollment multiplied by \$30.

Chapter 70 aid for fiscal year 2022 shall be the greater of: (i) foundation aid, or (ii) the sum of base aid and minimum aid. No nonoperating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

In satisfying any increase in its local contribution requirements under said chapter 70, a municipality may deem to be local contribution an amount up to 75 per cent of the total grant award to its districts under the Elementary and Secondary School Emergency Relief Fund under the federal Coronavirus Response and Relief Supplemental Appropriations Act, but not more than the increase in required local contribution in fiscal year 2022 relative to fiscal year 2021. In the case of a municipality's increased required contribution as a member of a regional school district, a municipality may deem a proportional share of 75 per cent of the regional district's total grant award under the federal Elementary and Secondary School Emergency Relief Fund, equal to the municipality's share of the district's total required contribution, to satisfy the increase in its required contribution.

In evaluating compliance with net school spending requirements for fiscal year 2022, the department of elementary and secondary education shall include any net school spending eligible expenditures supported with grants under the federal Elementary and Secondary School Emergency Relief Fund up to the dollar limit established by the department pursuant to the 75 per cent limitation established in the previous paragraph.

Notwithstanding section 89 of chapter 71 of the General Laws or any other general or special law to the contrary, in calculating charter school tuition payments to be paid to charter schools by each district for fiscal year 2022, the department of elementary and secondary education shall not include the per-pupil amount of required local contribution that may be supported by grants under the federal Elementary and Secondary School Emergency Relief Fund, as determined by the department pursuant to this section.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, however, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or agricultural school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

231 any additional costs that may accrue, shall constitute a debt to the department. The debt shall also  
232 be a lien in favor of the department upon all property and rights to property, whether real or  
233 personal, belonging to the indebted retail electric supplier, including property acquired after the  
234 lien arises. The lien shall arise at the time the department issues the first notice of noncompliance  
235 and shall continue until: (i) the debt is satisfied; (ii) a judgment against the retail electric supplier  
236 arising out of such debt is satisfied; or (iii) any such debt or judgment becomes unenforceable by  
237 reason of the lapse of time. The lien created in favor of the department for any owed alternative  
238 compliance payment shall remain in full force and effect for a period of 10 years after the date of  
239 issuance of the first notice of noncompliance. For bankruptcy cases under relevant chapters of  
240 the United States Code, the running of the period of limitations in this section shall be suspended  
241 for the period during which the department is prohibited by reason of such case from collecting  
242 the lien and for the period during which a plan for payment of the lien is in effect, and for 6  
243 months thereafter. The running of the period of limitations in this section shall be suspended for  
244 the period during which the payment or collection is stayed pursuant to the retail electric supplier  
245 contesting the lien. If the lien would extend beyond its initial or any subsequent 10-year period,  
246 the department may refile its notice of lien. If any notice of lien is refiled within the required  
247 refiling period, as that term is defined in section 6323(g)(3) of the United States Code, the lien in

248 favor of the department shall relate back to the date of the first lien filing. Otherwise, any such  
249 refiled lien shall be effective from the date of its filing. The department shall promulgate such  
250 regulations as may be necessary for the implementation of this subsection.

251 (b) The lien imposed by this section shall not be perfected against any mortgagee,  
252 pledgee, purchaser, creditor, or judgment creditor until notice thereof has been filed by the  
253 department:

254 (i) with respect to real property or fixtures, in the registry of deeds of the county where  
255 such property is situated, and

256 (ii) with respect to personal property other than fixtures, in the filing office in which the  
257 filing of a financing statement would perfect under article 9 of chapter 106 an attached  
258 nonpossessory security interest in tangible personal property belonging to the retail electric  
259 supplier liable to pay the alternative compliance payment as if the retail electric supplier were  
260 located in the commonwealth under section 9-307 of said article 9 of said chapter 106. The filing  
261 of any such lien or of a waiver or release of any such lien shall be received and registered or  
262 recorded without payment of any fee in the commonwealth.

263 (c) In any case where an alternative compliance payment becomes due upon issuance of a  
264 notice of noncompliance, the department, in addition to other modes of relief, may direct a civil  
265 action to be filed in the superior court to collect the debt or enforce the lien of the department  
266 under this section with respect to such liability or to subject any property of whatever nature of  
267 the indebted retail electric supplier or in which they have any right, title or interest, to the  
268 payment of such liability.

269 (d) The department may issue a waiver or release of any lien imposed by this section.  
270 Such waiver or release shall be conclusive evidence that the lien upon the property covered by  
271 the waiver or release is extinguished. The department shall issue a waiver or release of any lien  
272 imposed by this section in any case where the debt for which such lien attached has been paid or  
273 legally abated.

274 (e) Notwithstanding any general or special law to the contrary, the department may  
275 establish financial compliance assurance requirements for any retail electric supplier subject to  
276 any requirements or standards established in this chapter. The department may require a bond or  
277 other security in amount and form as determined to be necessary and appropriate to ensure  
278 compliance with all such requirements or standards.

279 (c) In any case where an alternative compliance payment becomes due upon issuance of a  
280 notice of noncompliance, the department, in addition to other modes of relief, may direct a civil  
281 action to be filed in a superior court of the commonwealth to collect the debt or enforce the lien  
282 of the department under this section with respect to such liability, or to subject any property of  
283 whatever nature of the indebted retail electric supplier, or in which they have any right, title or  
284 interest, to the payment of such liability.

285 (d) The department may issue a waiver or release of any lien imposed by this section.  
286 Such waiver or release shall be conclusive evidence that the lien upon the property covered by  
287 the waiver or release is extinguished. The department shall issue a waiver or release of any lien  
288 imposed by this section in any case where the debt for which such lien attached has been paid or  
289 legally abated.

290 (e) Notwithstanding any general or special law to the contrary, the department may  
291 establish financial compliance assurance requirements for any retail electricity supplier subject to  
292 requirements or standards established in this chapter. The department may require a bond or  
293 other security in amount and form as determined to be necessary and appropriate to ensure  
294 compliance with all such requirements or standards.

1103 provide security in an amount equal to 100 per cent of the assuming insurer's liabilities

1107 or by its legal successor on behalf of its resolution estate; and

1108           5. The assuming insurer shall confirm that it is not presently participating in any solvent

1110 insurer and the commissioner and to provide security in an amount equal to 100 per cent of the  
1111 assuming insurer's liabilities to the ceding insurer should the assuming insurer enter into such as

1127 (a) The commissioner's list shall include any Reciprocal Jurisdiction as defined under  
1128 subsection (1)(E1/2)(i)(a)(1) and (2), and shall consider any other Reciprocal Jurisdiction  
1129 included on the National Association of Insurance Commissioners' list. The commissioner may  
1130 approve a jurisdiction that does not appear on the National Association of Insurance  
1131 Commissioners' list of Reciprocal Jurisdictions in accordance with criteria to be developed under  
1132 regulations issued by the commissioner.

1133 (b) The commissioner may remove a jurisdiction from the list of Reciprocal Jurisdictions  
1134 upon a determination that the jurisdiction no longer meets the requirements of a Reciprocal  
1135 Jurisdiction, in accordance with a process set forth in regulations issued by the commissioner,  
1136 except that the commissioner shall not remove from the list of Reciprocal Jurisdiction as defined  
1137 under subsection (1)(E1/2)(i)(a)(1) and (2). Upon removal of a Reciprocal Jurisdiction from the  
1138 list credit for reinsurance ceded to an assuming insurer that has its home office or is domiciled in  
1139 that jurisdiction shall be allowed, if otherwise allowed pursuant to this section.

1140 (iii) The commissioner shall timely create and publish a list of assuming insurers that  
1141 have satisfied the conditions set forth in this subsection and to which cessions shall be granted  
1142 credit in accordance with this subsection. The commissioner may add an assuming insurer to  
1143 such list if a National Association of Insurance Commissioners accredited jurisdiction has added  
1144 such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the  
1145 assuming insurer submits the information to the commissioner as required under paragraph (i)(d)  
1146 of this subsection and complies with any additional requirements that the commissioner may

1147 impose by regulation, except to the extent that they conflict with an applicable covered  
1148 agreement.

1149 (iv) If the commissioner determines that an assuming insurer no longer meets 1 or more  
1150 of the requirements under this subsection, the commissioner may revoke or suspend the  
1151 eligibility of the assuming insurer for recognition under this subsection in accordance with  
1152 procedures set forth in regulation.

1153 (a) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued,  
1154 amended or renewed after the effective date of the suspension shall be qualified for credit except  
1155 to the extent that the assuming insurer's obligations under the contract are secured in accordance  
1156 with subsection (2).

1157 (b) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be  
1158 granted after the effective date of the revocation with respect to any reinsurance agreements  
1159 entered into by the assuming insurer, including reinsurance agreements entered into prior to the  
1160 date of revocation, except to the extent that the assuming insurer's obligations under the contract  
1161 are secured in a form acceptable to the commissioner and consistent with the provision of

1166 insurer post security for all outstanding ceded liabilities.

1167 (vi) Nothing in this subsection shall limit or in any way alter the capacity of parties to a  
1168 reinsurance agreement to agree on requirements for security or other terms in that reinsurance  
1169 agreement, except as prohibited by this section or other applicable law or regulation.

1170 (vii) Credit may be taken under this paragraph only with respect to losses incurred and

1172 eligibility requirements pursuant to subsection (1)(E1/2)(i); and (ii) the effective date of the new  
1173 reinsurance agreement, amendment or renewal.

1174 (a) This paragraph shall not alter or impair a ceding insurer's right to take credit for  
1175 reinsurance, to the extent that credit is not available under this subsection, as long as the  
1176 reinsurance qualifies for credit under any other applicable provision of this section.

1177 (b) Nothing in this subsection shall authorize an assuming insurer to withdraw or reduce  
1178 the security provided under any reinsurance agreement except as permitted by the terms of the  
1179 agreement.

1180 (c) Nothing in this subsection shall limit or in any way alter the capacity of parties to any  
1181 reinsurance agreement to renegotiate the agreement.
